**Sec. 2.** As used in this chapter, "school corporation" means an entity that is eligible to receive a tuition support distribution.

**Sec. 3.** As used in this chapter, "tuition support distribution" means the sum of:

- (1) basic tuition support;
- (2) special education program;

4       cap in IC 21-3-1.7-9.

5       Sec. 4. The education rainy day fund is established.

6       Sec. 5. Money in the fund shall be used for the following  
7       purposes:

8           (1) To provide money for tuition support distributions in  
9           years when revenues collected by the state fail to meet the  
10          forecasted projections used by the budget agency in  
11          determining allotments under IC 4-13-2-8 or during other  
12          financial emergencies declared by law.

13          (2) As a reserve to provide money to the state general fund or  
14          the property tax replacement fund, as needed, to pay tuition  
15          support distributions required by law to be made so early in  
16          a state fiscal year that revenues received in the state fiscal  
17          year before the distribution is made are not sufficient to cover  
18          the distribution.

19       Sec. 6. The fund shall be administered by the budget agency.

20       Sec. 7. The treasurer of state shall invest the money in the fund  
21       not currently needed to meet the obligations of the fund in the same  
22       manner as other public money may be invested.

23       Sec. 8. Money in the fund at the end of a state fiscal year does  
24       not revert to the state general fund.

25       Sec. 9. In each state fiscal year the budget agency shall transfer  
26       the lesser of the following from the state general fund to the fund:

27           (1) Fifty million dollars (\$50,000,000).

28           (2) The amount necessary to provide a balance in the fund  
29           that is equal to ten percent (10%) of the total amount  
30           appropriated for tuition support distributions each state fiscal  
31           year of the current budget period (as defined in IC 4-12-1-2).

32           (3) The amount determined by the budget agency, after  
33           review by the budget committee, if in the immediately  
34           preceding state fiscal year a transfer from the fund is made  
35           under section 11 of this chapter.

36       Sec. 10. In addition to transfers under section 9 of this chapter,  
37       any money from the fund used to pay tuition support distributions  
38       that are required by law to be made so early in a state fiscal year

**Sec. 11.** The budget agency, after review by the budget committee, shall transfer money from the fund to the:

(1) state general fund; or

(2) the property tax replacement fund;

**Sec. 12.** Transfers to the fund under this chapter are in addition to transfers to the counter-cyclical revenue and economic stabilization fund under IC 4-10-18-4.

**Sec. 13.** The transfers and distributions authorized under this chapter are annually appropriated from the state general fund and the fund.

SECTION 5. IC 4-10-21 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]:

**Chapter 21. Business Cycle State Spending Controls**

**Sec. 1.** As used in this chapter, "state spending cap" refers to the state spending cap determined under section 2 of this chapter.

**Sec. 2.** (a) For the state fiscal year beginning July 1, 2003, and ending June 30, 2004, the state spending cap is equal to the result determined under STEP THREE of the following formula:

**STEP ONE:** Determine the sum of the total of the appropriations made from the state general fund and the property tax replacement fund (including continuing appropriations) for the state fiscal year beginning July 1, 2001, and ending June 30, 2002.

**STEP TWO:** Subtract from the STEP ONE result the amount that:

(A) was appropriated for the state fiscal year beginning July 1, 2001, and ending June 30, 2002, from the state

1           general fund or the property tax replacement fund; and  
2           (B) reverted to the state general fund or the property tax  
3           replacement fund without expenditure before July 1, 2002;  
4           including continuing appropriations other than continuing  
5           capital expenditure appropriations that were enacted before  
6           2001.

7           **STEP THREE: Multiply the STEP TWO result by one and**  
8           **three-hundredths (1.03).**

9           (b) For the state fiscal year beginning July 1, 2004, and ending  
10          June 30, 2005, the state spending cap is equal to the product of the  
11          result determined under subsection (a) multiplied by one and  
12          three-hundredths (1.03).

13          (c) The state spending cap for a state fiscal year beginning after  
14          June 30, 2005, is equal to the product of the state spending growth  
15          quotient for the state fiscal year determined under section 3 of this  
16          chapter multiplied by the state spending cap for the immediately  
17          preceding state fiscal year.

18          (d) The state spending cap imposed under this section is  
19          increased in the initial state fiscal year in which the state receives  
20          additional revenue for deposit in the state general fund or property  
21          tax replacement fund as a result of the enactment of a law that:

- 22               (1) establishes a new tax or fee after June 30, 2002;  
23               (2) increases the rate of a previously enacted tax or fee after  
24               June 30, 2002; or  
25               (3) reduces or eliminates an exemption, a deduction, or a  
26               credit against a previously enacted tax or fee after June 30,  
27               2002.

28          The amount of the increase is equal to the average revenue that the  
29          budget agency estimates will be raised by the legislative action in  
30          the initial two (2) full state fiscal years in which the legislative  
31          change is in effect.

32          (e) The state spending cap imposed under this section is  
33          decreased in the initial state fiscal year in which the state is  
34          affected by a decrease in revenue deposited in the state general  
35          fund or property tax replacement fund as the result of the  
36          enactment of a law that:

- 37               (1) eliminates a tax or fee after June 30, 2002;  
38               (2) eliminates any part of a tax rate or fee after June 30, 2002;

1           or

2           (3) establishes or increases an exemption, a deduction, or a  
3           credit against a tax or fee after June 30, 2002.

4           The amount of the decrease is equal to the average revenue that the  
5           budget agency estimates will be lost as a result of the legislative  
6           action in the initial two (2) full state fiscal years in which the  
7           legislative change is in effect.

8           Sec. 3. The budget agency shall compute a new state spending  
9           growth quotient under this section before December 31 in 2004 and  
10          each even-numbered year thereafter. The state spending growth  
11          quotient determined under this section applies to each of the state  
12          fiscal years in the immediately following biennial budget period.  
13          The state spending growth quotient to be used in the biennial  
14          budget period is the amount determined under STEP FOUR of the  
15          following formula:

16          STEP ONE: For each of the six (6) calendar years  
17          immediately preceding the beginning of the first state fiscal  
18          year in a biennial budget period, divide the Indiana nonfarm  
19          personal income for the calendar year by the Indiana  
20          nonfarm personal income for the calendar year immediately  
21          preceding that calendar year.

22          STEP TWO: Determine the sum of the STEP ONE results.

23          STEP THREE: Divide the STEP TWO result by six (6).

24          STEP FOUR: Determine the lesser of the following:

25               (A) The STEP THREE quotient.

26               (B) One and six-hundredths (1.06).

27          Sec. 4. For purposes of section 3 of this chapter, Indiana  
28          nonfarm personal income is the estimate of total nonfarm personal  
29          income for Indiana in a calendar year as computed by the federal  
30          Bureau of Economic Analysis before December 31 immediately  
31          preceding the beginning of the first state fiscal year in a biennial  
32          budget period, using any:

33               (1) actual data available for the calendar year; and

34               (2) estimated data for the calendar year whenever actual data  
35               is not available.

36          Sec. 5. (a) The maximum total amount that may be expended in  
37          a state fiscal year from the state general fund, the property tax  
38          replacement fund, and the counter-cyclical revenue and economic

 12        **appropriated by the general assembly in the state fiscal year from**  
 13        **the state general fund, the property tax replacement fund, and the**  
 14        **counter-cyclical revenue and economic stabilization fund, the**  
 15        **budget agency shall reduce the amounts available for expenditure**  
 16        **from the state general fund, the property tax replacement fund,**  
 17        **and the counter-cyclical revenue and economic stabilization fund**  
 18        **in the state fiscal year by using the procedures in IC 4-13-2-18.**

19        **Sec. 6. The following expenditures that would otherwise be**  
 20        **subject to this chapter shall be excluded from all computations and**  
 21        **determinations related to a state spending cap:**

22            **(1) Expenditures derived from money deposited in the state**

**(b) The following language shall be treated as meeting the requirements of subsection (a):**

**"The general assembly waives the state spending cap limitation imposed by IC 4-10-21-5 for the state fiscal year beginning July 1, (insert the applicable year), and ending June 30, (insert the applicable year), for the following appropriation: (insert the language of the appropriation). SECTION 16. IC 6-1.1-10-29, AS AMENDED BY P.L.90-2002, SECTION 100, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 29. (a) As used in this section, "manufacturer" or "processor" means a person that performs an operation or continuous series of operations on raw materials, goods, or other personal property to alter the raw materials, goods, or other personal property into a new or changed state or form. The operation may be performed by hand, machinery, or a chemical process directed or controlled by an individual. The terms include a person that:

- (1) dries or prepares grain for storage or delivery; or
- (2) publishes books or other printed materials.

(b) Personal property owned by a manufacturer or processor is exempt from property taxation if the owner is able to show by adequate records that the property:

- (1) is stored and remains in its original package in an in-state warehouse for the purpose of shipment, without further processing, to an out-of-state destination; ~~or~~
- (2) **will be used in an operation or a continuous series of operations to alter the personal property into a new or changed state or form and the resulting personal property will be shipped, or will be incorporated into personal property that will be shipped, to an out-of-state destination; or**
- (3) consists of books or other printed materials that are stored at

1 an in-state commercial printer's facility for the purpose of  
 2 shipment, without further processing, to an out-of-state  
 3 destination.

4 (c) Personal property that is manufactured in Indiana and that would  
 5 be exempt under subsection ~~(b)~~, **(b)(1)**, except that it is not stored in its  
 6 original package, is exempt from property taxation if the owner can  
 7 establish in accordance with exempt inventory procedures, regulations,  
 8 and rules of the department of local government finance that:

9 (1) the property is ready for shipment without additional  
 10 manufacturing or processing, except for packaging; and

11 (2) either:

12 (A) the property will be damaged or have its value impaired if  
 13 it is stored in its original package; or

14 (B) the final packaging of finished inventory items is not  
 15 practical until receipt of a final customer order because  
 16 fulfillment of the customer order requires the accumulation of  
 17 a number of distinct finished inventory items into a single  
 18 shipping package.

19 (d) A manufacturer or processor that possesses personal property  
 20 owned by another person may claim an exemption under subsection (b)  
 21 or (c) if:

22 (1) the manufacturer or processor includes the property on the  
 23 manufacturer's or processor's personal property tax return; and

24 (2) the manufacturer or processor is able to show that the owner  
 25 of the personal property would otherwise have qualified for an  
 26 exemption under subsection ~~(b)~~ **(b)(1), (b)(3),** or (c).

27 SECTION 17. IC 6-1.1-10-29.5 IS AMENDED TO READ AS  
 28 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 29.5. (a) For  
 29 purposes of **determining under** sections 29, 29.3, 30(a), and 30(c) of  
 30 this chapter **the amount and type of personal property that is**  
 31 **shipped or transshipped to an out-of-state destination**, the term  
 32 "adequate record" includes a designation on a bill of lading, freight bill,  
 33 delivery receipt, manifest, packing slip, or an equivalent document, or  
 34 a final entry in the records of the taxpayer indicating that property is  
 35 held for shipment to an out-of-state destination. Such a designation for  
 36 out-of-state shipment is sufficient for purposes of section 29, 29.3,  
 37 30(a), or 30(c) of this chapter even though the specific out-of-state  
 38 destination of the property is not included in the designation and even

1       though the destination of the property is unknown on the assessment  
2       date.

3       (b) For the purpose of substantiating the amount of his personal  
4       property which is exempt from property taxation under section 29,  
5       29.3, 30(a), or 30(c) of this chapter **on the basis that it is being**  
6       **shipped or transshipped to an out-of state destination**, a taxpayer  
7       shall maintain records that reflect the specific type and amount of  
8       personal property claimed to be exempt so that the taxpayer's taxable  
9       personal property may be distinguished from his exempt personal  
10      property. In lieu of specific identification **of the taxpayer's personal**  
11      **property that is shipped or transshipped to an out-of-state**  
12      **destination**, the taxpayer may elect to establish the value of his exempt  
13      personal property by utilizing an allocation method whereby the  
14      exempt personal property is determined by dividing:

15           (1) the value of the taxpayer's property shipped from the in-state  
16           warehouse to out-of-state destinations during the twelve (12)  
17           month period ending with the assessment date; by

18           (2) the total value of all shipments of the taxpayer's property from  
19           the in-state warehouse during the same period of time;

20      and applying this ratio to the taxpayer's total inventory of personal  
21      property that has been placed in the in-state warehouse, that is in the  
22      in-state warehouse as of the assessment date, and that meets the other  
23      requirements for an exemption under section 29, 29.3, 30(a), or 30(c)  
24      of this chapter. If the taxpayer uses the allocation method, he shall keep  
25      records which adequately establish the validity of the allocation.

26      (c) If the taxpayer elects to keep a specific inventory **under**  
27      **subsection (b)**, he shall maintain additional records which reflect:

28           (1) an accurate inventory of all personal property stored in a  
29           in-state warehouse; i.e., both inventory destined for points outside  
30           the state and inventory destined for points within the state;

31           (2) the date of deposit of the inventory in the in-state warehouse;

32           (3) the date of withdrawal of the inventory from the in-state  
33           warehouse; and

34           (4) the point of ultimate destination of the shipments, if known.

35      (d) For the purposes of this section, the term "warehouse" includes  
36      a commercial printer's facility.

37      (e) **A taxpayer may use an allocation percentage to claim an**  
38      **exemption under section 29(b)(2) of this chapter for a part of the**

1 person's personal property if the taxpayer's business records  
 2 substantiate that the allocation percentage accurately reflects the  
 3 part of the personal property that will:

4 (1) be used in an operation or a continuous series of  
 5 operations to alter the personal property into a new or  
 6 changed state or form; and

7 (2) in its new or changed state or form be:

8 (A) shipped; or

9 (B) incorporated into personal property that will be  
 10 shipped;

11 to an out-of-state destination.

12 The percentage may include personal property that is sold to  
 13 another processor or manufacturer if the personal property is  
 14 incorporated into the personal property of the buyer and that  
 15 personal property is shipped out of state.

16 SECTION 18. IC 6-1.1-12-37, AS AMENDED BY P.L.291-2001,  
 17 SECTION 142, IS AMENDED TO READ AS FOLLOWS  
 18 [EFFECTIVE JANUARY 1, 2003]: Sec. 37. (a) Each year a person  
 19 who is entitled to receive the homestead credit provided under  
 20 IC 6-1.1-20.9 for property taxes payable in the following year is  
 21 entitled to a standard deduction from the assessed value of the real  
 22 property, mobile home not assessed as real property, or manufactured  
 23 home not assessed as real property that qualifies for the homestead  
 24 credit. The auditor of the county shall record and make the deduction  
 25 for the person qualifying for the deduction.

26 (b) Except as provided in section 40.5 of this chapter, the total  
 27 amount of the deduction that a person may receive under this section  
 28 for a particular year is the lesser of:

29 (1) one-half (1/2) of the assessed value of the real property,  
 30 mobile home not assessed as real property, or manufactured home  
 31 not assessed as real property; or

32 (2) ~~six~~ thirty thousand dollars (~~\$6,000~~): **(\$30,000).**

33 (c) A person who has sold real property, a mobile home not assessed  
 34 as real property, or a manufactured home not assessed as real property  
 35 to another person under a contract that provides that the contract buyer  
 36 is to pay the property taxes on the real property, mobile home, or  
 37 manufactured home may not claim the deduction provided under this  
 38 section with respect to that real property, mobile home, or

1 manufactured home.

2 SECTION 19. IC 6-1.1-12-41 IS ADDED TO THE INDIANA  
3 CODE AS A NEW SECTION TO READ AS FOLLOWS  
4 [EFFECTIVE JULY 1, 2002]: **Sec. 41. (a) This section does not apply**  
5 **to assessment years beginning after December 31, 2005.**

6 (b) As used in this section, "assessed value of inventory" means  
7 the assessed value determined after the application of any  
8 deductions or adjustments that apply by statute or rule to the  
9 assessment of inventory, other than the deduction allowed under  
10 subsection (f).

11 (c) As used in this section, "county income tax council" means  
12 a council established by IC 6-3.5-6-2.

13 (d) As used in this section, "fiscal body" has the meaning set  
14 forth in IC 36-1-2-6.

15 (e) As used in this section, "inventory" has the meaning set forth  
16 in IC 6-1.1-3-11.

17 (f) An ordinance may be adopted in a county to provide that a  
18 deduction applies to the assessed value of inventory located in the  
19 county. The deduction is equal to one hundred percent (100%) of  
20 the assessed value of inventory located in the county for the  
21 appropriate year of assessment. An ordinance adopted under this  
22 subsection must be adopted before January 1 of a calendar year  
23 beginning after December 31, 2002. An ordinance adopted under  
24 this section in a particular year applies to each subsequent  
25 assessment year ending before January 1, 2006. An ordinance  
26 adopted under this section may be consolidated with an ordinance  
27 adopted under IC 6-3.5-7-25 or IC 6-3.5-7-26. The consolidation of  
28 an ordinance adopted under this section with an ordinance adopted  
29 under IC 6-3.5-7-26 does not cause the ordinance adopted under  
30 IC 6-3.5-7-26 to expire after December 31, 2005.

31 (g) An ordinance may not be adopted under subsection (f) after  
32 March 30, 2004. However, an ordinance adopted under this section  
33 may be amended after March 30, 2004, to consolidate an ordinance  
34 adopted under IC 6-3.5-7-26.

35 (h) The entity that may adopt the ordinance permitted under  
36 subsection (f) is:

37 (1) the county income tax council if the county option income  
38 tax is in effect on January 1 of the year in which an ordinance

1 under this section is adopted;

2 (2) the county fiscal body if the county adjusted gross income  
3 tax is in effect on January 1 of the year in which an ordinance  
4 under this section is adopted; or

5 (3) the county income tax council or the county fiscal body,  
6 whichever acts first, for a county not covered by subdivision  
7 (1) or (2).

8 To adopt an ordinance under subsection (f), a county income tax  
9 council shall use the procedures set forth in IC 6-3.5-6 concerning  
10 the imposition of the county option income tax. The entity that  
11 adopts the ordinance shall provide a certified copy of the ordinance  
12 to the department of local government finance before February 1.

13 (i) A taxpayer is not required to file an application to qualify for  
14 the deduction permitted under subsection (f).

15 (j) The department of local government finance shall  
16 incorporate the deduction established in this section in the personal  
17 property return form to be used each year for filing under  
18 IC 6-1.1-3-7 or IC 6-1.1-3-7.5 to permit the taxpayer to enter the  
19 deduction on the form. If a taxpayer fails to enter the deduction on  
20 the form, the township assessor shall:

21 (1) determine the amount of the deduction; and

22 (2) within the period established in IC 6-1.1-16-1, issue a  
23 notice of assessment to the taxpayer that reflects the  
24 application of the deduction to the inventory assessment.

25 (k) The deduction established in this section must be applied to  
26 any inventory assessment made by:

27 (1) an assessing official;

28 (2) a county property tax board of appeals; or

29 (3) the department of local government finance.

30 SECTION 20. IC 6-1.1-12-42 IS ADDED TO THE INDIANA  
31 CODE AS A NEW SECTION TO READ AS FOLLOWS  
32 [EFFECTIVE JULY 1, 2003]: Sec. 42. (a) As used in this section,  
33 "assessed value of inventory" means the assessed value determined  
34 after the application of any deductions or adjustments that apply  
35 by statute or rule to the assessment of inventory, other than the  
36 deduction established in subsection (c).

37 (b) As used in this section, "inventory" has the meaning set  
38 forth in IC 6-1.1-3-11.

(c) A taxpayer is entitled to a deduction from assessed value equal to one hundred percent (100%) of the taxpayer's assessed value of inventory beginning with assessments made in 2006 for property taxes first due and payable in 2007.

(d) A taxpayer is not required to file an application to qualify for the deduction established by this section.

(e) The department of local government finance shall incorporate the deduction established by this section in the personal property return form to be used each year for filing under IC 6-1.1-3-7 or IC 6-1.1-3-7.5 to permit the taxpayer to enter the deduction on the form. If a taxpayer fails to enter the deduction on the form, the township assessor shall:

(1) determine the amount of the deduction; and

(2) within the period established in IC 6-1.1-16-1, issue a notice of assessment to the taxpayer that reflects the application of the deduction to the inventory assessment.

(f) The deduction established by this section must be applied to any inventory assessment made by:

(1) an assessing official;

(2) a county property tax assessment board of appeals; or

(3) the department of local government finance.

SECTION 21. IC 6-1.1-18.5-2, AS AMENDED BY P.L.198-2001, SECTION 52, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 2. (a) This subsection applies to a calendar year ending before January 1, 2006. As used in this section, "Indiana nonfarm personal income" means the estimate of total nonfarm personal income for Indiana in a calendar year as computed by the federal Bureau of Economic Analysis using any actual data for the calendar year and any estimated data determined appropriate by the federal Bureau of Economic Analysis.

(b) For purposes of determining a civil taxing unit's maximum permissible ad valorem property tax levy for an ensuing calendar year, the civil taxing unit shall use the assessed value growth quotient determined in the last STEP of the following STEPS:

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

1 STEP TWO: Compute separately, for each of the calendar years  
 2 determined in STEP ONE; the quotient (rounded to the nearest  
 3 ten-thousandth) of the civil taxing unit's total assessed value of all  
 4 taxable property in the particular calendar year; divided by the  
 5 civil taxing unit's total assessed value of all taxable property in the  
 6 calendar year immediately preceding the particular calendar year:

7 STEP THREE: Divide the sum of the three (3) quotients  
 8 computed in STEP TWO by three (3):

9 STEP FOUR: Determine the greater of the result computed in  
 10 STEP THREE or one and five-hundredths (1.05):

11 STEP FIVE: Determine the lesser of the result computed in STEP  
 12 FOUR or one and one-tenth (1.1):

13 (b) This subsection applies to a calendar year beginning after  
 14 December 31, 2005. For purposes of determining a civil taxing unit's  
 15 maximum permissible ad valorem property tax levy for an ensuing  
 16 calendar year; the civil taxing unit shall use the assessed value growth  
 17 quotient determined in the last STEP of the following STEPS:

18 STEP ONE: Determine the three (3) calendar years that most  
 19 immediately precede the ensuing calendar year and in which a  
 20 statewide general reassessment of real property does not first  
 21 become effective:

22 STEP TWO: Compute separately, for each of the calendar years  
 23 determined in STEP ONE; the quotient (rounded to the nearest  
 24 ten-thousandth) of the civil taxing unit's total unadjusted assessed  
 25 value of all taxable property in the particular calendar year;  
 26 divided by the civil taxing unit's total unadjusted assessed value  
 27 of all taxable property in the calendar year immediately preceding  
 28 the particular calendar year:

29 STEP THREE: Divide the sum of the three (3) quotients  
 30 computed in STEP TWO by three (3):

31 STEP FOUR: Determine the greater of the result computed in  
 32 STEP THREE or one and five-hundredths (1.05):

33 STEP FIVE: Determine the lesser of the result computed in STEP  
 34 FOUR or one and one-tenth (1.1):

35 (c) This subsection applies to a calendar year ending before January  
 36 1, 2006. If the assessed values of taxable property used in determining  
 37 a civil taxing unit's property taxes that are first due and payable in a  
 38 particular calendar year are significantly increased over the assessed

values used for the immediately preceding calendar year's property taxes due to the settlement of litigation concerning the general reassessment of that civil taxing unit's real property; then for purposes of determining that civil taxing unit's assessed value growth quotient for an ensuing calendar year, the department of local government finance shall replace the quotient described in STEP TWO of subsection (a) for that particular calendar year. The department of local government finance shall replace that quotient with one that as accurately as possible will reflect the actual growth in the civil taxing unit's assessed values of real property from the immediately preceding calendar year to that particular calendar year.

(d) This subsection applies to a calendar year beginning after December 31, 2005. If the unadjusted assessed values of taxable property used in determining a civil taxing unit's property taxes that are first due and payable in a particular calendar year are significantly increased over the unadjusted assessed values used for the immediately preceding calendar year's property taxes due to the settlement of litigation concerning the general reassessment of that civil taxing unit's real property; then for purposes of determining that civil taxing unit's assessed value growth quotient for an ensuing calendar year, the department of local government finance shall replace the quotient described in STEP TWO of subsection (b) for that particular calendar year. The department of local government finance shall replace that quotient with one that, as accurately as possible, will reflect the actual growth in the civil taxing unit's unadjusted assessed values of real property from the immediately preceding calendar year to that particular calendar year.

**STEP ONE:** For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest one-thousandth (0.001).

**STEP TWO:** Determine the sum of the STEP ONE results.

**STEP THREE:** Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

**STEP FOUR:** Determine the lesser of the following:

1                   **(A) The STEP THREE quotient.**

2                   **(B) One and six-hundredths (1.06).**

3                   SECTION 22. IC 6-1.1-18.5-3, AS AMENDED BY P.L.1-2002,  
4                   SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
5                   JULY 1, 2002]: Sec. 3. (a) Except as otherwise provided in this chapter  
6                   and IC 6-3.5-8-12, a civil taxing unit that is treated as not being located  
7                   in an adopting county under section 4 of this chapter may not impose  
8                   an ad valorem property tax levy for an ensuing calendar year that  
9                   exceeds the amount determined in the last STEP of the following  
10                  STEPS:

11                 STEP ONE: Add the civil taxing unit's maximum permissible ad  
12                 valorem property tax levy for the preceding calendar year to the  
13                 part of the civil taxing unit's certified share, if any, that was used  
14                 to reduce the civil taxing unit's ad valorem property tax levy under  
15                 STEP EIGHT of subsection (b) for that preceding calendar year.

16                 STEP TWO: Multiply the amount determined in STEP ONE by  
17                 the amount determined in ~~either the last STEP of section 2(a) of~~  
18                 ~~this chapter for calendar years ending before January 1, 2006, or~~  
19                 ~~the last STEP of section 2(b) of this chapter. for calendar years~~  
20                 ~~beginning after December 31, 2005.~~

21                 STEP THREE: Determine the lesser of one and fifteen hundredths  
22                 (1.15) or the quotient (rounded to the nearest ten-thousandth), of  
23                 the assessed value of all taxable property subject to the civil  
24                 taxing unit's ad valorem property tax levy for the ensuing calendar  
25                 year, divided by the assessed value of all taxable property that is  
26                 subject to the civil taxing unit's ad valorem property tax levy for  
27                 the ensuing calendar year and that is contained within the  
28                 geographic area that was subject to the civil taxing unit's ad  
29                 valorem property tax levy in the preceding calendar year.

30                 STEP FOUR: Determine the greater of the amount determined in  
31                 STEP THREE or one (1).

32                 STEP FIVE: Multiply the amount determined in STEP TWO by  
33                 the amount determined in STEP FOUR.

34                 STEP SIX: Add the amount determined under STEP TWO to the  
35                 amount determined under subsection (c).

36                 STEP SEVEN: Determine the greater of the amount determined  
37                 under STEP FIVE or the amount determined under STEP SIX.

38                 (b) Except as otherwise provided in this chapter and IC 6-3.5-8-12,

a civil taxing unit that is treated as being located in an adopting county under section 4 of this chapter may not impose an ad valorem property tax levy for an ensuing calendar year that exceeds the amount determined in the last STEP of the following STEPS:

STEP ONE: Add the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year to the part of the civil taxing unit's certified share, if any, used to reduce the civil taxing unit's ad valorem property tax levy under STEP EIGHT of this subsection for that preceding calendar year.

STEP TWO: Multiply the amount determined in STEP ONE by the amount determined in ~~either the last STEP of section 2(a) of this chapter for calendar years ending before January 1, 2006, or the last STEP of section 2(b) of this chapter. for calendar years beginning after December 31, 2005.~~

STEP THREE: Determine the lesser of one and fifteen hundredths (1.15) or the quotient of the assessed value of all taxable property subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year divided by the assessed value of all taxable property that is subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount determined under subsection (c).

STEP SEVEN: Determine the greater of the amount determined under STEP FIVE or the amount determined under STEP SIX.

STEP EIGHT: Subtract the amount determined under STEP FIVE of subsection (e) from the amount determined under STEP SEVEN of this subsection.

(c) If a civil taxing unit in the immediately preceding calendar year provided an area outside its boundaries with services on a contractual basis and in the ensuing calendar year that area has been annexed by the civil taxing unit, the amount to be entered under STEP SIX of

subsubsection (a) or STEP SIX of subsection (b), as the case may be, equals the amount paid by the annexed area during the immediately preceding calendar year for services that the civil taxing unit must provide to that area during the ensuing calendar year as a result of the annexation. In all other cases, the amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b), as the case may be, equals zero (0).

(d) This subsection applies only to civil taxing units located in a county having a county adjusted gross income tax rate for resident county taxpayers (as defined in IC 6-3.5-1.1-1) of one percent (1%) as of January 1 of the ensuing calendar year. For each civil taxing unit, the amount to be added to the amount determined in subsection (e), STEP FOUR, is determined using the following formula:

STEP ONE: Multiply the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year by two percent (2%).

STEP TWO: For the determination year, the amount to be used as the STEP TWO amount is the amount determined in subsection (f) for the civil taxing unit. For each year following the determination year the STEP TWO amount is the lesser of:

- (A) the amount determined in STEP ONE; or
- (B) the amount determined in subsection (f) for the civil taxing unit.

STEP THREE: Determine the greater of:

- (A) zero (0); or
- (B) the civil taxing unit's certified share for the ensuing calendar year minus the greater of:
  - (i) the civil taxing unit's certified share for the calendar year that immediately precedes the ensuing calendar year; or
  - (ii) the civil taxing unit's base year certified share.

STEP FOUR: Determine the greater of:

- (A) zero (0); or
- (B) the amount determined in STEP TWO minus the amount determined in STEP THREE.

Add the amount determined in STEP FOUR to the amount determined in subsection (e), STEP THREE, as provided in subsection (e), STEP FOUR.

(e) For each civil taxing unit, the amount to be subtracted under

1 subsection (b), STEP EIGHT, is determined using the following  
2 formula:

3 STEP ONE: Determine the lesser of the civil taxing unit's base  
4 year certified share for the ensuing calendar year, as determined  
5 under section 5 of this chapter, or the civil taxing unit's certified  
6 share for the ensuing calendar year.

7 STEP TWO: Determine the greater of:

8 (A) zero (0); or

9 (B) the remainder of:

10 (i) the amount of federal revenue sharing money that was  
11 received by the civil taxing unit in 1985; minus

12 (ii) the amount of federal revenue sharing money that will be  
13 received by the civil taxing unit in the year preceding the  
14 ensuing calendar year.

15 STEP THREE: Determine the lesser of:

16 (A) the amount determined in STEP TWO; or

17 (B) the amount determined in subsection (f) for the civil taxing  
18 unit.

19 STEP FOUR: Add the amount determined in subsection (d),  
20 STEP FOUR, to the amount determined in STEP THREE.

21 STEP FIVE: Subtract the amount determined in STEP FOUR  
22 from the amount determined in STEP ONE.

23 (f) As used in this section, a taxing unit's "determination year"  
24 means the latest of:

25 (1) calendar year 1987, if the taxing unit is treated as being  
26 located in an adopting county for calendar year 1987 under  
27 section 4 of this chapter;

28 (2) the taxing unit's base year, as defined in section 5 of this  
29 chapter, if the taxing unit is treated as not being located in an  
30 adopting county for calendar year 1987 under section 4 of this  
31 chapter; or

32 (3) the ensuing calendar year following the first year that the  
33 taxing unit is located in a county that has a county adjusted gross  
34 income tax rate of more than one-half percent (0.5%) on July 1 of  
35 that year.

36 The amount to be used in subsections (d) and (e) for a taxing unit  
37 depends upon the taxing unit's certified share for the ensuing calendar  
38 year, the taxing unit's determination year, and the county adjusted gross

income tax rate for resident county taxpayers (as defined in IC 6-3.5-1.1-1) that is in effect in the taxing unit's county on July 1 of the year preceding the ensuing calendar year. For the determination year and the ensuing calendar years following the taxing unit's determination year, the amount is the taxing unit's certified share for the ensuing calendar year multiplied by the appropriate factor prescribed in the following table:

COUNTIES WITH A TAX RATE OF 1/2%

Subsection (e)

For the determination year and each ensuing calendar year following the determination year . . . . .	0

COUNTIES WITH A TAX RATE OF 3/4%

COUNTIES WITH A TAX RATE OF 1.0%

Subsection (d)      Subsection (e)

For the determination year . . . . .	1/6	1/3
For the ensuing calendar year following the determination year . . . . .	1/4	1/3

SECTION 23. IC 6-1.1-18.5-13, AS AMENDED BY P.L.89-2002, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

- (1) Permission to the civil taxing unit to reallocate the amount set aside as a property tax replacement credit as required by IC 6-3.5-1.1 for a purpose other than property tax relief. However, whenever this occurs, the local government tax control board shall also state the amount to be reallocated.
- (2) Permission to the civil taxing unit to increase its levy in excess

1 of the limitations established under section 3 of this chapter, if in  
 2 the judgment of the local government tax control board the  
 3 increase is reasonably necessary due to increased costs of the civil  
 4 taxing unit resulting from annexation, consolidation, or other  
 5 extensions of governmental services by the civil taxing unit to  
 6 additional geographic areas or persons.

7 (3) Permission to the civil taxing unit to increase its levy in excess  
 8 of the limitations established under section 3 of this chapter, if the  
 9 local government tax control board finds that the civil taxing unit  
 10 needs the increase to meet the civil taxing unit's share of the costs  
 11 of operating a court established by statute enacted after December  
 12 31, 1973. Before recommending such an increase, the local  
 13 government tax control board shall consider all other revenues  
 14 available to the civil taxing unit that could be applied for that  
 15 purpose. The maximum aggregate levy increases that the local  
 16 government tax control board may recommend for a particular  
 17 court equals the civil taxing unit's share of the costs of operating  
 18 a court for the first full calendar year in which it is in existence.

19 (4) Permission to the civil taxing unit to increase its levy in excess  
 20 of the limitations established under section 3 of this chapter, if the  
 21 civil taxing unit's average three (3) year growth factor, as  
 22 determined in section 2(a) (STEP THREE) of this chapter for  
 23 calendar years ending before January 1, 2006; or section 2(b)  
 24 (STEP THREE) of this chapter for calendar years beginning after  
 25 December 31, 2005; exceeds one and one-tenth (1.1). However,  
 26 any increase in the amount of the civil taxing unit's levy  
 27 recommended by the local government tax control board under  
 28 this subdivision may not exceed an amount equal to the remainder  
 29 of:

30 (A) the amount of ad valorem property taxes the civil taxing  
 31 unit could impose for the ensuing calendar year under section  
 32 3 of this chapter if at STEP TWO of subsection (a) or (b); as  
 33 the case may be, the amount determined in STEP THREE of  
 34 section 2(a) of this chapter for calendar years ending before  
 35 January 1, 2006; or in STEP THREE of section 2(b) of this  
 36 chapter for calendar years beginning after December 31, 2005;  
 37 is substituted for the amount determined under STEP FIVE of  
 38 section 2(a) of this chapter for calendar years ending before

January 1, 2006; or under STEP FIVE of section 2(b) of this chapter for calendar years beginning after December 31, 2005; minus

(B) the amount of ad valorem property taxes the civil taxing unit could impose under section 3 of this chapter for the ensuing calendar year.

local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and three-hundredths (1.03):

**STEP ONE:** Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

**STEP TWO:** Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the civil taxing unit's total assessed value of all taxable property in the particular calendar year, divided by the civil taxing unit's total assessed value of all taxable property in the calendar year immediately preceding the particular calendar year.

**STEP THREE:** Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

**STEP FOUR:** Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the total assessed value of all taxable property of all civil taxing units in the particular calendar year, divided by the total assessed value of all taxable property of all civil taxing units in the calendar year immediately preceding the particular calendar year.

**STEP FIVE:** Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

**STEP SIX:** Divide the STEP THREE amount by the STEP FIVE amount.

In addition, before the local government tax control board may recommend the relief allowed under this subdivision, the civil taxing unit must show a need for the increased levy because of special circumstances, and the local government tax control board

1 must consider other sources of revenue and other means of relief.

2 (5) Permission to the civil taxing unit to increase its levy in excess  
3 of the limitations established under section 3 of this chapter, if the  
4 local government tax control board finds that the civil taxing unit  
5 needs the increase to pay the costs of furnishing fire protection for  
6 the civil taxing unit through a volunteer fire department. For  
7 purposes of determining a township's need for an increased levy,  
8 the local government tax control board shall not consider the  
9 amount of money borrowed under IC 36-6-6-14 during the  
10 immediately preceding calendar year. However, any increase in  
11 the amount of the civil taxing unit's levy recommended by the  
12 local government tax control board under this subdivision for the  
13 ensuing calendar year may not exceed the lesser of:

14 (A) ten thousand dollars (\$10,000); or

15 (B) twenty percent (20%) of:

16 (i) the amount authorized for operating expenses of a  
17 volunteer fire department in the budget of the civil taxing  
18 unit for the immediately preceding calendar year; plus

19 (ii) the amount of any additional appropriations authorized  
20 during that calendar year for the civil taxing unit's use in  
21 paying operating expenses of a volunteer fire department  
22 under this chapter; minus

23 (iii) the amount of money borrowed under IC 36-6-6-14  
24 during that calendar year for the civil taxing unit's use in  
25 paying operating expenses of a volunteer fire department.

26 (6) Permission to a civil taxing unit to increase its levy in excess  
27 of the limitations established under section 3 of this chapter in  
28 order to raise revenues for pension payments and contributions  
29 the civil taxing unit is required to make under IC 36-8. The  
30 maximum increase in a civil taxing unit's levy that may be  
31 recommended under this subdivision for an ensuing calendar year  
32 equals the amount, if any, by which the pension payments and  
33 contributions the civil taxing unit is required to make under  
34 IC 36-8 during the ensuing calendar year exceeds the product of  
35 one and one-tenth (1.1) multiplied by the pension payments and  
36 contributions made by the civil taxing unit under IC 36-8 during  
37 the calendar year that immediately precedes the ensuing calendar  
38 year. For purposes of this subdivision, "pension payments and

contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(7) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's poor relief ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing poor relief under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's poor relief ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(8) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(9) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

- 1 (A) the civil taxing unit is:
- 2 (i) a county having a population of more than one hundred
- 3 forty-eight thousand (148,000) but less than one hundred
- 4 seventy thousand (170,000);
- 5 (ii) a city having a population of more than fifty-five
- 6 thousand (55,000) but less than fifty-nine thousand (59,000);
- 7 (iii) a city having a population of more than twenty-eight
- 8 thousand seven hundred (28,700) but less than twenty-nine
- 9 thousand (29,000);
- 10 (iv) a city having a population of more than fifteen thousand
- 11 four hundred (15,400) but less than sixteen thousand six
- 12 hundred (16,600); or
- 13 (v) a city having a population of more than seven thousand
- 14 (7,000) but less than seven thousand three hundred (7,300);
- 15 and
- 16 (B) the increase is necessary to provide funding to undertake
- 17 removal (as defined in IC 13-11-2-187) and remedial action
- 18 (as defined in IC 13-11-2-185) relating to hazardous
- 19 substances (as defined in IC 13-11-2-98) in solid waste
- 20 disposal facilities or industrial sites in the civil taxing unit that
- 21 have become a menace to the public health and welfare.
- 22 The maximum increase that the local government tax control
- 23 board may recommend for such a civil taxing unit is the levy that
- 24 would result from a property tax rate of six and sixty-seven
- 25 hundredths cents (\$0.0667) for each one hundred dollars (\$100)
- 26 of assessed valuation. For purposes of computing the ad valorem
- 27 property tax levy limit imposed on a civil taxing unit under
- 28 section 3 of this chapter, the civil taxing unit's ad valorem
- 29 property tax levy for a particular year does not include that part of
- 30 the levy imposed under this subdivision. In addition, a property
- 31 tax increase permitted under this subdivision may be imposed for
- 32 only two (2) calendar years.
- 33 (10) Permission for a county having a population of more than
- 34 eighty thousand (80,000) but less than ninety thousand (90,000)
- 35 to increase the county's levy in excess of the limitations
- 36 established under section 3 of this chapter, if the local
- 37 government tax control board finds that the county needs the
- 38 increase to meet the county's share of the costs of operating a jail

1 or juvenile detention center, including expansion of the facility,  
2 if the jail or juvenile detention center is opened after December  
3 31, 1991. Before recommending an increase, the local  
4 government tax control board shall consider all other revenues  
5 available to the county that could be applied for that purpose. An  
6 appeal for operating funds for a jail or juvenile detention center  
7 shall be considered individually, if a jail and juvenile detention  
8 center are both opened in one (1) county. The maximum  
9 aggregate levy increases that the local government tax control  
10 board may recommend for a county equals the county's share of  
11 the costs of operating the jail or juvenile detention center for the  
12 first full calendar year in which the jail or juvenile detention  
13 center is in operation.

14 (11) Permission for a township to increase its levy in excess of the  
15 limitations established under section 3 of this chapter, if the local  
16 government tax control board finds that the township needs the  
17 increase so that the property tax rate to pay the costs of furnishing  
18 fire protection for a township, or a portion of a township, enables  
19 the township to pay a fair and reasonable amount under a contract  
20 with the municipality that is furnishing the fire protection.  
21 However, for the first time an appeal is granted the resulting rate  
22 increase may not exceed fifty percent (50%) of the difference  
23 between the rate imposed for fire protection within the  
24 municipality that is providing the fire protection to the township  
25 and the township's rate. A township is required to appeal a second  
26 time for an increase under this subdivision if the township wants  
27 to further increase its rate. However, a township's rate may be  
28 increased to equal but may not exceed the rate that is used by the  
29 municipality. More than one (1) township served by the same  
30 municipality may use this appeal.

31 (12) Permission for a township to increase its levy in excess of the  
32 limitations established under section 3 of this chapter, if the local  
33 government tax control board finds that the township has been  
34 required, for the three (3) consecutive years preceding the year for  
35 which the appeal under this subdivision is to become effective, to  
36 borrow funds under IC 36-6-6-14 to furnish fire protection for the  
37 township or a part of the township. However, the maximum  
38 increase in a township's levy that may be allowed under this

subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(13) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under subdivision (1) in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned to have reallocated in 2001 under subdivision (1) for a purpose other than property tax relief.

SECTION 24. IC 6-1.1-20.9-2, AS AMENDED BY P.L.291-2001, SECTION 125, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 2. (a) Except as otherwise provided in section 5 of this chapter, an individual who on March 1 of a particular year either owns or is buying a homestead under a contract that provides the individual is to pay the property taxes on the homestead is entitled each calendar year to a credit against the property taxes which the individual pays on the individual's homestead. However, only one (1) individual may receive a credit under this chapter for a particular homestead in a particular year.

(b) The amount of the credit to which the individual is entitled equals the product of:

(1) the percentage prescribed in subsection (d); multiplied by

(2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, which is:

(A) attributable to the homestead during the particular calendar year; **and**

(B) **determined after the application of the property tax**

**replacement credit under IC 6-1.1-21.**

(c) For purposes of determining that part of an individual's property tax liability that is attributable to the individual's homestead, all deductions from assessed valuation which the individual claims under IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's homestead is located must be applied first against the assessed value of the individual's homestead before those deductions are applied against any other property.

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

YEAR	PERCENTAGE OF THE CREDIT
1996	8%
1997	6%
1998 through 2003	<del>10%</del>
<del>2004</del> and thereafter	<del>4%</del> <b>10%</b>

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year, if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless as provided in this subsection the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

(e) Before October 1 of each year, the assessor shall furnish to the county auditor the amount of the assessed valuation of each homestead for which a homestead credit has been properly filed under this chapter.

(f) The county auditor shall apply the credit equally to each installment of taxes that the individual pays for the property.

(g) Notwithstanding the provisions of this chapter, a taxpayer other than an individual is entitled to the credit provided by this chapter if:

(1) an individual uses the residence as the individual's principal place of residence;

(2) the residence is located in Indiana;

(3) the individual has a beneficial interest in the taxpayer;

(4) the taxpayer either owns the residence or is buying it under a contract, recorded in the county recorder's office, that provides that the individual is to pay the property taxes on the residence; and

(5) the residence consists of a single-family dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

10          SECTION 26. IC 6-1.1-21-3, AS AMENDED BY P.L.90-2002,  
 11          SECTION 200, IS AMENDED TO READ AS FOLLOWS  
 12          [EFFECTIVE JANUARY 1, 2003]: Sec. 3. (a) ~~On or before March 1~~  
 13          ~~of each year, the department of local government finance shall certify~~  
 14          ~~to the department on a form approved by the state board of accounts;~~  
 15          ~~an estimate of the total county tax levy collectible in that calendar year~~  
 16          ~~for each county in the state. The estimate shall be based on the tax~~  
 17          ~~collections for the preceding calendar year; adjusted as necessary to~~  
 18          ~~reflect the total county tax levy (as defined in section 2(g) of this~~  
 19          ~~chapter) from the budgets, tax levies, and rates as finally determined~~  
 20          ~~and acted upon by the department of local government finance. The~~  
 21          ~~department, with the assistance of the auditor of state and the~~  
 22          ~~department of local government finance, shall determine on the basis~~  
 23          ~~of the report an amount equal to twenty percent (20%) of the total~~  
 24          ~~county tax levy; eligible property tax replacement amount, which is~~  
 25          ~~the estimated property tax replacement.~~

26          (b) ~~In the same report containing the estimate of a county's total~~  
 27          ~~county tax levy; The department of local government finance shall also~~  
 28          ~~certify to the department the amount of homestead credits provided~~  
 29          ~~under IC 6-1.1-20.9 which are allowed by the county for the particular~~  
 30          ~~calendar year.~~

31          (c) If there are one (1) or more taxing districts in the county that  
 32          contain all or part of an economic development district that meets the  
 33          requirements of section 5.5 of this chapter, the department of local  
 34          government finance shall estimate an additional distribution for the  
 35          county in the same report required under subsection (a). This additional  
 36          distribution equals the sum of the amounts determined under the  
 37          following STEPS for all taxing districts in the county that contain all  
 38          or part of an economic development district:

STEP ONE: Estimate that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the estimated property tax replacement ~~determined under subsection (a)~~ **amount** attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the ~~property~~ taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(d) The sum of the amounts determined under subsections (a) through (c) is the particular county's estimated distribution for the calendar year.

SECTION 27. IC 6-1.1-21-4, AS AMENDED BY P.L.198-2001, SECTION 59, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 4. (a) Each year the department shall allocate from the property tax replacement fund an amount equal to the sum of:

(1) ~~twenty percent (20%) of each county's total county tax levy payable eligible property tax replacement amount for~~ that year; plus

(2) the total amount of homestead tax credits that are provided under IC 6-1.1-20.9 and allowed by each county for that year; plus

(3) an amount for each county that has one (1) or more taxing districts that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter. This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the subdivision (1) amount that is attributable to the taxing district; by

1 (B) the STEP ONE sum.

2 STEP THREE: Multiply:

3 (A) the STEP TWO quotient; times

4 (B) the ~~property~~ taxes levied in the taxing district that are  
5 allocated to a special fund under IC 6-1.1-39-5.

6 (b) Except as provided in subsection (e), between March 1 and  
7 August 31 of each year, the department shall distribute to each county  
8 treasurer from the property tax replacement fund one-half (1/2) of the  
9 estimated distribution for that year for the county. Between September  
10 1 and December 15 of that year, the department shall distribute to each  
11 county treasurer from the property tax replacement fund the remaining  
12 one-half (1/2) of each estimated distribution for that year. The amount  
13 of the distribution for each of these periods shall be according to a  
14 schedule determined by the property tax replacement fund board under  
15 section 10 of this chapter. The estimated distribution for each county  
16 may be adjusted from time to time by the department to reflect any  
17 changes in the total county tax levy upon which the estimated  
18 distribution is based.

19 (c) On or before December 31 of each year or as soon thereafter as  
20 possible, the department shall make a final determination of the amount  
21 which should be distributed from the property tax replacement fund to  
22 each county for that calendar year. This determination shall be known  
23 as the final determination of distribution. The department shall  
24 distribute to the county treasurer or receive back from the county  
25 treasurer any deficit or excess, as the case may be, between the sum of  
26 the distributions made for that calendar year based on the estimated  
27 distribution and the final determination of distribution. The final  
28 determination of distribution shall be based on the auditor's abstract  
29 filed with the auditor of state, adjusted for postabstract adjustments  
30 included in the December settlement sheet for the year, and such  
31 additional information as the department may require.

32 (d) All distributions provided for in this section shall be made on  
33 warrants issued by the auditor of state drawn on the treasurer of state.  
34 If the amounts allocated by the department from the property tax  
35 replacement fund exceed in the aggregate the balance of money in the  
36 fund, then the amount of the deficiency shall be transferred from the  
37 state general fund to the property tax replacement fund, and the auditor  
38 of state shall issue a warrant to the treasurer of state ordering the

1 payment of that amount. However, any amount transferred under this  
2 section from the general fund to the property tax replacement fund  
3 shall, as soon as funds are available in the property tax replacement  
4 fund, be retransferred from the property tax replacement fund to the  
5 state general fund, and the auditor of state shall issue a warrant to the  
6 treasurer of state ordering the replacement of that amount.

7 (e) Except as provided in subsection (i), the department shall not  
8 distribute under subsection (b) and section 10 of this chapter the money  
9 attributable to the county's property reassessment fund if, by the date  
10 the distribution is scheduled to be made, the county auditor has not sent  
11 a certified statement required to be sent by that date under  
12 IC 6-1.1-17-1 to the department of local government finance.

13 (f) Except as provided in subsection (i), if the elected township  
14 assessors in the county, the elected township assessors and the county  
15 assessor, or the county assessor has not transmitted to the department  
16 of local government finance by October 1 of the year in which the  
17 distribution is scheduled to be made the data for all townships in the  
18 county required to be transmitted under IC 6-1.1-4-25(b), the state  
19 board or the department shall not distribute under subsection (b) and  
20 section 10 of this chapter a part of the money attributable to the  
21 county's property reassessment fund. The portion not distributed is the  
22 amount that bears the same proportion to the total potential distribution  
23 as the number of townships in the county for which data was not  
24 transmitted by August 1 as described in this section bears to the total  
25 number of townships in the county.

26 (g) Money not distributed under subsection (e) shall be distributed  
27 to the county when the county auditor sends to the department of local  
28 government finance the certified statement required to be sent under  
29 IC 6-1.1-17-1 with respect to which the failure to send resulted in the  
30 withholding of the distribution under subsection (e).

31 (h) Money not distributed under subsection (f) shall be distributed  
32 to the county when the elected township assessors in the county, the  
33 elected township assessors and the county assessor, or the county  
34 assessor transmits to the department of local government finance the  
35 data required to be transmitted under IC 6-1.1-4-25(b) with respect to  
36 which the failure to transmit resulted in the withholding of the  
37 distribution under subsection (f).

38 (i) The restrictions on distributions under subsections (e) and (f) do

1 not apply if the department of local government finance determines  
2 that:

- 3 (1) the failure of a county auditor to send a certified statement as  
4 described in subsection (e); or  
5 (2) the failure of an official to transmit data as described in  
6 subsection (f);

7 is justified by unusual circumstances.

8 SECTION 28. IC 6-1.1-21-5 IS AMENDED TO READ AS  
9 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 5. (a) Each year  
10 the taxpayers of each county shall receive a credit for property tax  
11 replacement in the amount of ~~twenty percent (20%) of the tax liability~~  
12 ~~(as defined in this section) of each taxpayer taxpayer's property tax~~  
13 **replacement credit amount** for taxes which under IC 6-1.1-22-9 are  
14 due and payable in May and November of that year. The credit shall be  
15 applied to each installment of taxes. The dollar amount of the credit for  
16 each taxpayer shall be determined by the county auditor, based on data  
17 furnished by the ~~state board department of tax commissioners; local~~  
18 **government finance.**

19 (b) The tax liability of a taxpayer for the purpose of computing the  
20 credit for a particular year shall be based upon the taxpayer's tax  
21 liability as is evidenced by the tax duplicate for the taxes payable in  
22 that year, plus the amount by which the tax payable by the taxpayer had  
23 been reduced due to the application of county adjusted gross income  
24 tax revenues to the extent the county adjusted gross income tax  
25 revenues were included in the determination of the total county tax levy  
26 for that year, as provided in sections 2(g) and 3 of this chapter,  
27 adjusted, however, for any change in assessed valuation which may  
28 have been made pursuant to a post-abstract adjustment if the change is  
29 set forth on the tax statement or on a corrected tax statement stating the  
30 taxpayer's tax liability, as prepared by the county treasurer in  
31 accordance with IC 6-1.1-22-8(a). However, **except when using the**  
32 **term under section 2(l)(1) of this chapter,** the tax liability of a  
33 taxpayer does not include the amount of any property tax owed by the  
34 taxpayer that is attributable to that part of any property tax levy  
35 subtracted under section 2(g)(1)(B), 2(g)(1)(C), 2(g)(1)(D), 2(g)(1)(E),  
36 2(g)(1)(F), 2(g)(1)(G), 2(g)(1)(H), 2(g)(1)(I), ~~or~~ 2(g)(1)(J), **or**  
37 **2(g)(1)(K)** of this chapter in computing the total county tax levy.

38 ~~(b)~~ (c) The credit for taxes payable in a particular year with respect

to mobile homes which are assessed under IC 6-1.1-7 is ~~twenty percent~~  
~~(20%) of the equivalent to the taxpayer's property tax replacement~~  
**credit amount for the** taxes payable with respect to the assessments  
 plus the adjustments stated in this section.

~~(c)~~ **(d)** Each taxpayer in a taxing district that contains all or part of  
 an economic development district that meets the requirements of  
 section 5.5 of this chapter is entitled to an additional credit for property  
 tax replacement. This credit is equal to the product of:

(1) the STEP TWO quotient determined under section 4(a)(3) of  
 this chapter for the taxing district; multiplied by

(2) the taxpayer's ~~property~~ taxes levied in the taxing district that  
 are allocated to a special fund under IC 6-1.1-39-5.

SECTION 29. IC 6-1.1-21-10, AS AMENDED BY P.L.176-2002,  
 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 JANUARY 1, 2003]: Sec. 10. (a) There is established a property tax  
 replacement fund board to consist of the commissioner of the  
 department, the commissioner of the department of local government  
 finance, the director of the budget agency, and two (2) ex officio  
 nonvoting representatives of the general assembly of the state of  
 Indiana. The speaker of the house of representatives shall appoint one  
 (1) member of the house as one (1) of the ex officio nonvoting  
 representatives, and the president pro tempore of the senate shall  
 appoint one (1) senator as the other ex officio nonvoting representative,  
 each to serve at the will of the appointing officer. The commissioner of  
 the department shall be the chairman of the board, and the director of  
 the budget agency shall be the secretary of the board.

~~(b) The board may, upon a vote of a majority of the members of the~~  
~~board, increase the percentage of property tax replacement funds to be~~  
~~distributed from the property tax replacement fund to the several~~  
~~counties for credit to the taxpayers in the counties as provided in this~~  
~~chapter if in the judgment of the board there are surplus funds available~~  
~~in the fund for the increased distribution. The board shall make such a~~  
~~determination on or before March 1 of each year relative to the~~  
~~amounts to be distributed from the property tax replacement fund for~~  
~~that year. Upon such a determination the commissioner of the~~  
~~department of state revenue shall immediately notify the treasurers of~~  
~~the several counties of the increased distribution.~~

~~(c)~~ **(b)** Except as provided in section 10.5 of this chapter, the

schedule to be used in making distributions to county treasurers during the periods set forth in section 4(b) of this chapter is as follows:

1	January	0.00%
2	February	0.00%
3	March	16.70%
4	April	16.70%
5	May	<del>16.60%</del> 0.00%
6	June	0.00%
7	July	<del>0.00%</del> 16.60%
8	August	0.00%
9	September	16.70%
10	October	16.70%
11	November	16.60%
12	December	0.00%

The board may authorize the department to distribute the estimated distributions to counties earlier than what is required under section 4(b) of this chapter.

~~(d)~~ (c) The board is also authorized to transfer funds from the property tax replacement fund for the purpose of providing financial aid to school corporations as provided in IC 21-3.

SECTION 30. IC 6-1.1-33.5-3, AS ADDED BY P.L.198-2001, SECTION 82, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 3. The division of data analysis shall:

- (1) conduct continuing studies in the areas in which the department of local government finance operates;
- (2) make periodic field surveys and audits of tax rolls, plat books, building permits, real estate transfers, ~~gross income tax returns~~, federal income tax returns, and other data that may be useful in checking property valuations or taxpayer returns;
- (3) make test checks of property valuations to serve as the bases for special reassessments under this article;
- (4) conduct biennially a coefficient of dispersion study for each township and county in Indiana;
- (5) conduct quadrennially a sales assessment ratio study for each township and county in Indiana;
- (6) compute school assessment ratios under IC 6-1.1-34; and
- (7) report annually to the executive director of the legislative services agency, in a form prescribed by the legislative services

1 agency, the information obtained or determined under this section  
 2 for use by the executive director and the general assembly,  
 3 including:

4 (A) all information obtained by the division of data analysis  
 5 from units of local government; and

6 (B) all information included in:

7 (i) the local government data base; and

8 (ii) any other data compiled by the division of data analysis.

9 SECTION 31. IC 6-1.1-39-6 IS AMENDED TO READ AS  
 10 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 6. (a) An  
 11 economic development district may be enlarged by the fiscal body by  
 12 following the same procedure for the creation of an economic  
 13 development district specified in this chapter. Property taxes that are  
 14 attributable to the additional area and allocable to the economic  
 15 development district are not eligible for the property tax replacement  
 16 credit provided by IC 6-1.1-21-5. However, subject to subsection (c),  
 17 each taxpayer in an additional area is entitled to an additional credit for  
 18 ~~property~~ taxes **(as defined in IC 6-1.1-21-2)** that under IC 6-1.1-22-9  
 19 are due and payable in May and November of that year. One-half (1/2)  
 20 of the credit shall be applied to each installment of ~~property~~ taxes **(as**  
 21 **defined in IC 6-1.1-21-2)**. This credit equals the amount determined  
 22 under the following STEPS for each taxpayer in a taxing district in a  
 23 county that contains all or part of the additional area:

24 STEP ONE: Determine that part of the sum of the amounts under  
 25 IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) that is attributable  
 26 to the taxing district.

27 STEP TWO: Divide:

28 (A) that part of ~~twenty percent (20%)~~ of the county's ~~total~~  
 29 ~~county tax levy payable~~ **eligible property tax replacement**  
 30 **amount (as defined in IC 6-1.1-21-2)** for that year as  
 31 determined under IC 6-1.1-21-4 that is attributable to the  
 32 taxing district; by

33 (B) the STEP ONE sum.

34 STEP THREE: Multiply:

35 (A) the STEP TWO quotient; times

36 (B) the total amount of the taxpayer's ~~property~~ taxes **(as**  
 37 **defined in IC 6-1.1-21-2)** levied in the taxing district that  
 38 would have been allocated to a special fund under section 5 of

1           this chapter had the additional credit described in this section  
2           not been given.

3           The additional credit reduces the amount of proceeds allocated to the  
4           economic development district and paid into a special fund under  
5           section 5(a) of this chapter.

6           (b) If the additional credit under subsection (a) is not reduced under  
7           subsection (c) or (d), the credit for property tax replacement under  
8           IC 6-1.1-21-5 and the additional credit under subsection (a) shall be  
9           computed on an aggregate basis for all taxpayers in a taxing district  
10          that contains all or part of an additional area. The credit for property  
11          tax replacement under IC 6-1.1-21-5 and the additional credit under  
12          subsection (a) shall be combined on the tax statements sent to each  
13          taxpayer.

14          (c) The county fiscal body may, by ordinance, provide that the  
15          additional credit described in subsection (a):

- 16           (1) does not apply in a specified additional area; or
- 17           (2) is to be reduced by a uniform percentage for all taxpayers in
- 18           a specified additional area.

19          (d) Whenever the county fiscal body determines that granting the  
20          full additional credit under subsection (a) would adversely affect the  
21          interests of the holders of bonds or other contractual obligations that  
22          are payable from allocated tax proceeds in that economic development  
23          district in a way that would create a reasonable expectation that those  
24          bonds or other contractual obligations would not be paid when due, the  
25          county fiscal body must adopt an ordinance under subsection (c) to  
26          deny the additional credit or reduce the additional credit to a level that  
27          creates a reasonable expectation that the bonds or other obligations will  
28          be paid when due. An ordinance adopted under subsection (c) denies  
29          or reduces the additional credit for ~~property~~ taxes **(as defined in**  
30          **IC 6-1.1-21-2)** first due and payable in any year following the year in  
31          which the ordinance is adopted.

32          (e) An ordinance adopted under subsection (c) remains in effect  
33          until the ordinance is rescinded by the body that originally adopted the  
34          ordinance. However, an ordinance may not be rescinded if the  
35          rescission would adversely affect the interests of the holders of bonds  
36          or other obligations that are payable from allocated tax proceeds in that  
37          economic development district in a way that would create a reasonable  
38          expectation that the principal of or interest on the bonds or other

obligations would not be paid when due. If an ordinance is rescinded and no other ordinance is adopted, the additional credit described in subsection (a) applies to ~~property~~ taxes (as defined in IC 6-1.1-21-2) first due and payable in each year following the year in which the resolution is rescinded.

SECTION 32. IC 6-2.2 IS ADDED TO THE INDIANA CODE AS A NEW ARTICLE TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]:

#### 22 Chapter 4. Accounting Practices

23 Sec. 1. A taxpayer's taxable year under this article is the year  
 24 that a taxpayer uses under the Internal Revenue Code for federal  
 25 income taxation purposes. If a taxpayer is not required to file an  
 26 information or other tax return under the Internal Revenue Code,  
 27 the taxpayer's taxable year under this article is a calendar year.

28 Sec. 2. A taxpayer shall compute the taxpayer's taxable adjusted  
 29 gross income and any credits allowed by this article using:

30 (1) the same method of accounting that the taxpayer uses for  
 31 filing a return under the Internal Revenue Code for federal  
 32 income tax purposes; or

33 (2) if the taxpayer does not file a return under the Internal  
 34 Revenue Code for federal income tax purposes, a method of  
 35 accounting consistent with the requirements of Section 446 of  
 36 the Internal Revenue Code.

#### 37 Chapter 5. Taxable Adjusted Gross Income

38 Sec. 1. Except as provided in this chapter, taxable adjusted gross

1 income is equal to the adjusted gross income of a taxpayer in a  
 2 taxable year that qualifies as adjusted gross income derived from  
 3 sources in Indiana (as defined in IC 6-3-2-2).

4 Sec. 2. Taxable adjusted gross income shall be computed under  
 5 this article without any reduction for a net operating loss deduction  
 6 (as defined in Section 172 of the Internal Revenue Code).

7 Sec. 3. Taxable adjusted gross income shall be computed under  
 8 this article without regard to whether the taxpayer:

9 (1) has tax due under IC 6-3 for that taxable year; or

10 (2) is a pass through entity that is not obligated to pay  
 11 adjusted gross income tax under IC 6-3.

12 Sec. 4. Taxable adjusted gross income shall be computed under  
 13 this article without regard to whether a business entity files a  
 14 consolidated return under IC 6-3-4-14 or another law. A taxpayer  
 15 that is a member of an affiliated group (as defined in IC 6-3-4-14)  
 16 shall compute taxable adjusted gross income under this article  
 17 separately as if the taxpayer were not part of an affiliated group.

#### 18 Chapter 6. Deductions

19 Sec. 1. Notwithstanding any other law, only the deductions  
 20 allowed by this chapter may be deducted from adjusted gross  
 21 income to determine taxable adjusted gross income under this  
 22 chapter.

23 Sec. 2. A taxpayer is not eligible for any deductions against  
 24 adjusted gross income to determine taxable adjusted gross income  
 25 under this article.

#### 26 Chapter 7. Business Supplemental Tax

27 Sec. 1. An excise tax is imposed on a taxpayer in each taxable  
 28 year in which the taxpayer is doing business in Indiana.

29 Sec. 2. The tax imposed under section 1 of this chapter is for the  
 30 privilege of doing business in Indiana in a taxable year regardless  
 31 of the number of days in a taxable year that the taxpayer is  
 32 actually doing business in Indiana.

33 Sec. 3. The tax imposed under section 1 of this chapter on a  
 34 taxpayer is equal to the greater of the following, regardless of  
 35 whether the business entity had any taxable adjusted gross income  
 36 in the taxable year:

37 (1) One hundred dollars (\$100).

38 (2) The product of:

1 (A) the taxable adjusted gross income of the taxpayer in  
2 the taxable year; multiplied by

3 (B) subject to sections 4 and 5 of this chapter,  
4 one-hundredth (0.01).

5 Sec. 4. The tax rate under section 3(2)(B) of this chapter for a  
6 taxpayer that is subject to the corporate adjusted gross income tax  
7 rate under IC 6-3-2-1(b) or the financial institutions tax under  
8 IC 6-5.5-2-1 is five-thousandths (0.005).

9 Sec. 5. Notwithstanding section 4 of this chapter, if a taxpayer  
10 subject to the corporate adjusted gross income tax rate under  
11 IC 6-3-2-1(b) or the financial institutions tax under IC 6-5.5-2-1  
12 has pass through income from a pass through entity that paid tax  
13 under this article on the pass through income, the tax rate under  
14 section 3(2)(B) of this chapter applicable to the distributive share  
15 of the pass through income received by the taxpayer is zero (0).

#### 16 Chapter 8. Credits

17 Sec. 1. Notwithstanding any other law, the only credits allowable  
18 against the tax due under this article are the credits allowed under  
19 this chapter.

20 Sec. 2. A taxpayer is not eligible for any credits against the tax  
21 imposed under this article.

#### 22 Chapter 9. Payment of Taxes; Returns

23 Sec. 1. A taxpayer shall file the return prescribed by the  
24 department for each taxable year that the taxpayer is doing  
25 business in Indiana regardless of whether the taxpayer has any tax  
26 due.

27 Sec. 2. The return must contain the information required by the  
28 department, including any detailed information that may be  
29 necessary to determine the taxpayer's tax liability under this  
30 article.

31 Sec. 3. Subject to IC 6-8.1-6-1, a final return for a taxable year  
32 must be filed before the sixteenth day of the fourth month  
33 following the close of the taxpayer's taxable year.

34 Sec. 4. (a) This section applies only to a business entity that has  
35 a tax liability under this article that exceeds one thousand dollars  
36 (\$1,000) for its taxable year.

37 (b) Every business entity subject to the tax liability under this  
38 article shall report and pay on a quarterly basis an estimated tax

1 equal to twenty-five percent (25%) of the business entity's  
2 estimated tax liability under this article for the taxable year.

3 (c) A taxpayer who uses a taxable year that ends on December  
4 31 shall file the taxpayer's estimated tax returns and pay the tax to  
5 the department on or before April 20, June 20, September 20, and  
6 December 20 of the taxable year. If a taxpayer uses a taxable year  
7 that does not end on December 31, the due dates for filing  
8 estimated tax returns and paying the tax are on or before the  
9 twentieth day of the fourth, sixth, ninth, and twelfth months of the  
10 taxpayer's taxable year.

11 (d) If the department determines that a business entity's:

12 (1) estimated quarterly tax liability under this article for the  
13 current year; or

14 (2) average estimated quarterly tax liability under this article  
15 for the preceding year;

16 exceeds ten thousand dollars (\$10,000), the business entity shall pay  
17 the estimated adjusted gross income taxes due by electronic funds  
18 transfer (as defined in IC 4-8.1-2-7) or by delivering in person or  
19 overnight by courier a payment by cashier's check, certified check,  
20 or money order to the department. The transfer or payment shall  
21 be made on or before the date the tax is due.

22 (e) If a business entity's tax payment under this article is made  
23 by electronic funds transfer, the business entity is not required to  
24 file an estimated tax return under this section.

25 (f) The department shall prescribe the manner and forms for  
26 the reporting and payment.

#### 6 Chapter 6. Returns

7 Sec. 1. (a) Except as provided in subsections (c) through (e), a  
8 taxpayer shall file utility receipts tax returns with, and pay the  
9 taxpayer's utility receipts tax liability to, the department by the  
10 due date of the estimated return. A taxpayer who uses a taxable  
11 year that ends on December 31 shall file the taxpayer's estimated  
12 utility receipts tax returns and pay the tax to the department on or  
13 before April 20, June 20, September 20, and December 20 of the  
14 taxable year. If a taxpayer uses a taxable year which does not end  
15 on December 31, the due dates for filing estimated utility receipts  
16 tax returns and paying the tax are on or before the twentieth day  
17 of the fourth, sixth, ninth, and twelfth months of the taxpayer's  
18 taxable year.

19 (b) With each return filed, with each payment by cashier's  
20 check, certified check, or money order delivered in person or by  
21 overnight courier, and with each electronic funds transfer made,  
22 a taxpayer shall pay to the department twenty-five percent (25%)  
23 of the estimated or the exact amount of utility receipts tax that is  
24 due.

25 (c) If a taxpayer's estimated annual utility receipts tax liability  
26 does not exceed one thousand dollars (\$1,000), the taxpayer is not  
27 required to file an estimated utility receipts tax return.

28 (d) If the department determines that a taxpayer's:

- 29 (1) estimated quarterly utility receipts tax liability for the
- 30 current year; or
- 31 (2) average estimated quarterly utility receipts tax liability for
- 32 the preceding year;

33 exceeds ten thousand dollars (\$10,000), the taxpayer shall pay the  
34 estimated utility receipts taxes due by electronic funds transfer (as  
35 defined in IC 4-8.1-2-7) or by delivering in person or by overnight  
36 courier a payment by cashier's check, certified check, or money  
37 order to the department. The transfer or payment shall be made on  
38 or before the date the tax is due.

(e) If a taxpayer's utility receipts tax payment is made by electronic funds transfer, the taxpayer is not required to file an estimated utility receipts tax return.

**Sec. 2. (a)** Every taxpayer who receives more than one thousand dollars (\$1,000) in gross receipts during a particular taxable year shall file with the department an annual utility receipts tax return. At the time of filing an annual return, a taxpayer shall pay to the department an amount equal to the remainder of:

(1) the total utility receipts tax liability incurred by the taxpayer for that particular taxable year; minus

(2) the total amount of utility receipts taxes that was previously paid to the department for any quarter of that same taxable year.

(b) Except as provided in subsection (d), a taxpayer who uses a taxable year that ends on December 31 shall file the taxpayer's annual utility receipts tax return and pay the tax, if any, for that taxable year on or before April 15 of the immediately succeeding tax year.

(c) If a taxpayer uses a taxable year that does not end on December 31, the department shall prescribe the due dates for filing annual utility receipts tax returns and paying the tax.

(d) Any taxpayer who does not file an annual utility receipts tax return for a taxable year may be required to execute and file with the department a sworn statement that the taxpayer did not receive more than one thousand dollars (\$1,000) of taxable gross receipts during that taxable year.

**Sec. 3.** Any forms prescribed by the department under IC 6-8.1-3-4 that concern the collection of the utility receipts tax may not require a taxpayer to show the corporate name or title of any stock or the name of the obligor of any other security from which the taxpayer derives gross receipts.

**Sec. 4.** The department may require a taxpayer who receives gross receipts at two (2) or more business locations within the state to file with each quarterly and annual utility receipts tax return an information return that shows the allocation of gross receipts to each business location at which the gross receipts were received.

**Sec. 5. (a)** Corporations are affiliated if at least eighty percent (80%) of the voting stock of one (1) corporation (exclusive of

1 directors' qualifying shares) is owned by the other corporation.  
2 Every corporation affiliated with another corporation is affiliated  
3 with every corporation that is affiliated with such other  
4 corporation. All corporations so affiliated constitute an affiliated  
5 group.

6 (b) Corporate members of an affiliated group that are  
7 incorporated in Indiana or are authorized to do business in Indiana  
8 may file a consolidated utility receipts tax return.

9 (c) Each corporate member of an affiliated group that files a  
10 consolidated utility receipts tax return is jointly and severally  
11 liable for the utility receipts tax imposed on the affiliated group  
12 and on each member of that group.

13 (d) An affiliated group must elect at the time it files its first  
14 annual return whether or not it will file a consolidated utility  
15 receipts tax return or whether each corporate member of the  
16 group will file a separate utility receipts tax return. After the  
17 taxpayer's election is made, the group must file utility receipts tax  
18 returns in the same manner as the group's first annual return is  
19 filed, unless the department allows the group to change the manner  
20 in which it files utility receipts tax returns.

21 (e) The first consolidated utility receipts tax return filed by an  
22 affiliated group may be filed by any member of the group  
23 incorporated in Indiana or authorized to do business in Indiana.  
24 Subsequent consolidated returns shall be filed by the member who  
25 filed the first consolidated return for the group, unless the  
26 department allows another member to file the group's consolidated  
27 returns.

28 Sec. 6. (a) A receiver, a trustee in dissolution, a trustee in  
29 bankruptcy, or an assignee operating the property or business of  
30 a taxpayer shall file a utility receipts tax return for that taxpayer  
31 and pay any tax due on gross receipts reported in the return in the  
32 same manner that the taxpayer would be required to file a return  
33 and pay the tax under this chapter if the taxpayer had control of  
34 the business or property.

35 (b) Any fiduciary filing a return under subsection (a) shall  
36 report all previously unreported income derived from property or  
37 business controlled by the fiduciary.

38 (c) The utility receipts tax liability imposed upon any property

1 held by a fiduciary described in subsection (a) is a lien upon the  
2 property from which the gross receipts were derived.

3 (d) If any utility receipts tax is due and unpaid after a fiduciary  
4 described in subsection (a) is discharged, each distributee is liable  
5 for the utility receipts tax due in an amount equal to the quotient  
6 of:

7 (1) the distributee's share of the business or property sold;  
8 divided by

9 (2) the total distribution made by the fiduciary.

10 (e) Any resident of Indiana who is a fiduciary described in  
11 subsection (a), and who receives gross receipts for a distributee  
12 who is not an Indiana resident, must file a utility receipts tax  
13 return and pay the utility receipts tax due with that return before  
14 making a distribution to the distributee.

15 (f) Any taxpayer who is a resident of Indiana, and who receives  
16 gross receipts from a fiduciary described in subsection (a) who is  
17 not a resident of Indiana, shall file a return reporting the receipt  
18 of such gross receipts and shall pay any utility receipts tax due on  
19 such gross receipts, as though the gross receipts had been received  
20 directly by the taxpayer, unless the nonresident fiduciary has  
21 already paid the tax due on the gross receipts.

22 Sec. 7. A taxpayer shall use either the cash or accrual method of  
23 accounting for purposes of determining the taxpayer's utility  
24 receipts tax liability. If a taxpayer uses either the cash or accrual  
25 method of accounting for federal tax purposes, the taxpayer must  
26 also use that same method in determining the taxpayer's utility  
27 receipts tax liability. If a taxpayer does not use either the cash or  
28 accrual method of accounting for federal tax purposes, the  
29 taxpayer shall use the cash method in determining the taxpayer's  
30 utility receipts tax liability.

### 31 Chapter 7. Penalties

32 Sec. 1. (a) A taxpayer who fails to keep records of the taxpayer's  
33 gross receipts and any other records that may be necessary to  
34 determine the amount of utility receipts tax the taxpayer owes for  
35 a period of three (3) years, as required by IC 6-8.1-5-4, commits a  
36 Class C infraction.

37 (b) A taxpayer who fails to permit records described in  
38 subsection (a) to be examined at any time by the department in

 2 after the end of each month, then the person shall file the combined  
 3 report and remit the sales and withholding taxes due within twenty (20)  
 4 days after the end of each month.

5 (c) Instead of the twelve (12) monthly reporting periods required by  
 6 subsection (a), the department may permit a person to divide a year into  
 7 a different number of reporting periods. The return and payment for  
 8 each reporting period is due not more than twenty (20) days after the  
 9 end of the period.

10 (d) Instead of the reporting periods required under subsection (a), the  
 11 department may permit a retail merchant to report and pay the  
 12 merchant's state gross retail and use taxes for a period covering:

 25 immediately following the close of that reporting period.

26 (e) If a retail merchant reports the merchant's **adjusted** gross income  
 27 tax, or the tax the merchant pays in place of the **adjusted** gross income  
 28 tax, over a fiscal year or fiscal quarter not corresponding to the  
 29 calendar year or calendar quarter, the merchant may, without prior  
 30 departmental approval, report and pay the merchant's state gross retail  
 31 and use taxes over the merchant's fiscal period that corresponds to the  
 32 calendar period the merchant is permitted to use under subsection (d).  
 33 However, the department may, at any time, require the retail merchant  
 34 to stop using the fiscal reporting period.

35 (f) If a retail merchant files a combined sales and withholding tax  
 36 report, the reporting period for the combined report is the shortest  
 37 period required under:

38 (1) this section;

1 (2) IC 6-3-4-8; or

2 (3) IC 6-3-4-8.1.

3 (g) If the department determines that a person's:

4 (1) estimated monthly gross retail and use tax liability for the

12 to the department. The transfer or payment shall be made on or before  
13 the date the tax is due.

14 (h) If a person's gross retail and use tax payment is made by  
15 electronic ~~fund~~ **funds** transfer, the taxpayer is not required to file a  
16 monthly gross retail and use tax return. However, the person shall file  
17 a quarterly gross retail and use tax return before the twentieth day after  
18 the end of each calendar quarter.

25 department may, at any time, require the retail merchant to stop using  
26 the accrual basis.

33 (2) the retail merchant's total gross retail income from taxable  
34 transactions made during the reporting period.

35 The amount determined under this section is the retail merchant's state  
36 gross retail and use tax liability regardless of the amount of tax he  
37 actually collects.

- (1) the amount of that gross retail income; multiplied by
- (2) the retail merchant's "income exclusion ratio" for the tax year which contains the reporting period.

(b) A retail merchant's "income exclusion ratio" for a particular tax year equals a fraction, the numerator of which is the retail merchant's estimated total gross retail income for the tax year from unitary retail transactions which produce gross retail income of less than ~~ten nine~~ **nine** cents (~~\$.10~~) (**\$0.09**) each, and the denominator of which is the retail merchant's estimated total gross retail income for the tax year from all retail transactions.

(c) In order to minimize a retail merchant's recordkeeping requirements, the department shall prescribe a procedure for determining the retail merchant's income exclusion ratio for a tax year, based on a period of time, not to exceed fifteen (15) consecutive days, during the first quarter of the retail merchant's tax year. However, the period of time may be changed if the change is requested by the retail merchant because of his peculiar accounting procedures or marketing factors. In addition, if a retail merchant has multiple sales locations or diverse types of sales, the department shall permit the retail merchant to determine the ratio on the basis of a representative sampling of the locations and types of sales.

However, the retail merchant is entitled to deduct and retain the amounts prescribed in subsection (c), IC 6-2.5-6-10, and IC 6-2.5-6-11.

16 SECTION 55. IC 6-3-1-11, AS AMENDED BY P.L.177-2002,  
17 SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
18 JANUARY 1, 2003]: Sec. 11. (a) The term "Internal Revenue Code"  
19 means the Internal Revenue Code of 1986 of the United States as  
20 amended and in effect on January 1, 2002.

21 (b) Whenever the Internal Revenue Code is mentioned in this article,  
22 the particular provisions that are referred to, together with all the other  
23 provisions of the Internal Revenue Code in effect on January 1, 2002,  
24 that pertain to the provisions specifically mentioned, shall be regarded  
25 as incorporated in this article by reference and have the same force and  
26 effect as though fully set forth in this article. To the extent the  
27 provisions apply to this article, regulations adopted under Section  
28 7805(a) of the Internal Revenue Code and in effect on January 1, 2002,  
29 shall be regarded as rules adopted by the department under this article,  
30 unless the department adopts specific rules that supersede the  
31 regulation.

32 (c) An amendment to the Internal Revenue Code made by an act  
33 passed by Congress before January 1, 2002, that is effective for any  
34 taxable year that began before January 1, 2002, and that affects:

- 35 (1) individual adjusted gross income (as defined in Section 62 of
- 36 the Internal Revenue Code);
- 37 (2) corporate taxable income (as defined in Section 63 of the
- 38 Internal Revenue Code);

(3) trust and estate taxable income (as defined in Section 641(b) of the Internal Revenue Code);

(6) taxable income (as defined in Section 832 of the Internal Revenue Code);

is also effective for that same taxable year for purposes of determining adjusted gross income under ~~IC 6-3-1-3.5~~ and net income under ~~IC 6-3-8-2(b)~~; **section 3.5 of this chapter.**

SECTION 56. IC 6-3-2-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 1. (a) Each taxable year, a tax at the rate of three and ~~four-tenths~~ **nine-tenths** percent (~~3.4%~~) (**3.9%**) of adjusted gross income is imposed upon the adjusted gross income of every resident person, and on that part of the adjusted gross income derived from sources within Indiana of every nonresident person.

(b) Each taxable year, a tax at the rate of ~~three eight~~ and ~~four-tenths~~ **five-tenths** percent (~~3.4%~~) (**8.5%**) of adjusted gross income is imposed on that part of the adjusted gross income derived from sources within Indiana of every corporation.

SECTION 57. IC 6-3-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

(1) income from real or tangible personal property located in this state;

(2) income from doing business in this state;

(3) income from a trade or profession conducted in this state;

(4) compensation for labor or services rendered within this state; and

(5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

In the case of nonbusiness income described in subsection (g), only so

1 much of such income as is allocated to this state under the provisions  
 2 of subsections (h) through (k) shall be deemed to be derived from  
 3 sources within Indiana. In the case of business income, only so much  
 4 of such income as is apportioned to this state under the provision of  
 5 subsection (b) shall be deemed to be derived from sources within the  
 6 state of Indiana. In the case of compensation of a team member (as  
 7 defined in section 2.7 of this chapter) only the portion of income  
 8 determined to be Indiana income under section 2.7 of this chapter is  
 9 considered derived from sources within Indiana. **In the case of a**  
 10 **corporation that is a life insurance company (as defined in Section**  
 11 **816(a) of the Internal Revenue Code) or an insurance company**  
 12 **that is subject to tax under Section 831 of the Internal Revenue**  
 13 **Code, only so much of the income as is apportioned to Indiana**  
 14 **under subsection (r) is considered derived from sources within**  
 15 **Indiana.**

16 (b) Except as provided in subsection (l), if business income of a  
 17 corporation or a nonresident person is derived from sources within the  
 18 state of Indiana and from sources without the state of Indiana, then the  
 19 business income derived from sources within this state shall be  
 20 determined by multiplying the business income derived from sources  
 21 both within and without the state of Indiana by a fraction, the  
 22 numerator of which is the property factor plus the payroll factor plus  
 23 the sales factor, and the denominator of which is three (3). However,  
 24 after a period of two (2) consecutive quarters of income growth and one  
 25 (1) additional quarter (regardless of any income growth), the fraction  
 26 shall be computed as follows:

27 (1) For all taxable years that begin within the first calendar year  
 28 immediately following the period, the numerator of the fraction is  
 29 the sum of the property factor plus the payroll factor plus one  
 30 hundred thirty-three percent (133%) of the sales factor, and the  
 31 denominator of the fraction is three and thirty-three hundredths  
 32 (3.33).

33 (2) For all taxable years that begin within the second calendar year  
 34 following the period, the numerator of the fraction is the property  
 35 factor plus the payroll factor plus one hundred sixty-seven percent  
 36 (167%) of the sales factor, and the denominator of the fraction is  
 37 three and sixty-seven hundredths (3.67).

38 (3) For all taxable years beginning on or after January 1 of the third

1       calendar year following the period, the numerator of the fraction is  
 2       the property factor plus the payroll factor plus two hundred percent  
 3       (200%) of the sales factor, and the denominator of the fraction is  
 4       four (4).

5       For purposes of this subsection, income growth occurs when the state's  
 6       nonfarm personal income for a calendar quarter increases in  
 7       comparison with the state's nonfarm personal income for the  
 8       immediately preceding quarter at an annualized compound rate of five  
 9       percent (5%) or more, as determined by the budget agency based on  
 10      current dollar figures provided by the Bureau of Economic Analysis of  
 11      the United States Department of Commerce or its successor agency.  
 12      The annualized compound rate shall be computed in accordance with  
 13      the formula  $(1+N)^4-1$ , where N equals the percentage change in the  
 14      state's current dollar nonfarm personal income from one (1) quarter to  
 15      the next. As soon as possible after two (2) consecutive quarters of  
 16      income growth, the budget agency shall advise the department of the  
 17      growth.

18      (c) The property factor is a fraction, the numerator of which is the  
 19      average value of the taxpayer's real and tangible personal property  
 20      owned or rented and used in this state during the taxable year and the  
 21      denominator of which is the average value of all the taxpayer's real and  
 22      tangible personal property owned or rented and used during the taxable  
 23      year. However, with respect to a foreign corporation, the denominator  
 24      does not include the average value of real or tangible personal property  
 25      owned or rented and used in a place that is outside the United States.  
 26      Property owned by the taxpayer is valued at its original cost. Property  
 27      rented by the taxpayer is valued at eight (8) times the net annual rental  
 28      rate. Net annual rental rate is the annual rental rate paid by the taxpayer  
 29      less any annual rental rate received by the taxpayer from subrentals.  
 30      The average of property shall be determined by averaging the values at  
 31      the beginning and ending of the taxable year, but the department may  
 32      require the averaging of monthly values during the taxable year if  
 33      reasonably required to reflect properly the average value of the  
 34      taxpayer's property.

35      (d) The payroll factor is a fraction, the numerator of which is the total  
 36      amount paid in this state during the taxable year by the taxpayer for  
 37      compensation, and the denominator of which is the total compensation  
 38      paid everywhere during the taxable year. However, with respect to a

foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

- (1) the individual's service is performed entirely within the state;
- (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
- (3) some of the service is performed in this state and:

- (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or

- (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Sales of tangible personal property are in this state if:

- (1) the property is delivered or shipped to a purchaser, other than the United States government, within this state, regardless of the f.o.b. point or other conditions of the sale; or
- (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:

- (A) the purchaser is the United States government; or

- (B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in ~~IC 6-2.1-2-4~~ **IC 6-2.5-1-10** shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state

1 if:

- 2 (1) the income-producing activity is performed in this state; or  
 3 (2) the income-producing activity is performed both within and  
 4 without this state and a greater proportion of the income-producing  
 5 activity is performed in this state than in any other state, based on  
 6 costs of performance.

7 (g) Rents and royalties from real or tangible personal property,  
 8 capital gains, interest, dividends, or patent or copyright royalties, to the  
 9 extent that they constitute nonbusiness income, shall be allocated as  
 10 provided in subsections (h) through (k).

11 (h)(1) Net rents and royalties from real property located in this state  
 12 are allocable to this state.

13 (2) Net rents and royalties from tangible personal property are  
 14 allocated to this state:

- 15 (i) if and to the extent that the property is utilized in this state; or  
 16 (ii) in their entirety if the taxpayer's commercial domicile is in this  
 17 state and the taxpayer is not organized under the laws of or taxable  
 18 in the state in which the property is utilized.

19 (3) The extent of utilization of tangible personal property in a state  
 20 is determined by multiplying the rents and royalties by a fraction, the  
 21 numerator of which is the number of days of physical location of the  
 22 property in the state during the rental or royalty period in the taxable  
 23 year, and the denominator of which is the number of days of physical  
 24 location of the property everywhere during all rental or royalty periods  
 25 in the taxable year. If the physical location of the property during the  
 26 rental or royalty period is unknown or unascertainable by the taxpayer,  
 27 tangible personal property is utilized in the state in which the property  
 28 was located at the time the rental or royalty payer obtained possession.

29 (i)(1) Capital gains and losses from sales of real property located in  
 30 this state are allocable to this state.

31 (2) Capital gains and losses from sales of tangible personal property  
 32 are allocable to this state if:

- 33 (i) the property had a situs in this state at the time of the sale; or  
 34 (ii) the taxpayer's commercial domicile is in this state and the  
 35 taxpayer is not taxable in the state in which the property had a  
 36 situs.

37 (3) Capital gains and losses from sales of intangible personal  
 38 property are allocable to this state if the taxpayer's commercial

1 domicile is in this state.

2 (j) Interest and dividends are allocable to this state if the taxpayer's  
3 commercial domicile is in this state.

4 (k)(1) Patent and copyright royalties are allocable to this state:

5 (i) if and to the extent that the patent or copyright is utilized by the  
6 taxpayer in this state; or

7 (ii) if and to the extent that the patent or copyright is utilized by the  
8 taxpayer in a state in which the taxpayer is not taxable and the  
9 taxpayer's commercial domicile is in this state.

10 (2) A patent is utilized in a state to the extent that it is employed in  
11 production, fabrication, manufacturing, or other processing in the  
12 state or to the extent that a patented product is produced in the  
13 state. If the basis of receipts from patent royalties does not permit  
14 allocation to states or if the accounting procedures do not reflect  
15 states of utilization, the patent is utilized in the state in which the  
16 taxpayer's commercial domicile is located.

17 (3) A copyright is utilized in a state to the extent that printing or  
18 other publication originates in the state. If the basis of receipts  
19 from copyright royalties does not permit allocation to states or if  
20 the accounting procedures do not reflect states of utilization, the  
21 copyright is utilized in the state in which the taxpayer's commercial  
22 domicile is located.

23 (l) If the allocation and apportionment provisions of this article do  
24 not fairly represent the taxpayer's income derived from sources within  
25 the state of Indiana, the taxpayer may petition for or the department  
26 may require, in respect to all or any part of the taxpayer's business  
27 activity, if reasonable:

28 (1) separate accounting;

29 (2) the exclusion of any one (1) or more of the factors;

30 (3) the inclusion of one (1) or more additional factors which will  
31 fairly represent the taxpayer's income derived from sources within  
32 the state of Indiana; or

33 (4) the employment of any other method to effectuate an equitable  
34 allocation and apportionment of the taxpayer's income.

35 (m) In the case of two (2) or more organizations, trades, or businesses  
36 owned or controlled directly or indirectly by the same interests, the  
37 department shall distribute, apportion, or allocate the income derived  
38 from sources within the state of Indiana between and among those

1 organizations, trades, or businesses in order to fairly reflect and report  
 2 the income derived from sources within the state of Indiana by various  
 3 taxpayers.

4 (n) For purposes of allocation and apportionment of income under  
 5 this article, a taxpayer is taxable in another state if:

6 (1) in that state the taxpayer is subject to a net income tax, a  
 7 franchise tax measured by net income, a franchise tax for the  
 8 privilege of doing business, or a corporate stock tax; or

9 (2) that state has jurisdiction to subject the taxpayer to a net  
 10 income tax regardless of whether, in fact, the state does or does  
 11 not.

12 (o) Notwithstanding subsections (l) and (m), the department may not,  
 13 under any circumstances, require that income, deductions, and credits  
 14 attributable to a taxpayer and another entity be reported in a combined  
 15 income tax return for any taxable year, if the other entity is:

16 (1) a foreign corporation; or

17 (2) a corporation that is classified as a foreign operating  
 18 corporation for the taxable year by section 2.4 of this chapter.

19 (p) Notwithstanding subsections (l) and (m), the department may not  
 20 require that income, deductions, and credits attributable to a taxpayer  
 21 and another entity not described in subsection (o)(1) or (o)(2) be  
 22 reported in a combined income tax return for any taxable year, unless  
 23 the department is unable to fairly reflect the taxpayer's adjusted gross  
 24 income for the taxable year through use of other powers granted to the  
 25 department by subsections (l) and (m).

26 (q) Notwithstanding subsections (o) and (p), one (1) or more  
 27 taxpayers may petition the department under subsection (l) for  
 28 permission to file a combined income tax return for a taxable year. The  
 29 petition to file a combined income tax return must be completed and  
 30 filed with the department not more than thirty (30) days after the end  
 31 of the taxpayer's taxable year.

32 **(r) This subsection applies to a corporation that is a life**  
 33 **insurance company (as defined in Section 816(a) of the Internal**  
 34 **Revenue Code) or an insurance company that is subject to tax**  
 35 **under Section 831 of the Internal Revenue Code. The corporation's**  
 36 **adjusted gross income that is derived from sources within Indiana**  
 37 **is determined by multiplying the corporation's adjusted gross**  
 38 **income by a fraction:**

1       **(1) the numerator of which is the direct premiums and annuity**  
 2       **considerations received during the taxable year for insurance**  
 3       **upon property or risks in the state; and**

4       **(2) the denominator of which is the direct premiums and**  
 5       **annuity considerations received during the taxable year for**  
 6       **insurance upon property or risks everywhere.**

7       **The term "direct premiums and annuity considerations" means the**  
 8       **gross premiums received from direct business as reported in the**  
 9       **corporation's annual statement filed with the department of**  
 10       **insurance.**

11       SECTION 58. IC 6-3-2-2.3 IS AMENDED TO READ AS  
 12       FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.3.  
 13       Notwithstanding any other provision of this article, with respect to a  
 14       person, corporation, or partnership that has contracted with a  
 15       commercial printer for printing:

16       (1) the ownership or leasing by that entity of tangible or intangible  
 17       property located at the Indiana premises of the commercial printer;

18       (2) the sale by that entity of property of any kind produced at and  
 19       shipped or distributed from the Indiana premises of the commercial  
 20       printer;

21       (3) the activities of any kind performed by or on behalf of that  
 22       entity at the Indiana premises of the commercial printer; and

23       (4) the activities performed by the commercial printer in Indiana  
 24       for or on behalf of that entity;

25       shall not cause that entity to have adjusted gross income derived from  
 26       sources within Indiana for purposes of the taxes imposed by this  
 27       chapter, ~~and IC 6-3-8;~~ unless that entity engages in other activities in  
 28       Indiana away from the premises of the commercial printer that exceed  
 29       the protection of 15 U.S.C. 381.

30       SECTION 59. IC 6-3-2-2.6 IS AMENDED TO READ AS  
 31       FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.6. (a) This  
 32       section applies to a corporation or a nonresident person, for a particular  
 33       taxable year, if the taxpayer's adjusted gross income for that taxable  
 34       year is reduced because of a deduction allowed under Section 172 of  
 35       the Internal Revenue Code for a net operating loss. For purposes of  
 36       section 1 of this chapter, the taxpayer's adjusted gross income, for the  
 37       particular taxable year, derived from sources within Indiana is the  
 38       remainder determined under STEP FOUR of the following formula:

1 STEP ONE: Determine, in the manner prescribed in section 2 of  
 2 this chapter, the taxpayer's adjusted gross income, for the taxable  
 3 year, derived from sources within Indiana, as calculated without  
 4 the deduction for net operating losses provided by Section 172 of  
 5 the Internal Revenue Code.

6 STEP TWO: Determine, in the manner prescribed in subsection  
 7 (b), the amount of the taxpayer's net operating losses that are  
 8 deductible for the taxable year under Section 172 of the Internal  
 9 Revenue Code, as adjusted to reflect the modifications required by  
 10 IC 6-3-1-3.5, and that are derived from sources within Indiana.

11 STEP THREE: Enter the larger of zero (0) or the amount  
 12 determined under STEP TWO.

13 STEP FOUR: Subtract the amount entered under STEP THREE  
 14 from the amount determined under STEP ONE.

15 (b) For purposes of STEP TWO of subsection (a), the modifications  
 16 that are to be applied are those modifications required under  
 17 IC 6-3-1-3.5 for the same taxable year during which each net operating  
 18 loss was incurred. In addition, for purposes of STEP TWO of  
 19 subsection (a), the amount of a taxpayer's net operating losses that are  
 20 derived from sources within Indiana shall be determined in the same  
 21 manner that the amount of the taxpayer's income derived from sources  
 22 within Indiana is determined, under section 2 of this chapter, for the  
 23 same taxable year during which each loss was incurred. Also, for  
 24 purposes of STEP TWO of subsection (a), the following procedures  
 25 apply:

26 (1) The taxpayer's net operating loss for a particular taxable year  
 27 shall be treated as a positive number.

28 (2) A modification that is to be added to federal adjusted gross  
 29 income or federal taxable income under IC 6-3-1-3.5 shall be  
 30 treated as a negative number.

31 (3) A modification that is to be subtracted from federal adjusted  
 32 gross income or federal taxable income under IC 6-3-1-3.5 shall be  
 33 treated as a positive number.

34 **(4) A net operating loss under this section shall be considered**  
 35 **even though in the year the taxpayer incurred the loss the**  
 36 **taxpayer was not subject to the tax imposed under section 1 of**  
 37 **this chapter because the taxpayer was:**

38 **(A) a life insurance company (as defined in Section 816(a) of**

1           **the Internal Revenue Code); or**  
 2           **(B) an insurance company subject to tax under Section 831**  
 3           **of the Internal Revenue Code.**

 5           FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.8.  
 6           Notwithstanding any provision of IC 6-3-1 through IC 6-3-7, there shall  
 7           be no tax on the adjusted gross income of the following:

8           (1) Any organization described in Section 501(a) of the Internal  
 9           Revenue Code, except that any income of such organization which  
 10          is subject to income tax under the Internal Revenue Code shall be  
 11          subject to the tax under IC 6-3-1 through IC 6-3-7.

12          (2) Any corporation which is exempt from income tax under  
 13          Section 1363 of the Internal Revenue Code and which complies  
 14          with the requirements of IC 6-3-4-13. However, income of a  
 15          corporation described under this subdivision that is subject to  
 16          income tax under the Internal Revenue Code is subject to the tax  
 17          under IC 6-3-1 through IC 6-3-7. A corporation will not lose its  
 18          exemption under this section because it fails to comply with  
 19          IC 6-3-4-13 but it will be subject to the penalties provided by  
 20          IC 6-8.1-10.

21          (3) Banks and trust companies, national banking associations,  
 22          savings banks, building and loan associations, and savings and

 25          **including a domestic insurance company that elects to be taxed**  
 26          **under IC 27-1-18-2.**

27          (5) International banking facilities (as defined in Regulation D of  
 28          the Board of Governors of the Federal Reserve System (12 CFR  
 29          204)).

30          SECTION 61. IC 6-3-2-3.1 IS AMENDED TO READ AS  
 31          FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 3.1. (a) Except as  
 32          otherwise provided in subsection (b), income is not exempt from the  
 33          adjusted gross income tax ~~or the supplemental net income tax~~, under  
 34          section 2.8(1) of this chapter if the income is derived by the exempt  
 35          organization from an unrelated trade or business, as defined in Section  
 36          513 of the Internal Revenue Code.

37          (b) This section does not apply to:

38          (1) the United States government;

- (2) an agency or instrumentality of the United States government;
- (3) this state;
- (4) a state agency, as defined in IC 34-6-2-141;
- (5) a political subdivision, as defined in IC 34-6-2-110; or
- (6) a county solid waste management district or a joint solid waste management district established under IC 13-21 or IC 13-9.5-2 (before its repeal).

SECTION 62. IC 6-3-2-3.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003] : Sec. 3.5. **(a) For purposes of this section, "public transportation services" means the transportation of individuals for hire.**

- (1) public transportation corporation established under IC 36-9-4;**
- (2) public transit department established by ordinance under IC 36; or**
- (3) lessee common carrier that provides public transportation services under IC 36.**

**(c) Fares collected for public transportation services by a private corporation are exempt from income taxes imposed by this article if during the tax year at least eighty percent (80%) of the corporation's total regularly scheduled bus passenger vehicle route miles are within the corporation's designated regional service area. A private corporation's designated regional service area may not be greater than:**

- (1) the county that the private corporation designates as its principal place of business; and**
- (2) all counties contiguous to the county designated by the private corporation as its principal place of business.**

**A private corporation may choose a smaller area as its regional service area.**

SECTION 63. IC 6-3-2-6, AS AMENDED BY P.L.14-1999, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 6. (a) Each taxable year, an individual who rents a dwelling for use as ~~his~~ **the individual's** principal place of residence may deduct from ~~his~~ **the individual's** adjusted gross income

3 the dwelling during the taxable year; or

4 (2) two thousand **five hundred** dollars ~~(\$2,000)~~: **(\$2,500)**.

5 (b) Notwithstanding subsection (a), a husband and wife filing a joint  
6 adjusted gross income tax return for a particular taxable year may not  
7 claim a deduction under this section of more than two thousand **five**  
8 **hundred** dollars ~~(\$2,000)~~: **(\$2,500)**.

9 (c) The deduction provided by this section does not apply to an  
10 individual who rents a dwelling that is exempt from Indiana property  
11 tax.

12 (d) For purposes of this section, a "dwelling" includes a single family  
13 dwelling and unit of a multi-family dwelling.

14 SECTION 64. IC 6-3-2-14 IS AMENDED TO READ AS FOLLOWS  
15 [EFFECTIVE JULY 1, 2002]: Sec. 14. **(a) The first one thousand two**  
16 **hundred dollars (\$1, 200) of** prize money received from a winning  
17 lottery ticket purchased under IC 4-30 is exempt from the adjusted  
18 gross income tax and supplemental net income tax imposed by this  
19 article. **If the amount of prize money received from a winning**  
20 **lottery ticket exceeds one thousand two hundred dollars (\$1, 200),**  
21 **the amount of the excess is subject to the adjusted gross income tax**  
22 **and supplemental net income tax imposed by this article.**

24 SECTION 65. IC 6-3-2-14.5 IS ADDED TO THE INDIANA CODE  
25 AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE  
26 JANUARY 1, 2003]: Sec. 14.5. **(a) The first one thousand two**  
27 **hundred dollars (\$1, 200) of** prize money received from a winning  
28 **lottery ticket purchased under IC 4-30 is exempt from the adjusted**  
29 **gross income tax imposed by this article. If the amount of prize**  
30 **money received from a winning lottery ticket exceeds one thousand**  
31 **two hundred dollars (\$1, 200), the amount of the excess is subject**  
32 **to the adjusted gross income tax imposed by this article.**

33 SECTION 66. IC 6-3-4-4.1 IS AMENDED TO READ AS  
34 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 4.1. (a) This  
35 section applies to taxable years beginning after December 31, 1993.

36 (b) Any individual required by the Internal Revenue Code to file  
37 estimated tax returns and to make payments on account of such  
38 estimated tax shall file estimated tax returns and make payments of the

1 tax imposed by this article to the department at the time or times and  
 2 in the installments as provided by Section 6654 of the Internal Revenue  
 3 Code. However, in applying Section 6654 of the Internal Revenue Code  
 4 for the purposes of this article, "estimated tax" means the amount  
 5 which the individual estimates as the amount of the adjusted gross  
 6 income tax imposed by this article for the taxable year, minus the  
 7 amount which the individual estimates as the sum of any credits against  
 8 the tax provided by IC 6-3-3.

9 (c) Every individual who has **adjusted** gross income subject to the  
 10 tax imposed by this article and from which tax is not withheld under  
 11 the requirements of section 8 of this chapter shall make a declaration  
 12 of estimated tax for the taxable year. However, no such declaration  
 13 shall be required if the estimated tax can reasonably be expected to be  
 14 less than four hundred dollars (\$400). In the case of an underpayment  
 15 of the estimated tax as provided in Section 6654 of the Internal  
 16 Revenue Code, there shall be added to the tax a penalty in an amount  
 17 prescribed by IC 6-8.1-10-2.1(b).

18 (d) Every corporation subject to the adjusted gross income tax  
 19 liability imposed by IC 6-3 shall be required to report and pay an  
 20 estimated tax equal to twenty-five percent (25%) of such corporation's  
 21 estimated adjusted gross income tax liability for the taxable year. ~~less~~  
 22 ~~the credit allowed by IC 6-3-3-2 for the tax imposed on gross income.~~  
 23 Such estimated payment shall be made at the same time and in  
 24 conjunction with the reporting of gross income tax as provided for in  
 25 ~~IC 6-2.1-5.~~ **A taxpayer who uses a taxable year that ends on**  
 26 **December 31 shall file the taxpayer's estimated adjusted gross**  
 27 **income tax returns and pay the tax to the department on or before**  
 28 **April 20, June 20, September 20, and December 20 of the taxable**  
 29 **year. If a taxpayer uses a taxable year that does not end on**  
 30 **December 31, the due dates for filing estimated adjusted gross**  
 31 **income tax returns and paying the tax are on or before the**  
 32 **twentieth day of the fourth, sixth, ninth, and twelfth months of the**  
 33 **taxpayer's taxable year.** The department shall prescribe the manner  
 34 and forms for such reporting and payment.

35 (e) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed by  
 36 the department on corporations failing to make payments as required  
 37 in subsection (d) or (g). However, no penalty shall be assessed as to  
 38 any estimated payments of adjusted gross income tax plus **business**

1 supplemental ~~net income~~ tax plus gross income **utility receipts** tax  
2 which equal or exceed:

3 (1) twenty percent (20%) of the final tax liability for such taxable  
4 year; or

5 (2) twenty-five percent (25%) of the final tax liability for the  
6 taxpayer's previous taxable year.

7 In addition, the penalty as to any underpayment of tax on an estimated  
8 return shall only be assessed on the difference between the actual  
9 amount paid by the corporation on such estimated return and  
10 twenty-five percent (25%) of the sum of the corporation's final adjusted  
11 gross income tax plus **business** supplemental ~~net income~~ tax liability  
12 for such taxable year.

13 (f) The provisions of subsection (d) requiring the reporting and  
14 estimated payment of adjusted gross income tax shall be applicable  
15 only to corporations having an adjusted gross income tax liability  
16 which, after application of the credit allowed by IC 6-3-3-2, shall  
17 exceed one thousand dollars (\$1,000) for its taxable year.

18 (g) If the department determines that a corporation's:

19 (1) estimated quarterly adjusted gross income tax liability for the  
20 current year; or

21 (2) average estimated quarterly adjusted gross income tax liability  
22 for the preceding year;

23 exceeds, before January 1, 1998, twenty thousand dollars (\$20,000),  
24 and, after December 31, 1997, ten thousand dollars (\$10,000), after the  
25 credit allowed by IC 6-3-3-2, the corporation shall pay the estimated  
26 adjusted gross income taxes due by electronic funds transfer (as  
27 defined in IC 4-8.1-2-7) or by delivering in person or overnight by  
28 courier a payment by cashier's check, certified check, or money order  
29 to the department. The transfer or payment shall be made on or before  
30 the date the tax is due.

(g) The provisions of IC 6-8.1 relating to additions to tax in case of delinquency and penalties shall apply to employers subject to the provisions of this section, and for these purposes any amount deducted or required to be deducted and remitted to the department under this section shall be considered to be the tax of the employer, and with respect to such amount the employer shall be considered the taxpayer. In the case of a corporate or partnership employer, every officer, employee, or member of such employer, who, as such officer, employee, or member is under a duty to deduct and remit such taxes shall be personally liable for such taxes, penalties, and interest.

(h) Amounts deducted from wages of an employee during any calendar year in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such employee for ~~his~~ **the employee's** taxable year which begins in such calendar year, and a return made by the employer under subsection (b) shall be accepted by the department as evidence in favor of the employee of the amount so deducted from ~~his~~ **the employee's** wages. - 19 substance removal or remedial action in a designated unit;
- 20 or any combination of these.

21 SECTION 110. IC 6-3.5-7-15 IS AMENDED TO READ AS  
 22 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 15. (a) The  
 23 executive of a county, city, or town may, **subject to the use of the**  
 24 **certified distribution permitted under sections 25 and 26 of this**  
 25 **chapter:**

- 26 (1) adopt a capital improvement plan specifying the uses of the
- 27 revenues to be received under this chapter; or
- 28 (2) designate the county or a city or town in the county as the
- 29 recipient of all or a part of its share of the distribution.

30 (b) If a designation is made under subsection (a)(2), the county  
 31 treasurer shall transfer the share or part of the share to the designated  
 32 unit unless that unit does not have a capital improvement plan.

33 (c) A county, city, or town that fails to adopt a capital improvement  
 34 plan may not receive:

- 35 (1) its fractional amount of the certified distribution; or
- 36 (2) any amount designated under subsection (c)(2);
- 37 for the year or years in which the unit does not have a plan. The county
- 38 treasurer shall retain the certified distribution and any designated

1 distribution for such a unit in a separate account until the unit adopts  
 2 a plan. Interest on the separate account becomes part of the account. If  
 3 a unit fails to adopt a plan for a period of three (3) years, then the  
 4 balance in the separate account shall be distributed to the other units in  
 5 the county based on property taxes first due and payable to the units  
 6 during the calendar year in which the three (3) year period expires.

7 (d) A capital improvement plan must include the following  
 8 components:

9 (1) Identification and general description of each project that  
 10 would be funded by the county economic development income tax.

11 (2) The estimated total cost of the project.

12 (3) Identification of all sources of funds expected to be used for  
 13 each project.

14 (4) The planning, development, and construction schedule of each  
 15 project.

16 (e) A capital improvement plan:

17 (1) must encompass a period of no less than two (2) years; and

18 (2) must incorporate projects the cost of which is at least  
 19 seventy-five percent (75%) of the fractional amount certified  
 20 distribution expected to be received by the county, city, or town in  
 21 that period of time.

22 (f) In making a designation under subsection (a)(2), the executive  
 23 must specify the purpose and duration of the designation. If the  
 24 designation is made to provide for the payment of lease rentals or bond  
 25 payments, the executive may specify that the designation and its  
 26 duration are irrevocable.

27 SECTION 111. IC 6-3.5-7-16, AS AMENDED BY P.L.157-2002,  
 28 SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 29 JANUARY 1, 2003]: Sec. 16. (a) Except as provided in ~~subsection~~  
 30 **subsections (b) and (c)**, on May 1 of each year, one-half (1/2) of each  
 31 county's certified distribution for a calendar year shall be distributed  
 32 from its account established under section 10 of this chapter to the  
 33 county treasurer. The other one-half (1/2) shall be distributed on  
 34 November 1 of that calendar year.

35 (b) This subsection applies to a county having a population of more  
 36 than one hundred forty-five thousand (145,000) but less than one  
 37 hundred forty-eight thousand (148,000). Notwithstanding section 11 of  
 38 this chapter, the initial certified distribution certified for a county under

section 11 of this chapter shall be distributed to the county treasurer from the account established for the county under section 10 of this chapter according to the following schedule during the eighteen (18) month period beginning on July 1 of the year in which the county initially adopts an ordinance under section 2 of this chapter:

(1) One-fourth (1/4) on October 1 of the year in which the ordinance was adopted.

(2) One-fourth (1/4) on January 1 of the calendar year following the year in which the ordinance was adopted.

(3) One-fourth (1/4) on May 1 of the calendar year following the year in which the ordinance was adopted.

(4) One-fourth (1/4) on November 1 of the calendar year following the year in which the ordinance was adopted.

The county auditor and county treasurer shall distribute amounts received under this subsection to a county and each city or town in the county in the same proportions as are set forth in section 12 of this chapter. Certified distributions made to the county treasurer for calendar years following the eighteen (18) month period described in this subsection shall be made as provided in subsection (a).

**(c) Before July 1 of each year, a county's certified distribution for additional homestead credits under section 25 or 26 of this chapter for the year shall be distributed from the county's account established under section 10 of this chapter.**

**(d)** All distributions from an account established under section 10 of this chapter shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

SECTION 112. IC 6-3.5-7-23, AS AMENDED BY P.L.87-2002, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 23. (a) This section applies only to a county having a population of more than fifty-five thousand (55,000) but less than sixty-five thousand (65,000).

(b) The county council may by ordinance determine that, in order to promote the development of libraries in the county and thereby encourage economic development, it is necessary to use economic development income tax revenue to replace library property taxes in the county. However, a county council may adopt an ordinance under this subsection only if all territory in the county is included in a library district.

(c) If the county council makes a determination under subsection (b), the county council may designate the county economic development income tax revenue generated by the tax rate adopted under section 5 of this chapter, or revenue generated by a portion of the tax rate, as revenue that will be used to replace public library property taxes imposed by public libraries in the county. The county council may not designate for library property tax replacement purposes any county economic development income tax revenue that is generated by a tax rate of more than fifteen-hundredths percent (0.15%).

(d) The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. County economic development income tax revenues derived from the portion of the tax rate designated for property tax replacement credits under subsection (c) shall be deposited in the library property tax replacement fund before certified distributions are made under section 12 of this chapter. Any interest earned on money in the library property tax replacement fund shall be credited to the library property tax replacement fund.

(e) The amount of county economic development income tax revenue dedicated to providing library property tax replacement credits shall, in the manner prescribed in this section, be allocated to public libraries operating in the county and shall be used by those public libraries as property tax replacement credits. The amount of property tax replacement credits that each public library in the county is entitled to receive during a calendar year under this section equals the lesser of:

(1) the product of:

(A) the amount of revenue deposited by the county auditor in the library property tax replacement fund; multiplied by

(B) a fraction described as follows:

(i) The numerator of the fraction equals the sum of the total property taxes that would have been collected by the public library during the previous calendar year from taxpayers located within the library district if the property tax replacement under this section had not been in effect.

(ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax

1 replacement credits under this section if the property tax  
 2 replacement under this section had not been in effect; or  
 3 (2) the total property taxes that would otherwise be collected by the  
 4 public library for the calendar year if the property tax replacement  
 5 credit under this section were not in effect.

6 The department of local government finance shall make any  
 7 adjustments necessary to account for the expansion of a library district.  
 8 However, a public library is eligible to receive property tax  
 9 replacement credits under this section only if it has entered into  
 10 reciprocal borrowing agreements with all other public libraries in the  
 11 county. If the total amount of county economic development income  
 12 tax revenue deposited by the county auditor in the library property tax  
 13 replacement fund for a calendar year exceeds the total property tax  
 14 liability that would otherwise be imposed for public libraries in the  
 15 county for the year, the excess shall remain in the library property tax  
 16 replacement fund and shall be used for library property tax replacement  
 17 purposes in the following calendar year.

18 (f) Notwithstanding subsection (e), if a public library did not impose  
 19 a property tax levy during the previous calendar year, that public  
 20 library is entitled to receive a part of the property tax replacement  
 21 credits to be distributed for the calendar year. The amount of property  
 22 tax replacement credits the public library is entitled to receive during  
 23 the calendar year equals the product of:

24 (1) the amount of revenue deposited in the library property tax  
 25 replacement fund; multiplied by  
 26 (2) a fraction. The numerator of the fraction equals the budget of  
 27 the public library for that calendar year. The denominator of the  
 28 fraction equals the aggregate budgets of public libraries in the  
 29 county for that calendar year.

30 If for a calendar year a public library is allocated a part of the property  
 31 tax replacement credits under this subsection, then the amount of  
 32 property tax credits distributed to other public libraries in the county  
 33 for the calendar year shall be reduced by the amount to be distributed  
 34 as property tax replacement credits under this subsection. The  
 35 department of local government finance shall make any adjustments  
 36 required by this subsection and provide the adjustments to the county  
 37 auditor.

38 (g) The department of local government finance shall inform the

1 county auditor of the amount of property tax replacement credits that  
 2 each public library in the county is entitled to receive under this  
 3 section. The county auditor shall certify to each public library the  
 4 amount of property tax replacement credits that the public library is  
 5 entitled to receive during that calendar year. The county auditor shall  
 6 also certify these amounts to the county treasurer.

7 (h) A public library receiving property tax replacement credits under  
 8 this section shall allocate the credits among each fund for which a  
 9 distinct property tax levy is imposed. The amount that must be  
 10 allocated to each fund equals:

11 (1) the amount of property tax replacement credits provided to the  
 12 public library under this section; multiplied by

13 (2) the amount determined in STEP THREE of the following  
 14 formula:

15 STEP ONE: Determine the property taxes that would have been  
 16 collected for each fund by the public library during the previous  
 17 calendar year if the property tax replacement under this section  
 18 had not been in effect.

19 STEP TWO: Determine the sum of the total property taxes that  
 20 would have been collected for all funds by the public library  
 21 during the previous calendar year if the property tax replacement  
 22 under this section had not been in effect.

23 STEP THREE: Divide the STEP ONE amount by the STEP  
 24 TWO amount.

25 However, if a public library did not impose a property tax levy during  
 26 the previous calendar year or did not impose a property tax levy for a  
 27 particular fund during the previous calendar year, but the public library  
 28 is imposing a property tax levy in the current calendar year or is  
 29 imposing a property tax levy for the particular fund in the current  
 30 calendar year, the department of local government finance shall adjust  
 31 the amount of property tax replacement credits allocated among the  
 32 various funds of the public library and shall provide the adjustment to  
 33 the county auditor. If a public library receiving property tax  
 34 replacement credits under this section does not impose a property tax  
 35 levy for a particular fund that is first due and payable in a calendar year  
 36 in which the property tax replacement credits are being distributed, the  
 37 public library is not required to allocate to that fund a part of the  
 38 property tax replacement credits to be distributed to the public library.

1 Notwithstanding IC 6-1.1-20-1.1(1), a public library that receives  
 2 property tax replacement credits under this section is subject to the  
 3 procedures for the issuance of bonds set forth in IC 6-1.1-20.

4 (i) For each public library that receives property tax credits under this  
 5 section, the department of local government finance shall certify to the  
 6 county auditor the property tax rate applicable to each fund after the  
 7 property tax replacement credits are allocated.

8 (j) A public library shall treat property tax replacement credits  
 9 received during a particular calendar year under this section as a part  
 10 of the public library's property tax levy for each fund for that same  
 11 calendar year for purposes of fixing the public library's budget and for  
 12 purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

13 (k) The property tax replacement credits that are received under this  
 14 section do not reduce the total county tax levy that is used to compute  
 15 the state property tax replacement credit under IC 6-1.1-21. For the  
 16 purpose of computing and distributing certified distributions under  
 17 IC 6-3.5-1.1 and tax revenue under ~~IC 6-5-10~~, ~~IC 6-5-11~~, ~~IC 6-5-12~~,  
 18 IC 6-5.5 or IC 6-6-5, the property tax replacement credits that are  
 19 received under this section shall be treated as though they were  
 20 property taxes that were due and payable during that same calendar  
 21 year.

22 SECTION 113. IC 6-3.5-7-25 IS ADDED TO THE INDIANA CODE  
 23 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE  
 24 JANUARY 1, 2003]: **Sec. 25. (a) This section applies only to a  
 25 county that has adopted an ordinance under IC 6-1.1-12-41(f).**

26 **(b) For purposes of this section, "imposing entity" means the  
 27 entity that adopted the ordinance under IC 6-1.1-12-41(f).**

28 **(c) The imposing entity shall adopt an ordinance to provide for  
 29 the use of the certified distribution described in section 16(c) of this  
 30 chapter for the purpose provided in subsection (e). A county  
 31 income tax council that adopts an ordinance under this subsection  
 32 shall use the procedures set forth in IC 6-3.5-6 concerning the  
 33 adoption of an ordinance for the imposition of the county option  
 34 income tax. An ordinance must be adopted under this subsection  
 35 after January 1 but before April 1 of a calendar year. The  
 36 ordinance may provide for an additional rate under section 5(p) of  
 37 this chapter. An ordinance adopted under this subsection:**

38 **(1) first applies to the certified distribution described in section**

1       **16(c) of this chapter made in the calendar year that**  
 2       **immediately succeeds the calendar year in which the ordinance**  
 3       **is adopted;**

4       **(2) must specify the calendar years to which the ordinance**  
 5       **applies; and**

6       **(3) must specify that the certified distribution must be used for**  
 7       **the purpose provided in subsection (e).**

8       **An ordinance adopted under this subsection may be combined with**  
 9       **an ordinance adopted under section 26 of this chapter.**

10       **(d) If an ordinance is adopted under subsection (c), the**  
 11       **percentage of the certified distribution specified in the ordinance**  
 12       **for use for the purpose provided in subsection (e) shall be:**

13       **(1) retained by the county auditor under subsection (g); and**

14       **(2) used for the purpose provided in subsection (e) instead of**  
 15       **the purposes specified in the capital improvement plans**  
 16       **adopted under section 15 of this chapter.**

17       **(e) If an ordinance is adopted under subsection (c), the imposing**  
 18       **entity shall use the certified distribution described in section 16(c)**  
 19       **of this chapter to increase the percentage of the homestead credit**  
 20       **allowed in the county under IC 6-1.1-20.9 for a year to offset the**  
 21       **effect on homesteads in the county resulting from a county**  
 22       **deduction for inventory under IC 6-1.1-12-41. The county auditor**  
 23       **shall, for each calendar year in which an increased homestead**  
 24       **credit percentage is authorized under this section, determine:**

25       **(1) the amount of the certified distribution that is available to**  
 26       **provide an increased homestead credit percentage for the year;**

27       **(2) the amount of uniformly applied homestead credits for the**  
 28       **year in the county that equals the amount determined under**  
 29       **subdivision (1); and**

30       **(3) the increased percentage of homestead credit that equates**  
 31       **to the amount of homestead credits determined under**  
 32       **subdivision (2).**

33       **(f) The increased percentage of homestead credit determined by**  
 34       **the county auditor under subsection (e) applies uniformly in the**  
 35       **county in the calendar year for which the increased percentage is**  
 36       **determined.**

37       **(g) The county auditor shall retain from the payments of the**  
 38       **county's certified distribution an amount equal to the revenue lost,**

1 if any, due to the increase of the homestead credit within the  
 2 county. The money shall be distributed to the civil taxing units and  
 3 school corporations of the county:

4 (1) as if the money were from property tax collections; and

5 (2) in such a manner that no civil taxing unit or school  
 6 corporation will suffer a net revenue loss because of the  
 7 allowance of an increased homestead credit.

8 SECTION 114. IC 6-3.5-7-26 IS ADDED TO THE INDIANA CODE  
 9 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE  
 10 JANUARY 1, 2003]: **Sec. 26. (a) This section applies only to**  
 11 **homestead credits for property taxes first due and payable after**  
 12 **calendar year 2006.**

13 (b) For purposes of this section, "adopting entity" means the  
 14 entity that:

15 (1) adopts an ordinance under IC 6-1.1-12-41(f); or

16 (2) any other entity that may impose a county economic  
 17 development income tax under section 5 of this chapter.

18 (c) An adopting entity may adopt an ordinance to provide for the  
 19 use of the certified distribution described in section 16(c) of this  
 20 chapter for the purpose provided in subsection (e). An adopting  
 21 entity that adopts an ordinance under this subsection shall use the  
 22 procedures set forth in IC 6-3.5-6 concerning the adoption of an  
 23 ordinance for the imposition of the county option income tax. An  
 24 ordinance must be adopted under this subsection after January 1  
 25 but before April 1 of a calendar year. The ordinance may provide  
 26 for an additional rate under section 5(p) of this chapter. An  
 27 ordinance adopted under this subsection:

28 (1) first applies to the certified distribution described in section  
 29 16(c) of this chapter made in the later of the calendar year that  
 30 immediately succeeds the calendar year in which the ordinance  
 31 is adopted or calendar year 2007; and

32 (2) must specify that the certified distribution must be used for  
 33 the purpose provided in subsection (e).

34 An ordinance adopted under this subsection may be combined with  
 35 an ordinance adopted under section 25 of this chapter.

36 (d) If an ordinance is adopted under subsection (c), the  
 37 percentage of the certified distribution specified in the ordinance  
 38 for use for the purpose provided in subsection (e) shall be:

1       (1) retained by the county auditor under subsection (g); and  
 2       (2) used for the purpose provided in subsection (e) instead of  
 3       the purposes specified in the capital improvement plans  
 4       adopted under section 15 of this chapter.

5       (e) If an ordinance is adopted under subsection (c), the adopting  
 6       entity shall use the certified distribution described in section 16(c)  
 7       of this chapter to increase the percentage of the homestead credit  
 8       allowed in the county under IC 6-1.1-20.9 for a year to offset the  
 9       effect on homesteads in the county resulting from the statewide  
 10       deduction for inventory under IC 6-1.1-12-42. The county auditor  
 11       shall, for each calendar year in which an increased homestead  
 12       credit percentage is authorized under this section, determine:

13       (1) the amount of the certified distribution that is available to  
 14       provide an increased homestead credit percentage for the year;  
 15       (2) the amount of uniformly applied homestead credits for the  
 16       year in the county that equals the amount determined under  
 17       subdivision (1); and  
 18       (3) the increased percentage of homestead credit that equates  
 19       to the amount of homestead credits determined under  
 20       subdivision (2).

21       (f) The increased percentage of homestead credit determined by  
 22       the county auditor under subsection (e) applies uniformly in the  
 23       county in the calendar year for which the increased percentage is  
 24       determined.

25       (g) The county auditor shall retain from the payments of the  
 26       county's certified distribution an amount equal to the revenue lost,  
 27       if any, due to the increase of the homestead credit within the  
 28       county. The money shall be distributed to the civil taxing units and  
 29       school corporations of the county:

30       (1) as if the money were from property tax collections; and  
 31       (2) in such a manner that no civil taxing unit or school  
 32       corporation will suffer a net revenue loss because of the  
 33       allowance of an increased homestead credit.

34       SECTION 115. IC 6-5.5-8-2, AS AMENDED BY P.L.90-2002,  
 35       SECTION 303, IS AMENDED TO READ AS FOLLOWS  
 36       [EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) On or before February  
 37       1, May 1, August 1, and December 1 of each year the auditor of state  
 38       shall transfer to each county auditor for distribution to the taxing units

(as defined in IC 6-1.1-1-21) in the county, an amount equal to one-fourth (1/4) of the sum of the guaranteed amounts for all the taxing units of the county. On or before August 1 of each year the auditor of state shall transfer to each county auditor the supplemental distribution for the county for the year.

(b) For purposes of determining distributions under subsection ~~(b)~~, (c), the department of local government finance shall determine a state welfare allocation for each county calculated as follows:

(1) For 2000 and each year thereafter, the state welfare allocation for each county equals the greater of zero (0) or the amount determined under the following formula:

STEP ONE: For 1997, 1998, and 1999, determine the result of:

(A) the amounts appropriated by the county in the year for the county's county welfare fund and county welfare administration fund; divided by

(B) the amounts appropriated by all the taxing units in the county in the year.

STEP TWO: Determine the sum of the results determined in STEP ONE.

STEP THREE: Divide the STEP TWO result by three (3).

STEP FOUR: Determine the amount that would otherwise be distributed to all the taxing units in the county under subsection (b) without regard to this subdivision.

STEP FIVE: Determine the result of:

(A) the STEP FOUR amount; multiplied by

(B) the STEP THREE result.

(2) The state welfare allocation shall be deducted from the distributions otherwise payable under subsection ~~(b)~~ (c) to the taxing unit that is a county and shall be deposited in a special account within the state general fund.

~~(b)~~ (c) A taxing unit's guaranteed distribution for a year is the greater of zero (0) or an amount equal to:

(1) the amount received by the taxing unit under IC 6-5-10 **(repealed)** and IC 6-5-11 **(repealed)** in 1989; minus

(2) the amount to be received by the taxing unit in the year of the distribution, as determined by the department of local government finance, from property taxes attributable to the personal property of banks, exclusive of the property taxes attributable to personal

1 property leased by banks as the lessor where the possession of the  
2 personal property is transferred to the lessee; minus

3 (3) in the case of a taxing unit that is a county, the amount that  
4 would have been received by the taxing unit in the year of the  
5 distribution, as determined by the department of local government  
6 finance from property taxes that:

7 (A) were calculated for the county's county welfare fund and  
8 county welfare administration fund for 2000 but were not  
9 imposed because of the repeal of IC 12-19-3 and IC 12-19-4; and

10 (B) would have been attributable to the personal property of  
11 banks, exclusive of the property taxes attributable to personal  
12 property leased by banks as the lessor where the possession of  
13 the personal property is transferred to the lessee.

14 ~~(c)~~ (d) The amount of the supplemental distribution for a county for  
15 a year shall be determined using the following formula:

16 STEP ONE: Determine the greater of zero (0) or the difference  
17 between:

18 (A) one-half (1/2) of the taxes that the department estimates will  
19 be paid under this article during the year; minus

20 (B) the sum of all the guaranteed distributions, before the  
21 subtraction of all state welfare allocations under subsection (a),  
22 for all taxing units in all counties plus the bank personal property  
23 taxes to be received by all taxing units in all counties, as  
24 determined under subsection ~~(b)(2)~~ (c)(2) for the year.

25 STEP TWO: Determine the quotient of:

26 (A) the amount received under IC 6-5-10 **(repealed)** and  
27 IC 6-5-11 **(repealed)** in 1989 by all taxing units in the county;  
28 divided by

29 (B) the sum of the amounts received under IC 6-5-10 **(repealed)**  
30 and IC 6-5-11 **(repealed)** in 1989 by all taxing units in all  
31 counties.

32 STEP THREE: Determine the product of:

33 (A) the amount determined in STEP ONE; multiplied by

34 (B) the amount determined in STEP TWO.

35 STEP FOUR: Determine the greater of zero (0) or the difference  
36 between:

37 (A) the amount of supplemental distribution determined in STEP  
38 THREE for the county; minus

(B) the amount of refunds granted under IC 6-5-10-7 (**repealed**) that have yet to be reimbursed to the state by the county treasurer under IC 6-5-10-13 (**repealed**).

For the supplemental distribution made on or before August 1 of each year, the department shall adjust the amount of each county's supplemental distribution to reflect the actual taxes paid under this article for the preceding year.

~~(d)~~ (e) Except as provided in subsection ~~(f)~~; (g), the amount of the supplemental distribution for each taxing unit shall be determined using the following formula:

STEP ONE: Determine the quotient of:

(A) the amount received by the taxing unit under IC 6-5-10 (**repealed**) and IC 6-5-11 (**repealed**) in 1989; divided by  
(B) the sum of the amounts used in STEP ONE (A) for all taxing units located in the county.

STEP TWO: Determine the product of:

(A) the amount determined in STEP ONE; multiplied by  
(B) the supplemental distribution for the county, as determined in subsection ~~(e)~~; (d), STEP FOUR.

SECTION 130. IC 8-22-2-18 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 18. (a) Subject to the approval of the fiscal body of the eligible entity, the board may contract with any person for construction, extensions, additions, or improvements of an aircraft hangar or revenue producing building or facility located or to be located on the airport of the entity, the cost of which is to be paid in the manner authorized by this section.

(b) A contract made under this section must be authorized by ordinance providing that the principal and interest of bonds issued for the payment of the cost of the construction, extensions, additions, or improvements shall be paid exclusively from the revenues and receipts of the aircraft hangars or revenue producing buildings or facilities, unless otherwise provided by this section.

(c) The fiscal body must, by ordinance, set aside the income and revenues of the buildings or facilities into a separate fund, to be used in the maintenance and operation and in payment of the cost of the construction, extensions, additions, or improvements. The ordinance must fix:

(1) the proportion of the revenues of the buildings or facilities that is necessary for the reasonable and proper operation and maintenance of them; and

(2) the proportion of the revenues that are to be set aside and applied to the payment of the principal and interest of bonds.

The ordinance may provide for the proportion of the revenues that are to be set aside as an adequate depreciation account.

(d) Whenever the board determines that there exists a surplus in funds derived from the net operating receipts of a municipal airport, then the board may recommend to the fiscal body that a designated amount of the surplus fund be appropriated by special or general appropriation to the "aviation revenue bond account" for the relief of principal or interest of bonds issued under this section. However, this surplus in funds may not include monies raised by taxation.

(e) The fiscal body may issue and sell bonds to provide for the payment of costs of the following:

(1) Airport capital improvements, including the acquisition of real property.

(2) Construction or improvement of revenue producing buildings or facilities owned and operated by the eligible entity.

(3) Payment of any loan contract.

The fiscal body may issue and sell bonds bearing interest, payable annually or semiannually, executed in the manner and payable at the times not exceeding forty (40) years from the date of issue and at the places as the fiscal body of the entity determines, which bonds are payable only out of the "aviation revenue bond account" fund. The bonds have in the hands of bona fide holders all the qualities of negotiable instruments under law.

(f) In case any of the officers whose signatures or countersignatures appear on the bonds or the coupons ceases to be the officer before the delivery of the bonds to the purchaser, the signature or countersignatures are nevertheless valid and sufficient for all purposes, the same as if he had remained in office until the delivery of the bonds. The bonds and their interest issued against an "aviation revenue bond account" fund and the fixed proportion or amount of the revenues pledged to the fund does not constitute an indebtedness of the entity under the Constitution of **the State of Indiana**.

(g) Each bond must state plainly upon its face that it is payable only from the special fund, naming the fund and the ordinance creating it, and that it does not constitute an indebtedness of the entity under the Constitution of **the State of Indiana**. The bonds may be issued either as registered bonds or as bonds payable to bearer. Coupons and bearer bonds may be registered as to principal in the holder's name on the books of the entity, the registration being noted on the bond by the clerk or other designated officer, after which no transfer is valid unless

made on the books of the entity by the registered holder and similarly noted on the bonds. Bonds so registered as to principal may be discharged from the registration by being transferred to bearer, after which it is transferable by delivery but may be registered again as to principal. The registration of the bonds as to the principal does not restrain the negotiability of the coupon by delivery, but the coupons may be surrendered and the interest made payable only to the registered holder of the bonds. If the coupons are surrendered, the surrender and cancellation of them shall be noted on the bond and then interest on the bond is payable to the registered holder or order in cash or at his option by check or draft payable at the place or one (1) of the places where the coupons are payable.

(h) The bonds shall be sold in a manner and upon terms that the fiscal body considers in the best interest of the entity.

(i) All bonds issued by an eligible entity under this section are exempt from taxation for all purposes, except that the interest is subject to **the adjusted** gross income tax.

(j) In fixing the proportion of the revenues of the building or facility required for operation and maintenance, the fiscal body shall consider the cost of operation and maintenance of the building or facility and may not set aside into the special fund a greater amount or proportion of the revenues and proceeds than are required for the operation and maintenance. The sums set aside for operation and maintenance shall be used exclusively for that purpose, until the accumulation of a surplus results.

(k) The proportion set aside to the depreciation fund, if a depreciation account or fund is provided for under this section, shall be expended in remedying depreciation in the building or facility or in new construction, extensions, additions, or improvements to the property. Accumulations of the depreciation fund may be invested, and the income from the investment goes into the depreciation fund. The fund, and the proceeds of it, may not be used for any other purpose.

(l) The fixed proportion that is set aside for the payment of the principal and interest of the bonds shall, from month to month, as it is accrued and received, be set apart and paid into a special account in the treasury of the eligible entity, to be identified "aviation revenue bond account," the title of the account to be specified by ordinance. In fixing the amount or proportion to be set aside for the payment of the

1 principal and interest of the bonds, the fiscal body may provide that the  
2 amount to be set aside and paid into the aviation revenue bond account  
3 for any year or years may not exceed a fixed sum, which sum must be  
4 at least sufficient to provide for the payment of the interest and  
5 principal of the bonds maturing and becoming payable in each year,  
6 together with a surplus or margin of ten percent (10%).

7 (m) If a surplus is accumulated in the operating and maintenance  
8 fund that is equal to the cost of maintaining and operating the building  
9 or facility for the twelve (12) following calendar months, the excess  
10 over the surplus may be transferred by the fiscal body to either the  
11 depreciation account to be used for improvements, extensions, or  
12 additions to property or to the aviation revenue bond account fund, as  
13 the fiscal body designates.

14 (n) If a surplus is created in the aviation revenue bond account in  
15 excess of the interest and principal of bonds, plus ten percent (10%),  
16 becoming payable during the calendar, operating, or fiscal year then  
17 current, together with the amount of interest or principal of bonds  
18 becoming due and payable during the next calendar, operating, or fiscal  
19 year, the fiscal body may transfer the excess over the surplus to either  
20 the operating and maintenance account, or to the depreciation account,  
21 as the fiscal body designates.

22 (o) All money received from bonds issued under this section shall be  
23 applied solely for the purposes listed in subsection (e). There is created  
24 a statutory mortgage lien upon buildings or facilities for which bonds  
25 are issued in favor of the holders of the bonds and of the coupons of the  
26 bonds. The buildings or facilities so constructed, extended, or improved  
27 remain subject to the statutory mortgage lien until payment in full of  
28 the principal and interest of the bonds.

29 (p) A holder of the bonds or of the attached coupons may enforce the  
30 statutory mortgage lien conferred by this section, and may enforce  
31 performance of all duties required by this section of the eligible entity  
32 issuing the bond or of any officer of the entity, including:

33 (1) the making and collecting of reasonable and sufficient rates or  
34 rentals for the use or lease of the buildings or facilities, or part of  
35 them established for the rent, lease, or use of the buildings or  
36 facilities;

37 (2) the segregation of the revenues from the buildings or facilities;  
38 and

1 (3) the application of the respective funds created by this section.

2 (q) If there is a default in the payment of the principal or interest of  
3 any of the bonds, a court having jurisdiction of the action may appoint  
4 an administrator or receiver to administer, manage, or operate the  
5 buildings or facilities on behalf of the entity, and the bondholders, with  
6 power to:

7 (1) charge and collect rates or rentals for the use or lease of the  
8 buildings or facilities sufficient to provide for the payment of the  
9 operating expenses;

10 (2) pay any bonds or obligations outstanding against the buildings  
11 or facilities; and

12 (3) apply the income and revenues thereof in accord with this  
13 section and the ordinance.

14 SECTION 131. IC 8-22-3.5-10 IS AMENDED TO READ AS  
15 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 10. (a) Except in  
16 a county described in section 1(5) of this chapter, if the commission  
17 adopts the provisions of this section by resolution, each taxpayer in the  
18 airport development zone is entitled to an additional credit for ~~property~~  
19 taxes **(as defined in IC 6-1.1-21-2)** that, under IC 6-1.1-22-9, are due  
20 and payable in May and November of that year. One-half (1/2) of the  
21 credit shall be applied to each installment of ~~property~~ taxes **(as defined**  
22 **in IC 6-1.1-21-2)**. This credit equals the amount determined under the  
23 following STEPS for each taxpayer in a taxing district that contains all  
24 or part of the airport development zone:

25 STEP ONE: Determine that part of the sum of the amounts under  
26 IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through  
27 IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

28 STEP TWO: Divide:

29 (A) that part of ~~twenty percent (20%)~~ of the county's ~~total county~~  
30 ~~tax levy payable~~ **eligible property tax replacement amount (as**  
31 **defined in IC 6-1.1-21-2)** for that year as determined under  
32 IC 6-1.1-21-4 that is attributable to the taxing district; by

33 (B) the STEP ONE sum.

34 STEP THREE: Multiply:

35 (A) the STEP TWO quotient; by

36 (B) the total amount of the taxpayer's ~~property~~ taxes **(as defined**  
37 **in IC 6-1.1-21-2)** levied in the taxing district that would have  
38 been allocated to the special funds under section 9 of this chapter

1 had the additional credit described in this section not been given.  
 2 The additional credit reduces the amount of proceeds allocated and  
 3 paid into the special funds under section 9 of this chapter.

4 (b) The additional credit under subsection (a) shall be:

5 (1) computed on an aggregate basis of all taxpayers in a taxing  
 6 district that contains all or part of an airport development zone; and

7 (2) combined on the tax statement sent to each taxpayer.

8 (c) Concurrently with the mailing or other delivery of the tax  
 9 statement or any corrected tax statement to each taxpayer, as required  
 10 by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement  
 11 also deliver to each taxpayer in an airport development zone who is  
 12 entitled to the additional credit under subsection (a) a notice of  
 13 additional credit. The actual dollar amount of the credit, the taxpayer's  
 14 name and address, and the tax statement to which the credit applies  
 15 shall be stated on the notice.

37 SECTION 141. IC 20-14-10-14 IS AMENDED TO READ AS  
38 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 14. All property

owned by a lessor corporation contracting with a public corporation or corporations under this chapter, and all stock and other securities, including the interest or dividends issued by a lessor corporation, are exempt from all state, county, and other taxes, ~~including gross income taxes; but~~ excluding the financial institutions tax and the inheritance taxes. ~~The rental paid to a lessor corporation under the terms of a lease is exempt from gross income tax.~~

SECTION 142. IC 21-5-11-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 14. All property owned by a lessor corporation so contracting with such school corporation or corporations under the provisions of this chapter, and all stock and other securities including the interest or dividends thereon issued by a lessor corporation, shall be exempt from all state, county, and other taxes, ~~including the gross income tax;~~ except, however, the financial institutions tax (IC 6-5.5) and inheritance taxes ~~The rental paid to a lessor corporation under the terms of such a contract of lease shall be exempt from the gross income tax. (IC 6-4.1).~~

SECTION 143. IC 21-2-11.5-3, AS AMENDED BY P.L.90-2002, SECTION 425, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 3. (a) Subject to subsection (b), each school corporation may levy for the calendar year a property tax for the school transportation fund sufficient to pay all operating costs attributable to transportation that:

- (1) are not paid from other revenues available to the fund as specified in section 4 of this chapter; and
- (2) are listed in section 2(a)(1) through 2(a)(7) of this chapter.

(b) ~~For taxes first due and payable in 1996; the property tax levy for the fund may not exceed the amount determined using the following formula:~~

~~STEP ONE: Determine the sum of the expenditures attributable to operating costs listed in section 2(a)(1) through 2(a)(7) of this chapter that were made by the school corporation as determined by the department of local government finance for all operating costs attributable to transportation that are not paid from other revenues available to the fund for school years ending in 1993, 1994, and 1995.~~

~~STEP TWO: Divide the amount determined in STEP ONE by three (3).~~

1 STEP THREE: Determine the greater of:

2 (A) the STEP TWO amount; or

3 (B) the school corporation's actual transportation fund levy  
4 attributable to operating costs for property taxes first due and  
5 payable in 1995.

6 STEP FOUR: Multiply the amount determined in STEP THREE by  
7 one and five-hundredths (1.05).

8 (c) (b) For each year after 1996, 2002, the levy for the fund may not  
9 exceed the levy for the previous year multiplied by the assessed value  
10 growth quotient determined using under STEP FOUR of the  
11 following formula:

12 STEP ONE: Determine the three (3) calendar years that most  
13 immediately precede the ensuing calendar year and in which a  
14 statewide general reassessment of real property does not first  
15 become effective:

16 STEP TWO: Compute separately, for each of the calendar years  
17 determined in STEP ONE, the quotient (rounded to the nearest  
18 ten-thousandth) of the school corporation's total assessed value of  
19 all taxable property in the particular calendar year, divided by the  
20 school corporation's total assessed value of all taxable property in  
21 the calendar year immediately preceding the particular calendar  
22 year:

23 STEP THREE: Divide the sum of the three (3) quotients computed  
24 in STEP TWO by three (3):

25 STEP FOUR: Determine the greater of the result computed in  
26 STEP THREE or one and five-hundredths (1.05):

27 STEP FIVE: Determine the lesser of the result computed in STEP  
28 FOUR or one and one-tenth (1.1):

29 If the assessed values of taxable property used in determining a school  
30 corporation's property taxes that are first due and payable in a  
31 particular calendar year are significantly increased over the assessed  
32 values used for the immediately preceding calendar year's property  
33 taxes due to the settlement of litigation concerning the general  
34 reassessment of that school corporation's real property, then for  
35 purposes of determining that school corporation's assessed value  
36 growth quotient for an ensuing calendar year, the department of local  
37 government finance shall replace the quotient described in STEP TWO  
38 for that particular calendar year. The department of local government

finance shall replace that quotient with one that as accurately as possible will reflect the actual growth in the school corporation's assessed values of real property from the immediately preceding calendar year to that particular calendar year. The maximum property levy limit computed under this section for the school transportation fund shall be reduced to reflect the transfer of costs for operating to the school bus replacement fund under section 2(c) of this chapter. The total reduction in the school transportation fund maximum property tax levy may not exceed the amount of the fair market lease value of the contracted transportation service expenditures paid from the fund before the transfer.

**STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 or IC 6-1.1-17-5.6 for part or all of the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest one-thousandth (0.001).**

**STEP TWO: Determine the sum of the STEP ONE results.**

**STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).**

**STEP FOUR: Determine the lesser of the following:**

**(A) The STEP THREE quotient.**

**(B) One and six hundredths (1.06).**

~~(d)~~ (c) Each school corporation may levy for the calendar year a tax for the school bus replacement fund in accordance with the school bus acquisition plan adopted under section 3.1 of this chapter.

~~(e)~~ (d) The tax rate and levy for each fund shall be established as a part of the annual budget for the calendar year in accord with IC 6-1.1-17.

SECTION 144. IC 21-2-12-6.1, AS AMENDED BY P.L.3-2000, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 6.1. (a) The county supplemental school financing tax revenues shall be deposited in the county supplemental school distribution fund. In addition, for purposes of allocating distributions of tax revenues collected under ~~IC 6-5-10, IC 6-5-11,~~ IC 6-5.5, IC 6-6-5, IC 6-6-5.5, or IC 6-6-6.5, the county supplemental school financing tax shall be treated as if it were property taxes

imposed by a separate taxing unit. Thus, the appropriate portion of those distributions shall be deposited in the county supplemental school distribution fund.

(b) The entitlement of each school corporation from the county supplemental school distribution fund for each calendar year after 2000 shall be the greater of:

(1) the amount of its entitlement for the calendar year 2000 from the tax levied under this chapter; or

 7 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 15. (a) Member  
 8 insurers, which during any preceding calendar year shall have paid one  
 9 (1) or more assessments levied pursuant to section 7 of this chapter,  
 10 shall be allowed a credit against premium taxes, ~~corporate gross~~  
 11 ~~income taxes~~, adjusted gross income taxes, ~~supplemental corporate net~~  
 12 ~~income tax~~, or any combination thereof ~~or similar taxes~~ upon revenue  
 13 or income of member insurers which may be imposed by the state, up  
 14 to twenty percent (20%) of the assessment described in section 7 of this  
 15 chapter for each calendar year following the year the assessment was  
 16 paid until the aggregate of all assessments paid to the guaranty  
 17 association shall have been offset by either credits against such taxes  
 18 or refunds from the association. The provisions herein are applicable  
 19 to all assessments levied after the passage of this article.

20 (b) To the extent a member insurer elects not to utilize the tax credits  
 21 authorized by subsection (a), the member insurer may utilize the  
 22 provisions of ~~this~~ subsection (c) as a secondary method of recoupment.

23 (c) The rates and premiums charged for insurance policies to which  
 24 this chapter applies shall include amounts sufficient to recoup a sum  
 25 equal to the amounts paid to the association by the member insurer less  
 26 any amounts returned to the member insurer by the association and the  
 27 rates shall not be deemed excessive because they contain an amount  
 28 reasonably calculated to recoup assessments paid by the member  
 29 insurer.

30 SECTION 149. IC 27-8-8-16 IS AMENDED TO READ AS  
 31 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 16. Member  
 32 insurers who, during any preceding calendar year, have paid one (1) or  
 33 more assessments levied under this chapter may either:

34 (1) take as a credit against premium taxes, ~~gross income taxes~~,  
 35 adjusted gross income taxes, ~~supplemental corporate net income~~  
 36 ~~tax~~, or any combination of them ~~or similar taxes~~ upon revenue or  
 37 income of member insurers that may be imposed by Indiana up to  
 38 twenty percent (20%) of an assessment described in section 6 of

 2 those assessments were paid until the aggregate of those  
 3 assessments have been offset by either credits against those taxes  
 4 or refunds from the association; or

5 (2) include in the rates and premiums charged for insurance  
 6 policies to which this chapter applies amounts sufficient to recoup  
 7 a sum equal to the amounts paid to the association by the member  
 8 less any amounts returned to the member insurer by the association  
 9 and the rates are not excessive by virtue of including an amount  
 10 reasonably calculated to recoup assessments paid by the member.

11 SECTION 150. IC 27-8-10-2.1 IS AMENDED TO READ AS  
 12 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.1. (a) There is  
 13 established a nonprofit legal entity to be referred to as the Indiana  
 14 comprehensive health insurance association, which must assure that  
 15 health insurance is made available throughout the year to each eligible  
 16 Indiana resident applying to the association for coverage. All carriers,  
 17 health maintenance organizations, limited service health maintenance  
 18 organizations, and self-insurers providing health insurance or health  
 19 care services in Indiana must be members of the association. The  
 20 association shall operate under a plan of operation established and  
 21 approved under subsection (c) and shall exercise its powers through a  
 22 board of directors established under this section.

23 (b) The board of directors of the association consists of seven (7)  
 24 members whose principal residence is in Indiana selected as follows:

25 (1) Three (3) members to be appointed by the commissioner from  
 26 the members of the association, one (1) of which must be a  
 27 representative of a health maintenance organization.

28 (2) Two (2) members to be appointed by the commissioner shall be  
 29 consumers representing policyholders.

30 (3) Two (2) members shall be the state budget director or designee  
 31 and the commissioner of the department of insurance or designee.

32 The commissioner shall appoint the chairman of the board, and the  
 33 board shall elect a secretary from its membership. The term of office  
 34 of each appointed member is three (3) years, subject to eligibility for  
 35 reappointment. Members of the board who are not state employees may  
 36 be reimbursed from the association's funds for expenses incurred in  
 37 attending meetings. The board shall meet at least semiannually, with  
 38 the first meeting to be held not later than May 15 of each year.

1 (c) The association shall submit to the commissioner a plan of  
2 operation for the association and any amendments to the plan necessary  
3 or suitable to assure the fair, reasonable, and equitable administration  
4 of the association. The plan of operation becomes effective upon  
5 approval in writing by the commissioner consistent with the date on  
6 which the coverage under this chapter must be made available. The  
7 commissioner shall, after notice and hearing, approve the plan of  
8 operation if the plan is determined to be suitable to assure the fair,  
9 reasonable, and equitable administration of the association and  
10 provides for the sharing of association losses on an equitable,  
11 proportionate basis among the member carriers, health maintenance  
12 organizations, limited service health maintenance organizations, and  
13 self-insurers. If the association fails to submit a suitable plan of  
14 operation within one hundred eighty (180) days after the appointment  
15 of the board of directors, or at any time thereafter the association fails  
16 to submit suitable amendments to the plan, the commissioner shall  
17 adopt rules under IC 4-22-2 necessary or advisable to implement this  
18 section. These rules are effective until modified by the commissioner  
19 or superseded by a plan submitted by the association and approved by  
20 the commissioner. The plan of operation must:

- 21 (1) establish procedures for the handling and accounting of assets  
22 and money of the association;
- 23 (2) establish the amount and method of reimbursing members of  
24 the board;
- 25 (3) establish regular times and places for meetings of the board of  
26 directors;
- 27 (4) establish procedures for records to be kept of all financial  
28 transactions, and for the annual fiscal reporting to the  
29 commissioner;
- 30 (5) establish procedures whereby selections for the board of  
31 directors will be made and submitted to the commissioner for  
32 approval;
- 33 (6) contain additional provisions necessary or proper for the  
34 execution of the powers and duties of the association; and
- 35 (7) establish procedures for the periodic advertising of the general  
36 availability of the health insurance coverages from the association.

37 (d) The plan of operation may provide that any of the powers and  
38 duties of the association be delegated to a person who will perform

1 functions similar to those of this association. A delegation under this  
2 section takes effect only with the approval of both the board of  
3 directors and the commissioner. The commissioner may not approve a  
4 delegation unless the protections afforded to the insured are  
5 substantially equivalent to or greater than those provided under this  
6 chapter.

7 (e) The association has the general powers and authority enumerated  
8 by this subsection in accordance with the plan of operation approved  
9 by the commissioner under subsection (c). The association has the  
10 general powers and authority granted under the laws of Indiana to  
11 carriers licensed to transact the kinds of health care services or health  
12 insurance described in section 1 of this chapter and also has the  
13 specific authority to do the following:

14 (1) Enter into contracts as are necessary or proper to carry out this  
15 chapter, subject to the approval of the commissioner.

16 (2) Sue or be sued, including taking any legal actions necessary or  
17 proper for recovery of any assessments for, on behalf of, or against  
18 participating carriers.

19 (3) Take legal action necessary to avoid the payment of improper  
20 claims against the association or the coverage provided by or  
21 through the association.

22 (4) Establish a medical review committee to determine the  
23 reasonably appropriate level and extent of health care services in  
24 each instance.

25 (5) Establish appropriate rates, scales of rates, rate classifications  
26 and rating adjustments, such rates not to be unreasonable in  
27 relation to the coverage provided and the reasonable operational  
28 expenses of the association.

29 (6) Pool risks among members.

30 (7) Issue policies of insurance on an indemnity or provision of  
31 service basis providing the coverage required by this chapter.

32 (8) Administer separate pools, separate accounts, or other plans or  
33 arrangements considered appropriate for separate members or  
34 groups of members.

35 (9) Operate and administer any combination of plans, pools, or  
36 other mechanisms considered appropriate to best accomplish the  
37 fair and equitable operation of the association.

38 (10) Appoint from among members appropriate legal, actuarial,

1 and other committees as necessary to provide technical assistance  
 2 in the operation of the association, policy and other contract  
 3 design, and any other function within the authority of the  
 4 association.

5 (11) Hire an independent consultant.

6 (12) Develop a method of advising applicants of the availability of  
 7 other coverages outside the association and may promulgate a list  
 8 of health conditions the existence of which would deem an  
 9 applicant eligible without demonstrating a rejection of coverage by  
 10 one (1) carrier.

11 (13) Provide for the use of managed care plans for insureds,  
 12 including the use of:

13 (A) health maintenance organizations; and

14 (B) preferred provider plans.

15 (14) Solicit bids directly from providers for coverage under this  
 16 chapter.

17 (f) Rates for coverages issued by the association may not be  
 18 unreasonable in relation to the benefits provided, the risk experience,  
 19 and the reasonable expenses of providing the coverage. Separate scales  
 20 of premium rates based on age apply for individual risks. Premium  
 21 rates must take into consideration the extra morbidity and  
 22 administration expenses, if any, for risks insured in the association. The  
 23 rates for a given classification may not be more than one hundred fifty  
 24 percent (150%) of the average premium rate for that class charged by  
 25 the five (5) carriers with the largest premium volume in the state during  
 26 the preceding calendar year. In determining the average rate of the five  
 27 (5) largest carriers, the rates charged by the carriers shall be actuarially  
 28 adjusted to determine the rate that would have been charged for  
 29 benefits identical to those issued by the association. All rates adopted  
 30 by the association must be submitted to the commissioner for approval.

31 (g) Following the close of the association's fiscal year, the association  
 32 shall determine the net premiums, the expenses of administration, and  
 33 the incurred losses for the year. Any net loss shall be assessed by the  
 34 association to all members in proportion to their respective shares of  
 35 total health insurance premiums, excluding premiums for Medicaid  
 36 contracts with the state of Indiana, received in Indiana during the  
 37 calendar year (or with paid losses in the year) coinciding with or ending  
 38 during the fiscal year of the association or any other equitable basis as

1 may be provided in the plan of operation. For self-insurers, health  
 2 maintenance organizations, and limited service health maintenance  
 3 organizations that are members of the association, the proportionate  
 4 share of losses must be determined through the application of an  
 5 equitable formula based upon claims paid, excluding claims for  
 6 Medicaid contracts with the state of Indiana, or the value of services  
 7 provided. In sharing losses, the association may abate or defer in any  
 8 part the assessment of a member, if, in the opinion of the board,  
 9 payment of the assessment would endanger the ability of the member  
 10 to fulfill its contractual obligations. The association may also provide  
 11 for interim assessments against members of the association if necessary  
 12 to assure the financial capability of the association to meet the incurred  
 13 or estimated claims expenses or operating expenses of the association  
 14 until the association's next fiscal year is completed. Net gains, if any,  
 15 must be held at interest to offset future losses or allocated to reduce  
 16 future premiums. Assessments must be determined by the board  
 17 members specified in subsection (b)(1), subject to final approval by the  
 18 commissioner.

19 (h) The association shall conduct periodic audits to assure the general  
 20 accuracy of the financial data submitted to the association, and the  
 21 association shall have an annual audit of its operations by an  
 22 independent certified public accountant.

23 (i) The association is subject to examination by the department of  
 24 insurance under IC 27-1-3.1. The board of directors shall submit, not  
 25 later than March 30 of each year, a financial report for the preceding  
 26 calendar year in a form approved by the commissioner.

27 (j) All policy forms issued by the association must conform in  
 28 substance to prototype forms developed by the association, must in all  
 29 other respects conform to the requirements of this chapter, and must be  
 30 filed with and approved by the commissioner before their use.

31 (k) The association may not issue an association policy to any  
 32 individual who, on the effective date of the coverage applied for, does  
 33 not meet the eligibility requirements of section 5.1 of this chapter.

34 (l) The association shall pay an agent's referral fee of twenty-five  
 35 dollars (\$25) to each insurance agent who refers an applicant to the  
 36 association if that applicant is accepted.

37 (m) The association and the premium collected by the association  
 38 shall be exempt from the premium tax, ~~the gross income tax~~, the

1 adjusted gross income tax, ~~supplemental corporate net income~~, or any  
 2 combination of these ~~or similar taxes~~ upon revenues or income that  
 3 may be imposed by the state.

4 (n) Members who after July 1, 1983, during any calendar year, have  
 5 paid one (1) or more assessments levied under this chapter may either:

6 (1) take a credit against premium taxes, ~~gross income taxes~~,  
 7 adjusted gross income taxes, ~~supplemental corporate net income~~  
 8 ~~taxes~~, or any combination of these, or similar taxes upon revenues  
 9 or income of member insurers that may be imposed by the state, up  
 10 to the amount of the taxes due for each calendar year in which the  
 11 assessments were paid and for succeeding years until the aggregate  
 12 of those assessments have been offset by either credits against  
 13 those taxes or refunds from the association; or

14 (2) any member insurer may include in the rates for premiums  
 15 charged for insurance policies to which this chapter applies  
 16 amounts sufficient to recoup a sum equal to the amounts paid to  
 17 the association by the member less any amounts returned to the  
 18 member insurer by the association, and the rates shall not be  
 19 deemed excessive by virtue of including an amount reasonably  
 20 calculated to recoup assessments paid by the member.

21 (o) The association shall provide for the option of monthly collection  
 22 of premiums.

23 SECTION 151. IC 27-13-18-2 IS AMENDED TO READ AS  
 24 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) If for any  
 25 reason the plan of the health maintenance organization under  
 26 IC 27-13-16 does not provide for continuation of benefits as required  
 27 by IC 27-13-16-1, the liquidator shall assess, or cause to be assessed,  
 28 each licensed health maintenance organization doing business in  
 29 Indiana. The amount that each licensed health maintenance  
 30 organization is assessed must be based on the ratio of the amount of all  
 31 subscriber premiums received by the health maintenance organization  
 32 for contracts issued in Indiana for the previous calendar year to the  
 33 amount of the total subscriber premiums received by all licensed health  
 34 maintenance organizations for contracts issued in Indiana for the  
 35 previous calendar year.

36 (b) The total assessments of health maintenance organizations under  
 37 subsection (a) must equal an amount sufficient to provide for  
 38 continuation of benefits as required by IC 27-13-16-1 to enrollees

covered under contracts issued by the health maintenance organization to subscribers located in Indiana, and to pay administrative expenses.

(c) The total amount of all assessments to be paid by a health maintenance organization in any one (1) calendar year may not exceed one percent (1%) of the premiums received by the health maintenance organization from business in Indiana during the calendar year preceding the assessment.

(d) If the total amount of all assessments in any one (1) calendar year does not provide an amount sufficient to meet the requirements of subsection (a), additional funds must be assessed in succeeding calendar years.

(e) Health maintenance organizations that, during any preceding calendar year, have paid one (1) or more assessments levied under this section may either:

(1) take as a credit against ~~gross income taxes~~, adjusted gross income taxes ~~supplemental corporate net income taxes, or any combination of these~~, or similar taxes upon revenue or income of health maintenance organizations that may be imposed by Indiana up to twenty percent (20%) of any assessment described in this section for each calendar year following the year in which those assessments were paid until the aggregate of those assessments have been offset; or

(2) include in the premiums charged for coverage to which this article applies amounts sufficient to recoup a sum equal to the amounts paid in assessments as long as the premiums are not excessive by virtue of including an amount reasonably calculated to recoup assessments paid by the health maintenance organization.

SECTION 152. IC 29-3-3-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 3. Except as otherwise determined in a dissolution of marriage proceeding, a custody proceeding, or in some other proceeding authorized by law, including a proceeding under section 6 of this chapter or another proceeding under this article, and unless a minor is married, the parents of the minor jointly (or the survivor if one (1) parent is deceased), if not an incapacitated person, have, without the appointment of a guardian, giving of bond, or order or confirmation of court, the right to custody of the person of the minor and the power to execute the following on

1       behalf of the minor:

- 2           (1) Consent to the application of subsection (c) of Section 2032A
- 3           of the Internal Revenue Code, which imposes personal liability for
- 4           payment of the tax under that Section.
- 5           (2) Consent to the application of Section 6324A of the Internal
- 6           Revenue Code, which attaches a lien to property to secure payment
- 7           of taxes deferred under Section 6166 of the Internal Revenue Code.
- 8           (3) Any other consents, waivers, or powers of attorney provided for
- 9           under the Internal Revenue Code.
- 10          (4) Waivers of notice permissible with reference to proceedings
- 11          under IC 29-1.
- 12          (5) Consents, waivers of notice, or powers of attorney under any
- 13          statute, including the Indiana inheritance tax law (IC 6-4.1) ~~the~~
- 14          ~~Indiana gross income tax law (IC 6-2.1);~~ and the Indiana adjusted
- 15          gross income tax law (IC 6-3).
- 16          (6) Consent to unsupervised administration as provided in
- 17          IC 29-1-7.5.
- 18          (7) Federal and state income tax returns.

- 20          advice for the minor's health and welfare.

21       SECTION 153. IC 32-25-4-4, AS ADDED BY P.L.2-2002,  
 22       SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 23       JANUARY 1, 2003]: Sec. 4. (a) Except as provided in subsection (d)  
 24       or (e), the co-owners are bound to contribute pro rata, in the  
 25       percentages computed under section 3 of this chapter, toward:

- 26           (1) the expenses of administration and of maintenance and repair
- 27           of the general common areas and facilities and, in the proper case,
- 28           of the limited common areas and facilities of the building; and
- 29           (2) any other expense lawfully agreed upon.

30       (b) A co-owner may not exempt the co-owner from contributing  
 31       toward the expenses referred to in subsection (a) by:

- 32           (1) waiver of the use or enjoyment of the common areas and
- 33           facilities; or
- 34           (2) abandonment of the condominium unit belonging to the
- 35           co-owner.

36       (c) All sums assessed by the association of co-owners shall be  
 37       established by using generally accepted accounting principles applied  
 38       on a consistent basis and shall include the establishment and

1 maintenance of a replacement reserve fund. The replacement reserve  
 2 fund may be used for capital expenditures and replacement and repair  
 3 of the common areas and facilities and may not be used for usual and  
 4 ordinary repair expenses of the common areas and facilities. The fund  
 5 shall be:

6 (1) maintained in a separate interest bearing account with a bank  
 7 or savings association authorized to conduct business in the county  
 8 in which the condominium is established; or

9 (2) invested in the same manner and in the same types of  
 10 investments in which the funds of a political subdivision may be  
 11 invested:

12 (A) under IC 5-13-9; or

13 (B) as otherwise provided by law.

14 Assessments collected for contributions to the fund are not subject to  
 15 ~~gross income tax~~ or adjusted gross income tax.

16 (d) If permitted by the declaration, the declarant or a developer (or  
 17 a successor in interest of either) that is a co-owner of unoccupied  
 18 condominium units offered for the first time for sale is excused from  
 19 contributing toward the expenses referred to in subsection (a) for those  
 20 units for a period that:

21 (1) is stated in the declaration;

22 (2) begins on the day that the declaration is recorded; and

23 (3) terminates no later than the first day of the twenty-fourth  
 24 calendar month following the month in which the closing of the  
 25 sale of the first condominium unit occurs.

26 However, if the expenses referred to in subsection (a) incurred by the  
 27 declarant, developer, or successor during the period referred to in this  
 28 subsection exceed the amount assessed against the other co-owners, the  
 29 declarant, developer, or successor shall pay the amount by which the  
 30 expenses incurred by the declarant, developer, or successor exceed the  
 31 expenses assessed against the other co-owners.

32 (e) If the declaration does not contain the provisions referred to in  
 33 subsection (d), the declarant or a developer (or a successor in interest  
 34 of either) that is a co-owner of unoccupied condominium units offered  
 35 for the first time for sale is excused from contributing toward the  
 36 expenses referred to in subsection (a) for those units for a stated period  
 37 if the declarant, developer, or successor:

38 (1) has guaranteed to each purchaser in the purchase contract, the

1 declaration, or the prospectus, or by an agreement with a majority  
 2 of the other co-owners that the assessment for those expenses will  
 3 not increase over a stated amount during the stated period; and  
 4 (2) has obligated itself to pay the amount by which those expenses  
 5 incurred during the stated period exceed the assessments at the  
 6 guaranteed level under subdivision (1) receivable during the stated  
 7 period from the other co-owners.

8 SECTION 154. IC 34-6-2-20 IS AMENDED TO READ AS  
 9 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 20. "Charitable  
 10 entity", for purposes of IC 34-30-5, means any entity exempted from

 12 **IC 6-2.5-5-21(b)(1)(B).**

13 SECTION 155. IC 36-7-13-3.8 IS AMENDED TO READ AS  
 14 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 3.8. As used in

 16 any of the following:

- 17 ~~(1) IC 6-2.1 (the gross income tax);~~
- 18 ~~(2) (1) IC 6-3-1 through IC 6-3-7 (the adjusted gross income tax).~~

23 SECTION 156. IC 36-7-13-15, AS AMENDED BY P.L.174-2001,  
 24 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 25 JANUARY 1, 2003]: Sec. 15. (a) If an advisory commission on  
 26 industrial development designates a district under this chapter or the  
 27 legislative body of a county or municipality adopts an ordinance  
 28 designating a district under section 10.5 of this chapter, the treasurer  
 29 of state shall establish an incremental tax financing fund for the county.  
 30 The fund shall be administered by the treasurer of state. Money in the  
 31 fund does not revert to the state general fund at the end of a state fiscal  
 32 year.

33 (b) Subject to subsection (c), the following amounts shall be  
 34 deposited during each state fiscal year in the incremental tax financing  
 35 fund established for the county under subsection (a):

- 36 (1) The aggregate amount of state gross retail and use taxes that are  
 37 remitted under IC 6-2.5 by businesses operating in the district,  
 38 until the amount of state gross retail and use taxes deposited equals

1 the gross retail incremental amount for the district.

2 (2) The aggregate amount of state and local income taxes paid by  
3 employees employed in the district with respect to wages earned  
4 for work in the district, until the amount of state and local income  
5 taxes deposited equals the income tax incremental amount.

6 (c) The aggregate amount of revenues that is:

7 (1) attributable to:

8 (A) the state gross retail and use taxes established under  
9 IC 6-2.5; **and**

10 ~~(B) the gross income tax established under IC 6-2.1;~~

11 ~~(C) (B) the adjusted gross income tax established under IC 6-3-1~~  
12 ~~through IC 6-3-7; and~~

13 ~~(D) the supplemental net income tax established under IC 6-3-8;~~  
14 ~~and~~

15 (2) deposited during any state fiscal year in each incremental tax  
16 financing fund established for a county;

17 may not exceed one million dollars (\$1,000,000) per county.

19 in the incremental tax financing fund established for a county shall be  
20 distributed to the district's advisory commission on industrial  
21 development for deposit in the industrial development fund of the unit  
22 that requested designation of the district.

23 SECTION 157. IC 36-7-14-37 IS AMENDED TO READ AS  
24 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 37. (a) Real  
25 property acquired by the redevelopment district is exempt from  
26 taxation while owned by the district.

27 (b) All receipts of the department of redevelopment, including  
28 receipts from the sale of real property, personal property, and materials  
29 disposed of, are exempt from all taxes. ~~including the gross income tax.~~

30 (c) All other property of the department of redevelopment is exempt  
31 from taxation.

32 SECTION 158. IC 36-7-14-39, AS AMENDED BY P.L.90-2002,  
33 SECTION 476, IS AMENDED TO READ AS FOLLOWS  
34 [EFFECTIVE JANUARY 1, 2003]: Sec. 39. (a) As used in this section:

35 "Allocation area" means that part of a blighted area to which an  
36 allocation provision of a declaratory resolution adopted under section  
37 15 of this chapter refers for purposes of distribution and allocation of  
38 property taxes.

- 1 "Base assessed value" means the following:
- 2 (1) If an allocation provision is adopted after June 30, 1995, in a
- 3 declaratory resolution or an amendment to a declaratory resolution
- 4 establishing an economic development area:
- 5 (A) the net assessed value of all the property as finally
- 6 determined for the assessment date immediately preceding the
- 7 effective date of the allocation provision of the declaratory
- 8 resolution, as adjusted under subsection (h); plus
- 9 (B) to the extent that it is not included in clause (A), the net
- 10 assessed value of property that is assessed as residential property
- 11 under the rules of the department of local government finance,
- 12 as finally determined for any assessment date after the effective
- 13 date of the allocation provision.
- 14 (2) If an allocation provision is adopted after June 30, 1997, in a
- 15 declaratory resolution or an amendment to a declaratory resolution
- 16 establishing a blighted area:
- 17 (A) the net assessed value of all the property as finally
- 18 determined for the assessment date immediately preceding the
- 19 effective date of the allocation provision of the declaratory
- 20 resolution, as adjusted under subsection (h); plus
- 21 (B) to the extent that it is not included in clause (A), the net
- 22 assessed value of property that is assessed as residential property
- 23 under the rules of the department of local government finance,
- 24 as finally determined for any assessment date after the effective
- 25 date of the allocation provision.
- 26 (3) If:
- 27 (A) an allocation provision adopted before June 30, 1995, in a
- 28 declaratory resolution or an amendment to a declaratory
- 29 resolution establishing a blighted area expires after June 30,
- 30 1997; and
- 31 (B) after June 30, 1997, a new allocation provision is included
- 32 in an amendment to the declaratory resolution;
- 33 the net assessed value of all the property as finally determined for
- 34 the assessment date immediately preceding the effective date of the
- 35 allocation provision adopted after June 30, 1997, as adjusted under
- 36 subsection (h).
- 37 (4) Except as provided in subdivision (5), for all other allocation
- 38 areas, the net assessed value of all the property as finally

1 determined for the assessment date immediately preceding the  
2 effective date of the allocation provision of the declaratory  
3 resolution, as adjusted under subsection (h).

4 (5) If an allocation area established in an economic development  
5 area before July 1, 1995, is expanded after June 30, 1995, the  
6 definition in subdivision (1) applies to the expanded portion of the  
7 area added after June 30, 1995.

8 (6) If an allocation area established in a blighted area before July  
9 1, 1997, is expanded after June 30, 1997, the definition in  
10 subdivision (2) applies to the expanded portion of the area added  
11 after June 30, 1997.

12 Except as provided in section 39.3 of this chapter, "property taxes"  
13 means taxes imposed under IC 6-1.1 on real property. However, upon  
14 approval by a resolution of the redevelopment commission adopted  
15 before June 1, 1987, "property taxes" also includes taxes imposed  
16 under IC 6-1.1 on depreciable personal property. If a redevelopment  
17 commission adopted before June 1, 1987, a resolution to include within  
18 the definition of property taxes taxes imposed under IC 6-1.1 on  
19 depreciable personal property that has a useful life in excess of eight  
20 (8) years, the commission may by resolution determine the percentage  
21 of taxes imposed under IC 6-1.1 on all depreciable personal property  
22 that will be included within the definition of property taxes. However,  
23 the percentage included must not exceed twenty-five percent (25%) of  
24 the taxes imposed under IC 6-1.1 on all depreciable personal property.

25 (b) A declaratory resolution adopted under section 15 of this chapter  
26 before January 1, 2006, may include a provision with respect to the  
27 allocation and distribution of property taxes for the purposes and in the  
28 manner provided in this section. A declaratory resolution previously  
29 adopted may include an allocation provision by the amendment of that  
30 declaratory resolution before January 1, 2006, in accordance with the  
31 procedures required for its original adoption. A declaratory resolution  
32 or an amendment that establishes an allocation provision after June 30,  
33 1995, must specify an expiration date for the allocation provision that  
34 may not be more than thirty (30) years after the date on which the  
35 allocation provision is established. However, if bonds or other  
36 obligations that were scheduled when issued to mature before the  
37 specified expiration date and that are payable only from allocated tax  
38 proceeds with respect to the allocation area remain outstanding as of

the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements in or serving that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this

- 1 chapter.
- 2 (G) Reimburse the unit for expenditures made by it for local
- 3 public improvements (which include buildings, parking
- 4 facilities, and other items described in section 25.1(a) of this
- 5 chapter) in or serving that allocation area.
- 6 (H) Reimburse the unit for rentals paid by it for a building or
- 7 parking facility in or serving that allocation area under any lease
- 8 entered into under IC 36-1-10.
- 9 (I) Pay all or a portion of a property tax replacement credit to
- 10 taxpayers in an allocation area as determined by the
- 11 redevelopment commission. This credit equals the amount
- 12 determined under the following STEPS for each taxpayer in a
- 13 taxing district (as defined in IC 6-1.1-1-20) that contains all or
- 14 part of the allocation area:
- 15 STEP ONE: Determine that part of the sum of the amounts under
- 16 IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),
- 17 IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable
- 18 to the taxing district.
- 19 STEP TWO: Divide:
- 20 (A) that part of ~~twenty percent (20%)~~ of each county's ~~total~~
- 21 ~~county tax levy payable~~ **eligible property tax replacement**
- 22 **amount (as defined in IC 6-1.1-21-2)** for that year as
- 23 determined under IC 6-1.1-21-4 that is attributable to the
- 24 taxing district; by
- 25 (B) the STEP ONE sum.
- 26 STEP THREE: Multiply:
- 27 (A) the STEP TWO quotient; times
- 28 (B) the total amount of the taxpayer's ~~property~~ taxes (**as**
- 29 **defined in IC 6-1.1-21-2**) levied in the taxing district that
- 30 have been allocated during that year to an allocation fund
- 31 under this section.
- 32 If not all the taxpayers in an allocation area receive the credit in
- 33 full, each taxpayer in the allocation area is entitled to receive the
- 34 same proportion of the credit. A taxpayer may not receive a
- 35 credit under this section and a credit under section 39.5 of this
- 36 chapter in the same year.
- 37 (J) Pay expenses incurred by the redevelopment commission for
- 38 local public improvements that are in the allocation area or

1 serving the allocation area. Public improvements include  
 2 buildings, parking facilities, and other items described in section  
 3 25.1(a) of this chapter.

4 (K) Reimburse public and private entities for expenses incurred  
 5 in training employees of industrial facilities that are located:

6 (i) in the allocation area; and

7 (ii) on a parcel of real property that has been classified as  
 8 industrial property under the rules of the department of local  
 9 government finance.

10 However, the total amount of money spent for this purpose in  
 11 any year may not exceed the total amount of money in the  
 12 allocation fund that is attributable to property taxes paid by the  
 13 industrial facilities described in this clause. The reimbursements  
 14 under this clause must be made within three (3) years after the  
 15 date on which the investments that are the basis for the  
 16 increment financing are made.

17 The allocation fund may not be used for operating expenses of the  
 18 commission.

19 (3) Except as provided in subsection (g), before July 15 of each  
 20 year the commission shall do the following:

21 (A) Determine the amount, if any, by which the base assessed  
 22 value when multiplied by the estimated tax rate of the allocation  
 23 area will exceed the amount of assessed value needed to produce  
 24 the property taxes necessary to make, when due, principal and  
 25 interest payments on bonds described in subdivision (2) plus the  
 26 amount necessary for other purposes described in subdivision  
 27 (2).

28 (B) Notify the county auditor of the amount, if any, of the  
 29 amount of excess assessed value that the commission has  
 30 determined may be allocated to the respective taxing units in the  
 31 manner prescribed in subdivision (1). The commission may not  
 32 authorize an allocation of assessed value to the respective taxing  
 33 units under this subdivision if to do so would endanger the  
 34 interests of the holders of bonds described in subdivision (2) or  
 35 lessors under section 25.3 of this chapter.

36 (c) For the purpose of allocating taxes levied by or for any taxing unit  
 37 or units, the assessed value of taxable property in a territory in the  
 38 allocation area that is annexed by any taxing unit after the effective

1 date of the allocation provision of the declaratory resolution is the  
2 lesser of:

- 3 (1) the assessed value of the property for the assessment date with  
4 respect to which the allocation and distribution is made; or  
5 (2) the base assessed value.

6 (d) Property tax proceeds allocable to the redevelopment district  
7 under subsection (b)(2) may, subject to subsection (b)(3), be  
8 irrevocably pledged by the redevelopment district for payment as set  
9 forth in subsection (b)(2).

10 (e) Notwithstanding any other law, each assessor shall, upon petition  
11 of the redevelopment commission, reassess the taxable property  
12 situated upon or in, or added to, the allocation area, effective on the  
13 next assessment date after the petition.

14 (f) Notwithstanding any other law, the assessed value of all taxable  
15 property in the allocation area, for purposes of tax limitation, property  
16 tax replacement, and formulation of the budget, tax rate, and tax levy  
17 for each political subdivision in which the property is located is the  
18 lesser of:

- 19 (1) the assessed value of the property as valued without regard to  
20 this section; or  
21 (2) the base assessed value.

22 (g) If any part of the allocation area is located in an enterprise zone  
23 created under IC 4-4-6.1, the unit that designated the allocation area  
24 shall create funds as specified in this subsection. A unit that has  
25 obligations, bonds, or leases payable from allocated tax proceeds under  
26 subsection (b)(2) shall establish an allocation fund for the purposes  
27 specified in subsection (b)(2) and a special zone fund. Such a unit  
28 shall, until the end of the enterprise zone phase out period, deposit each  
29 year in the special zone fund any amount in the allocation fund derived  
30 from property tax proceeds in excess of those described in subsection  
31 (b)(1) from property located in the enterprise zone that exceeds the  
32 amount sufficient for the purposes specified in subsection (b)(2) for the  
33 year. The amount sufficient for purposes specified in subsection (b)(2)  
34 for the year shall be determined based on the pro rata portion of such  
35 current property tax proceeds from the portion of the enterprise zone  
36 that is within the allocation area as compared to all such current  
37 property tax proceeds derived from the allocation area. A unit that has  
38 no obligations, bonds, or leases payable from allocated tax proceeds

1 under subsection (b)(2) shall establish a special zone fund and deposit  
 2 all the property tax proceeds in excess of those described in subsection  
 3 (b)(1) in the fund derived from property tax proceeds in excess of those  
 4 described in subsection (b)(1) from property located in the enterprise  
 5 zone. The unit that creates the special zone fund shall use the fund  
 6 (based on the recommendations of the urban enterprise association) for  
 7 programs in job training, job enrichment, and basic skill development  
 8 that are designed to benefit residents and employers in the enterprise  
 9 zone or other purposes specified in subsection (b)(2), except that where  
 10 reference is made in subsection (b)(2) to allocation area it shall refer  
 11 for purposes of payments from the special zone fund only to that  
 12 portion of the allocation area that is also located in the enterprise zone.  
 13 Those programs shall reserve at least one-half (1/2) of their enrollment  
 14 in any session for residents of the enterprise zone.

15 (h) The state board of accounts and department of local government  
 16 finance shall make the rules and prescribe the forms and procedures  
 17 that they consider expedient for the implementation of this chapter.  
 18 After each general reassessment under IC 6-1.1-4, the department of  
 19 local government finance shall adjust the base assessed value one (1)  
 20 time to neutralize any effect of the general reassessment on the  
 21 property tax proceeds allocated to the redevelopment district under this  
 22 section. However, the adjustment may not include the effect of property  
 23 tax abatements under IC 6-1.1-12.1, and the adjustment may not  
 24 produce less property tax proceeds allocable to the redevelopment  
 25 district under subsection (b)(2) than would otherwise have been  
 26 received if the general reassessment had not occurred. The department  
 27 of local government finance may prescribe procedures for county and  
 28 township officials to follow to assist the department in making the  
 29 adjustments.

30 SECTION 159. IC 36-7-14-39.5 IS AMENDED TO READ AS  
 31 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 39.5. (a) As used  
 32 in this section, "allocation area" has the meaning set forth in section 39  
 33 of this chapter.

34 (b) As used in this section, "taxing district" has the meaning set forth  
 35 in IC 6-1.1-1-20.

36 (c) Subject to subsection (e), each taxpayer in an allocation area is  
 37 entitled to an additional credit for ~~property~~ taxes **(as defined in**  
 38 **IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable in May

1 and November of that year. One-half (1/2) of the credit shall be applied  
 2 to each installment of ~~property~~ taxes **(as defined in IC 6-1.1-21-2)**.  
 3 This credit equals the amount determined under the following STEPS  
 4 for each taxpayer in a taxing district that contains all or part of the  
 5 allocation area:

6 STEP ONE: Determine that part of the sum of the amounts under  
 7 IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),  
 8 IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to  
 9 the taxing district.

10 STEP TWO: Divide:

11 (A) that part of ~~twenty percent (20%)~~ of each county's ~~total~~  
 12 ~~county tax levy payable~~ **eligible property tax replacement**  
 13 **amount (as defined in IC 6-1.1-21-2)** for that year as  
 14 determined under IC 6-1.1-21-4 that is attributable to the taxing  
 15 district; by

16 (B) the STEP ONE sum.

17 STEP THREE: Multiply:

18 (A) the STEP TWO quotient; times

19 (B) the total amount of the taxpayer's ~~property~~ taxes **(as defined**  
 20 **in IC 6-1.1-21-2)** levied in the taxing district that would have  
 21 been allocated to an allocation fund under section 39 of this  
 22 chapter had the additional credit described in this section not  
 23 been given.

24 The additional credit reduces the amount of proceeds allocated to the  
 25 redevelopment district and paid into an allocation fund under section  
 26 39(b)(2) of this chapter.

27 (d) If the additional credit under subsection (c) is not reduced under  
 28 subsection (e) or (f), the credit for property tax replacement under  
 29 IC 6-1.1-21-5 and the additional credit under subsection (c) shall be  
 30 computed on an aggregate basis for all taxpayers in a taxing district  
 31 that contains all or part of an allocation area. The credit for property tax  
 32 replacement under IC 6-1.1-21-5 and the additional credit under  
 33 subsection (c) shall be combined on the tax statements sent to each  
 34 taxpayer.

35 (e) Upon the recommendation of the redevelopment commission, the  
 36 municipal legislative body (in the case of a redevelopment commission  
 37 established by a municipality) or the county executive (in the case of  
 38 a redevelopment commission established by a county) may, by

1 resolution, provide that the additional credit described in subsection  
2 (c):

- 3 (1) does not apply in a specified allocation area; or
- 4 (2) is to be reduced by a uniform percentage for all taxpayers in a  
5 specified allocation area.

6 (f) Whenever the municipal legislative body or county executive  
7 determines that granting the full additional credit under subsection (c)  
8 would adversely affect the interests of the holders of bonds or other  
9 contractual obligations that are payable from allocated tax proceeds in  
10 that allocation area in a way that would create a reasonable expectation  
11 that those bonds or other contractual obligations would not be paid  
12 when due, the municipal legislative body or county executive must  
13 adopt a resolution under subsection (e) to deny the additional credit or  
14 reduce it to a level that creates a reasonable expectation that the bonds  
15 or other obligations will be paid when due. A resolution adopted under  
16 subsection (e) denies or reduces the additional credit for property taxes  
17 first due and payable in the allocation area in any year following the  
18 year in which the resolution is adopted.

19 (g) A resolution adopted under subsection (e) remains in effect until  
20 it is rescinded by the body that originally adopted it. However, a  
21 resolution may not be rescinded if the rescission would adversely affect  
22 the interests of the holders of bonds or other obligations that are  
23 payable from allocated tax proceeds in that allocation area in a way that  
24 would create a reasonable expectation that the principal of or interest  
25 on the bonds or other obligations would not be paid when due. If a  
26 resolution is rescinded and no other resolution is adopted, the  
27 additional credit described in subsection (c) applies to property taxes  
28 first due and payable in the allocation area in each year following the  
29 year in which the resolution is rescinded.

30 SECTION 160. IC 36-7-14.5-12.5, AS AMENDED BY P.L.90-2002,  
31 SECTION 477, IS AMENDED TO READ AS FOLLOWS  
32 [EFFECTIVE JANUARY 1, 2003]: Sec. 12.5. (a) This section applies  
33 only to an authority in a county having a United States government  
34 military base that is scheduled for closing or is completely or partially  
35 inactive or closed.

36 (b) In order to accomplish the purposes set forth in section 11(b) of  
37 this chapter, an authority may create an economic development area:

- 38 (1) by following the procedures set forth in IC 36-7-14-41 for the

1 establishment of an economic development area by a  
 2 redevelopment commission; and

3 (2) with the same effect as if the economic development area was  
 4 created by a redevelopment commission.

5 However, an authority may not include in an economic development  
 6 area created under this section any area that was declared a blighted  
 7 area, an urban renewal area, or an economic development area under  
 8 IC 36-7-14.

9 (c) In order to accomplish the purposes set forth in section 11(b) of  
 10 this chapter, an authority may do the following in a manner that serves  
 11 an economic development area created under this section:

12 (1) Acquire by purchase, exchange, gift, grant, condemnation, or  
 13 lease, or any combination of methods, any personal property or  
 14 interest in real property needed for the redevelopment of economic

 16 unit.

17 (2) Hold, use, sell (by conveyance by deed, land sale contract, or  
 18 other instrument), exchange, lease, rent, or otherwise dispose of  
 19 property acquired for use in the redevelopment of economic  
 20 development areas on the terms and conditions that the authority  
 21 considers best for the unit and the unit's inhabitants.

22 (3) Sell, lease, or grant interests in all or part of the real property  
 23 acquired for redevelopment purposes to any other department of  
 24 the unit or to any other governmental agency for public ways,  
 25 levees, sewerage, parks, playgrounds, schools, and other public  
 26 purposes on any terms that may be agreed on.

27 (4) Clear real property acquired for redevelopment purposes.

28 (5) Repair and maintain structures acquired for redevelopment  
 29 purposes.

30 (6) Remodel, rebuild, enlarge, or make major structural  
 31 improvements on structures acquired for redevelopment purposes.

32 (7) Survey or examine any land to determine whether the land  
 33 should be included within an economic development area to be  
 34 acquired for redevelopment purposes and to determine the value  
 35 of that land.

36 (8) Appear before any other department or agency of the unit, or  
 37 before any other governmental agency in respect to any matter  
 38 affecting:

- 1 (A) real property acquired or being acquired for redevelopment  
2 purposes; or  
3 (B) any economic development area within the jurisdiction of the  
4 authority.
- 5 (9) Institute or defend in the name of the unit any civil action, but  
6 all actions against the authority must be brought in the circuit or  
7 superior court of the county where the authority is located.
- 8 (10) Use any legal or equitable remedy that is necessary or  
9 considered proper to protect and enforce the rights of and perform  
10 the duties of the authority.
- 11 (11) Exercise the power of eminent domain in the name of and  
12 within the corporate boundaries of the unit subject to the same  
13 conditions and procedures that apply to the exercise of the power  
14 of eminent domain by a redevelopment commission under  
15 IC 36-7-14.
- 16 (12) Appoint an executive director, appraisers, real estate experts,  
17 engineers, architects, surveyors, and attorneys.
- 18 (13) Appoint clerks, guards, laborers, and other employees the  
19 authority considers advisable, except that those appointments must  
20 be made in accordance with the merit system of the unit if such a  
21 system exists.
- 22 (14) Prescribe the duties and regulate the compensation of  
23 employees of the authority.
- 24 (15) Provide a pension and retirement system for employees of the  
25 authority by using the public employees' retirement fund or a  
26 retirement plan approved by the United States Department of  
27 Housing and Urban Development.
- 28 (16) Discharge and appoint successors to employees of the  
29 authority subject to subdivision (13).
- 30 (17) Rent offices for use of the department or authority, or accept  
31 the use of offices furnished by the unit.
- 32 (18) Equip the offices of the authority with the necessary furniture,  
33 furnishings, equipment, records, and supplies.
- 34 (19) Design, order, contract for, and construct, reconstruct,  
35 improve, or renovate the following:
- 36 (A) Any local public improvement or structure that is necessary  
37 for redevelopment purposes or economic development within the  
38 corporate boundaries of the unit.

- 1 (B) Any structure that enhances development or economic
- 2 development.
- 3 (20) Contract for the construction, extension, or improvement of
- 4 pedestrian skyways (as defined in IC 36-7-14-12.2(c)).
- 5 (21) Accept loans, grants, and other forms of financial assistance
- 6 from, or contract with, the federal government, the state
- 7 government, a municipal corporation, a special taxing district, a
- 8 foundation, or any other source.
- 9 (22) Make and enter into all contracts and agreements necessary or
- 10 incidental to the performance of the duties of the authority and the
- 11 execution of the powers of the authority under this chapter.
- 12 (23) Take any action necessary to implement the purpose of the
- 13 authority.
- 14 (24) Provide financial assistance, in the manner that best serves the
- 15 purposes set forth in section 11(b) of this chapter, including grants
- 16 and loans, to enable private enterprise to develop, redevelop, and
- 17 reuse military base property or otherwise enable private enterprise
- 18 to provide social and economic benefits to the citizens of the unit.
- 19 (d) An authority may designate all or a portion of an economic
- 20 development area created under this section as an allocation area by
- 21 following the procedures set forth in IC 36-7-14-39 for the
- 22 establishment of an allocation area by a redevelopment commission.
- 23 The allocation provision may modify the definition of "property taxes"
- 24 under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the
- 25 depreciable personal property located and taxable on the site of
- 26 operations of designated taxpayers in accordance with the procedures
- 27 applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3
- 28 applies to such a modification. An allocation area established by an
- 29 authority under this section is a special taxing district authorized by the
- 30 general assembly to enable the unit to provide special benefits to
- 31 taxpayers in the allocation area by promoting economic development
- 32 that is of public use and benefit. For allocation areas established for an
- 33 economic development area created under this section after June 30,
- 34 1997, and to the expanded portion of an allocation area for an
- 35 economic development area that was established before June 30, 1997,
- 36 and that is expanded under this section after June 30, 1997, the net
- 37 assessed value of property that is assessed as residential property under
- 38 the rules of the department of local government finance, as finally

determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base reuse activities in or serving or benefitting that allocation area.

(2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).

(3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or benefitting that allocation area.

(5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the ~~twenty percent (20%)~~ of each county's ~~total county tax levy payable~~ **eligible property tax replacement amount (as defined in IC 6-1.1-21-2)** for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

- 1 (A) the STEP TWO quotient; by
- 2 (B) the total amount of the taxpayer's ~~property~~ taxes (**as**
- 3 **defined in IC 6-1.1-21-2**) levied in the taxing district that
- 4 have been allocated during that year to an allocation fund
- 5 under this section.

6 If not all the taxpayers in an allocation area receive the credit in  
 7 full, each taxpayer in the allocation area is entitled to receive the  
 8 same proportion of the credit. A taxpayer may not receive a credit  
 9 under this section and a credit under IC 36-7-14-39.5 in the same  
 10 year.

11 (6) Pay expenses incurred by the authority for local public  
 12 improvements or structures that are in the allocation area or  
 13 serving or benefiting the allocation area.

14 (7) Reimburse public and private entities for expenses incurred in  
 15 training employees of industrial facilities that are located:

- 16 (A) in the allocation area; and
- 17 (B) on a parcel of real property that has been classified as
- 18 industrial property under the rules of the department of local
- 19 government finance.

20 However, the total amount of money spent for this purpose in any  
 21 year may not exceed the total amount of money in the allocation  
 22 fund that is attributable to property taxes paid by the industrial  
 23 facilities described in clause (B). The reimbursements under this  
 24 subdivision must be made within three (3) years after the date on  
 25 which the investments that are the basis for the increment  
 26 financing are made. The allocation fund may not be used for  
 27 operating expenses of the authority.

28 (e) In addition to other methods of raising money for property  
 29 acquisition, redevelopment, or economic development activities in or  
 30 directly serving or benefitting an economic development area created  
 31 by an authority under this section, and in anticipation of the taxes  
 32 allocated under subsection (d), other revenues of the authority, or any  
 33 combination of these sources, the authority may, by resolution, issue  
 34 the bonds of the special taxing district in the name of the unit. Bonds  
 35 issued under this section may be issued in any amount without  
 36 limitation. The following apply if such a resolution is adopted:

- 37 (1) The authority shall certify a copy of the resolution authorizing
- 38 the bonds to the municipal or county fiscal officer, who shall then

- 1 prepare the bonds. The seal of the unit must be impressed on the  
2 bonds, or a facsimile of the seal must be printed on the bonds.
- 3 (2) The bonds must be executed by the appropriate officer of the  
4 unit and attested by the unit's fiscal officer.
- 5 (3) The bonds are exempt from taxation for all purposes.
- 6 (4) Bonds issued under this section may be sold at public sale in  
7 accordance with IC 5-1-11 or at a negotiated sale.
- 8 (5) The bonds are not a corporate obligation of the unit but are an  
9 indebtedness of the taxing district. The bonds and interest are  
10 payable, as set forth in the bond resolution of the authority:
- 11 (A) from the tax proceeds allocated under subsection (d);  
12 (B) from other revenues available to the authority; or  
13 (C) from a combination of the methods stated in clauses (A) and  
14 (B).
- 15 (6) Proceeds from the sale of bonds may be used to pay the cost of  
16 interest on the bonds for a period not to exceed five (5) years from  
17 the date of issuance.
- 18 (7) Laws relating to the filing of petitions requesting the issuance  
19 of bonds and the right of taxpayers to remonstrate against the  
20 issuance of bonds do not apply to bonds issued under this section.
- 21 (8) If a debt service reserve is created from the proceeds of bonds,  
22 the debt service reserve may be used to pay principal and interest  
23 on the bonds as provided in the bond resolution.
- 24 (9) If bonds are issued under this chapter that are payable solely or  
25 in part from revenues to the authority from a project or projects,  
26 the authority may adopt a resolution or trust indenture or enter into  
27 covenants as is customary in the issuance of revenue bonds. The  
28 resolution or trust indenture may pledge or assign the revenues  
29 from the project or projects. The resolution or trust indenture may  
30 also contain any provisions for protecting and enforcing the rights  
31 and remedies of the bond owners as may be reasonable and proper  
32 and not in violation of law, including covenants setting forth the  
33 duties of the authority. The authority may establish fees and  
34 charges for the use of any project and covenant with the owners of  
35 any bonds to set those fees and charges at a rate sufficient to  
36 protect the interest of the owners of the bonds. Any revenue bonds  
37 issued by the authority that are payable solely from revenues of the  
38 authority shall contain a statement to that effect in the form of

1 bond.

2 (f) Notwithstanding section 8(a) of this chapter, an ordinance adopted  
3 under section 11(b) of this chapter may provide, or be amended to  
4 provide, that the board of directors of the authority shall be composed  
5 of not fewer than three (3) nor more than seven (7) members, who must  
6 be residents of the unit appointed by the executive of the unit.

7 (g) The acquisition of real and personal property by an authority  
8 under this section is not subject to the provisions of IC 5-22,  
9 IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the  
10 purchase of property by public bodies or their agencies.

11 (h) An authority may negotiate for the sale, lease, or other disposition  
12 of real and personal property without complying with the provisions of  
13 IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing  
14 the disposition of public property.

15 (i) Notwithstanding any other law, utility services provided within an  
16 economic development area established under this section are subject  
17 to regulation by the appropriate regulatory agencies unless the utility  
18 service is provided by a utility that provides utility service solely within  
19 the geographic boundaries of an existing or a closed military  
20 installation, in which case the utility service is not subject to regulation  
21 for purposes of rate making, regulation, service delivery, or issuance of  
22 bonds or other forms of indebtedness. However, this exemption from  
23 regulation does not apply to utility service if the service is generated,  
24 treated, or produced outside the boundaries of the existing or closed  
25 military installation.

26 SECTION 161. IC 36-7-15.1-25 IS AMENDED TO READ AS  
27 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 25. (a) Real  
28 property acquired by the redevelopment district is exempt from  
29 taxation while owned by the district.

30 (b) All receipts of the department, including receipts from the sale of  
31 real property, personal property, and materials disposed of, are exempt  
32 from all taxes. ~~including the gross income tax.~~

33 (c) As used in this subsection, "year one" means any calendar year  
34 and "year two" means the calendar year following year one. When real  
35 property is acquired by the redevelopment district during the period  
36 from assessment on March 1 of year one to the last day of February of  
37 year two, the taxes due in year two shall be prorated between the seller  
38 and the city. When the proration is made, the auditor shall remove the

1 city's prorated share from the tax duplicate by auditor's correction.

2 SECTION 162. IC 36-7-15.1-26.5, AS AMENDED BY P.L.90-2002,  
3 SECTION 480, IS AMENDED TO READ AS FOLLOWS  
4 [EFFECTIVE JANUARY 1, 2003]: Sec. 26.5. (a) As used in this  
5 section, "adverse determination" means a determination by the fiscal  
6 officer of the consolidated city that the granting of credits described in  
7 subsection (g) or (h) would impair any contract with or otherwise  
8 adversely affect the owners of outstanding bonds payable from the  
9 allocation area special fund.

10 (b) As used in this section, "allocation area" has the meaning set forth  
11 in section 26 of this chapter.

12 (c) As used in this section, "special fund" refers to the special fund  
13 into which property taxes are paid under section 26 of this chapter.

14 (d) As used in this section, "taxing district" has the meaning set forth  
15 in IC 6-1.1-1-20.

16 (e) Except as provided in subsections (g), (h), and (i), each taxpayer  
17 in an allocation area is entitled to an additional credit for ~~property~~ taxes  
18 **(as defined in IC 6-1.1-21-2)** that, under IC 6-1.1-22-9, are due and  
19 payable in May and November of that year. One-half (1/2) of the credit  
20 shall be applied to each installment of ~~property~~ taxes **(as defined in**  
21 **IC 6-1.1-21-2)**. This credit equals the amount determined under the  
22 following STEPS for each taxpayer in a taxing district that contains all  
23 or part of the allocation area:

24 STEP ONE: Determine that part of the sum of the amounts under  
25 IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),  
26 IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to  
27 the taxing district.

28 STEP TWO: Divide:

29 (A) that part of ~~twenty percent (20%)~~ of each county's ~~total~~  
30 ~~county tax levy payable~~ **eligible property tax replacement**  
31 **amount (as defined in IC 6-1.1-21-2)** for that year as  
32 determined under IC 6-1.1-21-4 that is attributable to the taxing  
33 district; by

34 (B) the STEP ONE sum.

35 STEP THREE: Multiply:

36 (A) the STEP TWO quotient; by

37 (B) the total amount of the taxpayer's ~~property~~ taxes **(as defined**  
38 **in IC 6-1.1-21-2)** levied in the taxing district that would have

1           been allocated to an allocation fund under section 26 of this  
2           chapter had the additional credit described in this section not  
3           been given.

4           The additional credit reduces the amount of proceeds allocated to the  
5           redevelopment district and paid into the special fund.

6           (f) The credit for property tax replacement under IC 6-1.1-21-5 and  
7           the additional credits under subsections (e), (g), (h), and (i), unless the  
8           credits under subsections (g) and (h) are partial credits, shall be  
9           computed on an aggregate basis for all taxpayers in a taxing district  
10          that contains all or part of an allocation area. Except as provided in  
11          subsections (h) and (i), the credit for property tax replacement under  
12          IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h),  
13          and (i) shall be combined on the tax statements sent to each taxpayer.

14          (g) This subsection applies to an allocation area if allocated taxes  
15          from that area were pledged to bonds, leases, or other obligations of the  
16          commission before May 8, 1989. A credit calculated using the method  
17          provided in subsection (e) may be granted under this subsection. The  
18          credit provided under this subsection is first applicable for the  
19          allocation area for property taxes first due and payable in 1992. The  
20          following apply to the determination of the credit provided under this  
21          subsection:

22           (1) Before June 15 of each year, the fiscal officer of the  
23           consolidated city shall determine and certify the following:

24           (A) All amounts due in the following year to the owners of  
25           outstanding bonds payable from the allocation area special fund.

26           (B) All amounts that are:

27           (i) required under contracts with bond holders; and

28           (ii) payable from the allocation area special fund to fund  
29           accounts and reserves.

30           (C) An estimate of the amount of personal property taxes  
31           available to be paid into the allocation area special fund under  
32           section 26.9(c) of this chapter.

33           (D) An estimate of the aggregate amount of credits to be granted  
34           if full credits are granted.

35           (2) Before June 15 of each year, the fiscal officer of the  
36           consolidated city shall determine if the granting of the full amount  
37           of credits in the following year would impair any contract with or  
38           otherwise adversely affect the owners of outstanding bonds

- 1 payable from the allocation area special fund.
- 2 (3) If the fiscal officer of the consolidated city determines under
- 3 subdivision (2) that there would not be an impairment or adverse
- 4 effect:
- 5 (A) the fiscal officer of the consolidated city shall certify the
- 6 determination; and
- 7 (B) the full credits shall be applied in the following year, subject
- 8 to the determinations and certifications made under section
- 9 26.7(b) of this chapter.
- 10 (4) If the fiscal officer of the consolidated city makes an adverse
- 11 determination under subdivision (2), the fiscal officer of the
- 12 consolidated city shall determine whether there is an amount of
- 13 partial credits that, if granted in the following year, would not
- 14 result in the impairment or adverse effect. If the fiscal officer
- 15 determines that there is an amount of partial credits that would not
- 16 result in the impairment or adverse effect, the fiscal officer shall do
- 17 the following:
- 18 (A) Determine the amount of the partial credits.
- 19 (B) Certify that determination.
- 20 (5) If the fiscal officer of the consolidated city certifies under
- 21 subdivision (4) that partial credits may be paid, the partial credits
- 22 shall be applied pro rata among all affected taxpayers in the
- 23 following year.
- 24 (6) An affected taxpayer may appeal any of the following to the
- 25 circuit or superior court of the county in which the allocation area
- 26 is located:
- 27 (A) A determination by the fiscal officer of the consolidated city
- 28 that:
- 29 (i) credits may not be paid in the following year; or
- 30 (ii) only partial credits may be paid in the following year.
- 31 (B) A failure by the fiscal officer of the consolidated city to
- 32 make a determination by June 15 of whether full or partial
- 33 credits are payable under this subsection.
- 34 (7) An appeal of a determination must be filed not later than thirty
- 35 (30) days after the publication of the determination.
- 36 (8) An appeal of a failure by the fiscal officer of the consolidated
- 37 city to make a determination of whether the credits are payable
- 38 under this subsection must be filed by July 15 of the year in which

1 the determination should have been made.

2 (9) All appeals under subdivision (6) shall be decided by the court  
3 within sixty (60) days.

4 (h) This subsection applies to an allocation area if allocated taxes  
5 from that area were pledged to bonds, leases, or other obligations of the  
6 commission before May 8, 1989. A credit calculated using the method  
7 in subsection (e) and in subdivision (2) ~~of this subsection~~ may be  
8 granted under this subsection. The following apply to the credit granted  
9 under this subsection:

10 (1) The credit is applicable to property taxes first due and payable  
11 in 1991.

12 (2) For purposes of this subsection, the amount of a credit for 1990  
13 taxes payable in 1991 with respect to an affected taxpayer is equal  
14 to:

15 (A) the amount of the quotient determined under STEP TWO of  
16 subsection (e); multiplied by

17 (B) the total amount of the property taxes payable by the  
18 taxpayer that were allocated in 1991 to the allocation area  
19 special fund under section 26 of this chapter.

20 (3) Before June 15, 1991, the fiscal officer of the consolidated city  
21 shall determine and certify an estimate of the aggregate amount of  
22 credits for 1990 taxes payable in 1991 if the full credits are  
23 granted.

24 (4) The fiscal officer of the consolidated city shall determine  
25 whether the granting of the full amounts of the credits for 1990  
26 taxes payable in 1991 against 1991 taxes payable in 1992 and the  
27 granting of credits under subsection (g) would impair any contract  
28 with or otherwise adversely affect the owners of outstanding bonds  
29 payable from the allocation area special fund for an allocation area  
30 described in subsection (g).

31 (5) If the fiscal officer of the consolidated city determines that  
32 there would not be an impairment or adverse effect under  
33 subdivision (4):

34 (A) the fiscal officer shall certify that determination; and

35 (B) the full credits shall be applied against 1991 taxes payable  
36 in 1992 or the amount of the credits shall be paid to the  
37 taxpayers as provided in subdivision (12), subject to the  
38 determinations and certifications made under section 26.7(b) of

- 1           this chapter.
- 2           (6) If the fiscal officer of the consolidated city makes an adverse
- 3           determination under subdivision (4), the fiscal officer shall
- 4           determine whether there is an amount of partial credits for 1990
- 5           taxes payable in 1991 that, if granted against 1991 taxes payable
- 6           in 1992 in addition to granting of the credits under subsection (g),
- 7           would not result in the impairment or adverse effect.
- 8           (7) If the fiscal officer of the consolidated city determines under
- 9           subdivision (6) that there is an amount of partial credits that would
- 10          not result in the impairment or adverse effect, the fiscal officer
- 11          shall determine the amount of partial credits and certify that
- 12          determination.
- 13          (8) If the fiscal officer of the consolidated city certifies under
- 14          subdivision (7) that partial credits may be paid, the partial credits
- 15          shall be applied pro rata among all affected taxpayers against 1991
- 16          taxes payable in 1992.
- 17          (9) An affected taxpayer may appeal any of the following to the
- 18          circuit or superior court of the county in which the allocation area
- 19          is located:
- 20                (A) A determination by the fiscal officer of the consolidated city
- 21                that:
- 22                      (i) credits may not be paid for 1990 taxes payable in 1991; or
- 23                      (ii) only partial credits may be paid for 1990 taxes payable in
- 24                      1991.
- 25                (B) A failure by the fiscal officer of the consolidated city to
- 26                make a determination by June 15, 1991, of whether credits are
- 27                payable under this subsection.
- 28          (10) An appeal of a determination must be filed not later than thirty
- 29          (30) days after the publication of the determination. Any such
- 30          appeal shall be decided by the court within sixty (60) days.
- 31          (11) An appeal of a failure by the fiscal officer of the consolidated
- 32          city to make a determination of whether credits are payable under
- 33          this subsection must be filed by July 15, 1991. Any such appeal
- 34          shall be decided by the court within sixty (60) days.
- 35          (12) If 1991 taxes payable in 1992 with respect to a parcel are
- 36          billed to the same taxpayer to which 1990 taxes payable in 1991
- 37          were billed, the county treasurer shall apply to the tax bill for 1991
- 38          taxes payable in 1992 both the credit provided under subsection (g)

1 and the credit provided under this subsection, along with any credit  
 2 determined to be applicable to the tax bill under subsection (i). In  
 3 the alternative, at the election of the county auditor, the county may  
 4 pay to the taxpayer the amount of the credit by May 10, 1992, and  
 5 the amount shall be charged to the taxing units in which the  
 6 allocation area is located in the proportion of the taxing units'  
 7 respective tax rates for 1990 taxes payable in 1991.

8 (13) If 1991 taxes payable in 1992 with respect to a parcel are  
 9 billed to a taxpayer other than the taxpayer to which 1990 taxes  
 10 payable in 1991 were billed, the county treasurer shall do the  
 11 following:

12 (A) Apply only the credits under subsections (g) and (i) to the  
 13 tax bill for 1991 taxes payable in 1992.

14 (B) Give notice by June 30, 1991, by publication two (2) times  
 15 in three (3) newspapers in the county with the largest circulation  
 16 of the availability of a refund of the credit under this subsection.  
 17 A taxpayer entitled to a credit must file an application for refund  
 18 of the credit with the county auditor not later than November 30,  
 19 1991.

20 (14) A taxpayer who files an application by November 30, 1991,  
 21 is entitled to payment from the county treasurer in an amount that  
 22 is in the same proportion to the credit provided under this  
 23 subsection with respect to a parcel as the amount of 1990 taxes  
 24 payable in 1991 paid by the taxpayer with respect to the parcel  
 25 bears to the 1990 taxes payable in 1991 with respect to the parcel.  
 26 This amount shall be paid to the taxpayer by May 10, 1992, and  
 27 shall be charged to the taxing units in which the allocation area is  
 28 located in the proportion of the taxing units' respective tax rates for  
 29 1990 taxes payable in 1991.

30 (i) This subsection applies to an allocation area if allocated taxes  
 31 from that area were pledged to bonds, leases, or other obligations of the  
 32 commission before May 8, 1989. The following apply to the credit  
 33 granted under this subsection:

34 (1) A prior year credit is applicable to property taxes first due and  
 35 payable in each year from 1987 through 1990 (the "prior years").

36 (2) The credit for each prior year is equal to:

37 (A) the amount of the quotient determined under STEP TWO of  
 38 subsection (e) for the prior year; multiplied by

- 1 (B) the total amount of the property taxes paid by the taxpayer  
 2 that were allocated in the prior year to the allocation area special  
 3 fund under section 26 of this chapter.
- 4 (3) Before January 31, 1992, the county auditor shall determine the  
 5 amount of credits under subdivision (2) with respect to each parcel  
 6 in the allocation area for all prior years with respect to which:
- 7 (A) taxes were billed to the same taxpayer for taxes payable in  
 8 each year from 1987 through 1991; or
- 9 (B) an application was filed by November 30, 1991, under  
 10 subdivision (8) for refund of the credits for prior years.
- 11 A report of the determination by parcel shall be sent by the county  
 12 auditor to the department of local government finance and the  
 13 budget agency within five (5) days of such determination.
- 14 (4) Before January 31, 1992, the county auditor shall determine the  
 15 quotient of the amounts determined under subdivision (3) with  
 16 respect to each parcel divided by six (6).
- 17 (5) Before January 31, 1992, the county auditor shall determine the  
 18 quotient of the aggregate amounts determined under subdivision  
 19 (3) with respect to all parcels divided by twelve (12).
- 20 (6) Except as provided in subdivisions (7) and (9), in each year in  
 21 which credits from prior years remain unpaid, credits for the prior  
 22 years in the amounts determined under subdivision (4) shall be  
 23 applied as provided in this subsection.
- 24 (7) If taxes payable in the current year with respect to a parcel are  
 25 billed to the same taxpayer to which taxes payable in all of the  
 26 prior years were billed and if the amount determined under  
 27 subdivision (3) with respect to the parcel is at least five hundred  
 28 dollars (\$500), the county treasurer shall apply the credits provided  
 29 for the current year under subsections (g) and (h) and the credit in  
 30 the amount determined under subdivision (4) to the tax bill for  
 31 taxes payable in the current year. However, if the amount  
 32 determined under subdivision (3) with respect to the parcel is less  
 33 than five hundred dollars (\$500) (referred to in this subdivision as  
 34 "small claims"), the county may, at the election of the county  
 35 auditor, either apply a credit in the amount determined under  
 36 subdivision (3) or ~~subdivision~~ (4) to the tax bill for taxes payable  
 37 in the current year or pay either amount to the taxpayer. If title to  
 38 a parcel transfers in a year in which a credit under this subsection

1 is applied to the tax bill, the transferor may file an application with  
 2 the county auditor within thirty (30) days of the date of the transfer  
 3 of title to the parcel for payments to the transferor at the same  
 4 times and in the same amounts that would have been allowed as  
 5 credits to the transferor under this subsection if there had not been  
 6 a transfer. If a determination is made by the county auditor to  
 7 refund or credit small claims in the amounts determined under  
 8 subdivision (3) in 1992, the county auditor may make appropriate  
 9 adjustments to the credits applied with respect to other parcels so  
 10 that the total refunds and credits in any year will not exceed the  
 11 payments made from the state property tax replacement fund to the  
 12 prior year credit fund referred to in subdivision (11) in that year.

13 (8) If taxes payable in the current year with respect to a parcel are  
 14 billed to a taxpayer that is not a taxpayer to which taxes payable in  
 15 all of the prior years were billed, the county treasurer shall do the  
 16 following:

17 (A) Apply only the credits under subsections (g) and (h) to the  
 18 tax bill for taxes payable in the current year.

19 (B) Give notice by June 30, 1991, by publication two (2) times  
 20 in three (3) newspapers in the county with the largest circulation  
 21 of the availability of a refund of the credit.

22 A taxpayer entitled to the credit must file an application for refund  
 23 of the credit with the county auditor not later than November 30,  
 24 1991. A refund shall be paid to an eligible applicant by May 10,  
 25 1992.

26 (9) A taxpayer who filed an application by November 30, 1991, is  
 27 entitled to payment from the county treasurer under subdivision (8)  
 28 in an amount that is in the same proportion to the credit determined  
 29 under subdivision (3) with respect to a parcel as the amount of  
 30 taxes payable in the prior years paid by the taxpayer with respect  
 31 to the parcel bears to the taxes payable in the prior years with  
 32 respect to the parcel.

33 (10) In each year on May 1 and November 1, the state shall pay to  
 34 the county treasurer from the state property tax replacement fund  
 35 the amount determined under subdivision (5).

36 (11) All payments received from the state under subdivision (10)  
 37 shall be deposited into a special fund to be known as the prior year  
 38 credit fund. The prior year credit fund shall be used to make:

1 (A) payments under subdivisions (7) and (9); and  
 2 (B) deposits into the special fund for the application of prior year  
 3 credits.

4 (12) All amounts paid into the special fund for the allocation area  
 5 under subdivision (11) are subject to any pledge of allocated  
 6 property tax proceeds made by the redevelopment district under  
 7 section 26(d) of this chapter, including but not limited to any  
 8 pledge made to owners of outstanding bonds of the redevelopment  
 9 district of allocated taxes from that area.

10 (13) By January 15, 1993, and by January 15 of each year  
 11 thereafter, the county auditor shall send to the department of local  
 12 government finance and the budget agency a report of the receipts,  
 13 earnings, and disbursements of the prior year credit fund for the  
 14 prior calendar year. If in the final year that credits under subsection  
 15 (i) are allowed any balance remains in the prior year credit fund  
 16 after the payment of all credits payable under this subsection, such  
 17 balance shall be repaid to the treasurer of state for deposit in the  
 18 property tax replacement fund.

19 (14) In each year, the county shall limit the total of all refunds and  
 20 credits provided for in this subsection to the total amount paid in  
 21 that year from the property tax replacement fund into the prior year  
 22 credit fund and any balance remaining from the preceding year in  
 23 the prior year credit fund.

24 SECTION 163. IC 36-7-15.1-35 IS AMENDED TO READ AS  
 25 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 35. (a)  
 26 Notwithstanding section 26(a) of this chapter, with respect to the  
 27 allocation and distribution of property taxes for the accomplishment of  
 28 a program adopted under section 32 of this chapter, "base assessed  
 29 value" means the net assessed value of all of the land as finally  
 30 determined for the assessment date immediately preceding the effective  
 31 date of the allocation provision, as adjusted under section 26(g) of this  
 32 chapter. However, "base assessed value" does not include the value of  
 33 real property improvements to the land.

34 (b) The special fund established under section 26(b) of this chapter  
 35 for the allocation area for a program adopted under section 32 of this  
 36 chapter may be used only for purposes related to the accomplishment  
 37 of the program, including the following:

38 (1) The construction, rehabilitation, or repair of residential units

- 1 within the allocation area.
- 2 (2) The construction, reconstruction, or repair of infrastructure
- 3 (such as streets, sidewalks, and sewers) within or serving the
- 4 allocation area.
- 5 (3) The acquisition of real property and interests in real property
- 6 within the allocation area.
- 7 (4) The demolition of real property within the allocation area.
- 8 (5) To provide financial assistance to enable individuals and
- 9 families to purchase or lease residential units within the allocation
- 10 area. However, financial assistance may be provided only to those
- 11 individuals and families whose income is at or below the county's
- 12 median income for individuals and families, respectively.
- 13 (6) To provide financial assistance to neighborhood development
- 14 corporations to permit them to provide financial assistance for the
- 15 purposes described in subdivision (5).
- 16 (7) To provide each taxpayer in the allocation area a credit for
- 17 property tax replacement as determined under subsections (c) and
- 18 (d). However, this credit may be provided by the commission only
- 19 if the city-county legislative body establishes the credit by
- 20 ordinance adopted in the year before the year in which the credit
- 21 is provided.
- 22 (c) The maximum credit that may be provided under subsection
- 23 (b)(7) to a taxpayer in a taxing district that contains all or part of an
- 24 allocation area established for a program adopted under section 32 of
- 25 this chapter shall be determined as follows:
- 26 STEP ONE: Determine that part of the sum of the amounts
- 27 described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2)
- 28 through IC 6-1.1-21-2(g)(5) that is attributable to the taxing
- 29 district.
- 30 STEP TWO: Divide:
- 31 (A) that part of ~~the amount~~ **each county's eligible property tax**
- 32 **replacement amount (as defined in IC 6-1.1-21-2) for that**
- 33 **year as** determined under IC 6-1.1-21-4(a)(1) that is attributable
- 34 to the taxing district; by
- 35 (B) the amount determined under STEP ONE.
- 36 STEP THREE: Multiply:
- 37 (A) the STEP TWO quotient; by
- 38 (B) the taxpayer's ~~property~~ **taxes (as defined in IC 6-1.1-21-2)**

1           levied in the taxing district allocated to the allocation fund,  
2           including the amount that would have been allocated but for the  
3           credit.

4           (d) The commission may determine to grant to taxpayers in an  
5           allocation area from its allocation fund a credit under this section, as  
6           calculated under subsection (c), by applying one-half (1/2) of the credit  
7           to each installment of ~~property~~ taxes (**as defined in IC 6-1.1-21-2**) that  
8           under IC 6-1.1-22-9 are due and payable on May 1 and November 1 of  
9           a year. The commission must provide for the credit annually by a  
10          resolution and must find in the resolution the following:

11          (1) That the money to be collected and deposited in the allocation  
12          fund, based upon historical collection rates, after granting the  
13          credit will equal the amounts payable for contractual obligations  
14          from the fund, plus ten percent (10%) of those amounts.

15          (2) If bonds payable from the fund are outstanding, that there is a  
16          debt service reserve for the bonds that at least equals the amount  
17          of the credit to be granted.

18          (3) If bonds of a lessor under section 17.1 of this chapter or under  
19          IC 36-1-10 are outstanding and if lease rentals are payable from the  
20          fund, that there is a debt service reserve for those bonds that at  
21          least equals the amount of the credit to be granted.

22          If the tax increment is insufficient to grant the credit in full, the  
23          commission may grant the credit in part, prorated among all taxpayers.

24          (e) Notwithstanding section 26(b) of this chapter, the special fund  
25          established under section 26(b) of this chapter for the allocation area  
26          for a program adopted under section 32 of this chapter may only be  
27          used to do one (1) or more of the following:

28          (1) Accomplish one (1) or more of the actions set forth in section  
29          26(b)(2)(A) through ~~section~~ 26(b)(2)(H) of this chapter.

30          (2) Reimburse the consolidated city for expenditures made by the  
31          city in order to accomplish the housing program in that allocation  
32          area.

33          The special fund may not be used for operating expenses of the  
34          commission.

35          (f) Notwithstanding section 26(b) of this chapter, the commission  
36          shall, relative to the special fund established under section 26(b) of this  
37          chapter for an allocation area for a program adopted under section 32  
38          of this chapter, do the following before July 15 of each year:

(1) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary:

(A) to make, when due, principal and interest payments on bonds described in section 26(b)(2) of this chapter;

(B) to pay the amount necessary for other purposes described in section 26(b)(2) of this chapter; and

(C) to reimburse the consolidated city for anticipated expenditures described in subsection (e)(2).

(2) Notify the county auditor of the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

SECTION 164. IC 36-7-15.1-52, AS ADDED BY P.L.102-1999, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 52. (a) Real property acquired by the redevelopment district is exempt from taxation while owned by the district.

(b) All receipts of the redevelopment district, including receipts from the sale of real property, personal property, and materials disposed of, are exempt from all taxes. ~~including the gross income tax.~~

(c) As used in this subsection, "year one" means any calendar year and "year two" means the calendar year following year one. When real property is acquired by the redevelopment district during the period from assessment on March 1 of year one to the last day of February of year two, the taxes due in year two shall be prorated between the seller and the city. When the proration is made, the auditor shall remove the city's prorated share from the tax duplicate by auditor's correction.

SECTION 165. IC 36-7-15.1-56, AS ADDED BY P.L.102-1999, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 56. (a) As used in this section, "allocation area" has the meaning set forth in section 53 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for ~~property~~ taxes **(as defined in IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied

to each installment of ~~property~~ taxes **(as defined in IC 6-1.1-21-2)**.  
 This credit equals the amount determined under the following STEPS  
 for each taxpayer in a taxing district that contains all or part of the  
 allocation area:

STEP ONE: Determine that part of the sum of the amounts under  
 IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),  
 IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to  
 the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty percent (20%)~~ of each county's ~~total~~  
~~county tax levy payable~~ **eligible property tax replacement**  
**amount (as defined in IC 6-1.1-21-2)** for that year as  
 determined under IC 6-1.1-21-4 that is attributable to the taxing  
 district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's ~~property~~ taxes **(as defined**  
**in IC 6-1.1-21-2)** levied in the taxing district that would have  
 been allocated to an allocation fund under section 53 of this  
 chapter had the additional credit described in this section not  
 been given.

The additional credit reduces the amount of proceeds allocated to the  
 development district and paid into an allocation fund under section  
 53(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under  
 subsection (e) or (f), the credit for property tax replacement under  
 IC 6-1.1-21-5 and the additional credit under subsection (c) shall be  
 computed on an aggregate basis for all taxpayers in a taxing district  
 that contains all or part of an allocation area. The credit for property tax  
 replacement under IC 6-1.1-21-5 and the additional credit under  
 subsection (c) shall be combined on the tax statements sent to each  
 taxpayer.

(e) Upon the recommendation of the commission, the excluded city  
 legislative body may, by resolution, provide that the additional credit  
 described in subsection (c):

(1) does not apply in a specified allocation area; or

(2) is to be reduced by a uniform percentage for all taxpayers in a

1 specified allocation area.

2 (f) Whenever the excluded city legislative body determines that  
3 granting the full additional credit under subsection (c) would adversely  
4 affect the interests of the holders of bonds or other contractual  
5 obligations that are payable from allocated tax proceeds in that  
6 allocation area in a way that would create a reasonable expectation that  
7 those bonds or other contractual obligations would not be paid when  
8 due, the excluded city legislative body must adopt a resolution under  
9 subsection (e) to deny the additional credit or reduce it to a level that  
10 creates a reasonable expectation that the bonds or other obligations will  
11 be paid when due. A resolution adopted under subsection (e) denies or  
12 reduces the additional credit for property taxes first due and payable in  
13 the allocation area in any year following the year in which the  
14 resolution is adopted.

15 (g) A resolution adopted under subsection (e) remains in effect until  
16 it is rescinded by the body that originally adopted it. However, a  
17 resolution may not be rescinded if the rescission would adversely affect  
18 the interests of the holders of bonds or other obligations that are  
19 payable from allocated tax proceeds in that allocation area in a way that  
20 would create a reasonable expectation that the principal of or interest  
21 on the bonds or other obligations would not be paid when due. If a  
22 resolution is rescinded and no other resolution is adopted, the  
23 additional credit described in subsection (c) applies to property taxes  
24 first due and payable in the allocation area in each year following the  
25 year in which the resolution is rescinded.

26 SECTION 166. IC 36-7-30-25, AS AMENDED BY P.L.90-2002,  
27 SECTION 486, IS AMENDED TO READ AS FOLLOWS  
28 [EFFECTIVE JANUARY 1, 2003]: Sec. 25. (a) The following  
29 definitions apply throughout this section:

30 (1) "Allocation area" means that part of a military base reuse area  
31 to which an allocation provision of a declaratory resolution  
32 adopted under section 10 of this chapter refers for purposes of  
33 distribution and allocation of property taxes.

34 (2) "Base assessed value" means:

35 (A) the net assessed value of all the property as finally  
36 determined for the assessment date immediately preceding the  
37 adoption date of the allocation provision of the declaratory  
38 resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment thereto, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Clause (C) applies only to allocation areas established in a military reuse area after June 30, 1997, and to the portion of an allocation area that was established before June 30, 1997, and that is added to an existing allocation area after June 30, 1997.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 10 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 13 of this chapter. The allocation provision may apply to all or part of the military base reuse area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be

1 allocated to the military base reuse district and, when collected,  
 2 paid into an allocation fund for that allocation area that may be  
 3 used by the military base reuse district and only to do one (1) or  
 4 more of the following:

5 (A) Pay the principal of and interest and redemption premium on  
 6 any obligations incurred by the military base reuse district or any  
 7 other entity for the purpose of financing or refinancing military  
 8 base reuse activities in or directly serving or benefiting that  
 9 allocation area.

10 (B) Establish, augment, or restore the debt service reserve for  
 11 bonds payable solely or in part from allocated tax proceeds in  
 12 that allocation area or from other revenues of the reuse authority,  
 13 including lease rental revenues.

14 (C) Make payments on leases payable solely or in part from  
 15 allocated tax proceeds in that allocation area.

16 (D) Reimburse any other governmental body for expenditures  
 17 made for local public improvements (or structures) in or directly  
 18 serving or benefiting that allocation area.

19 (E) Pay all or a part of a property tax replacement credit to  
 20 taxpayers in an allocation area as determined by the reuse  
 21 authority. This credit equals the amount determined under the  
 22 following STEPS for each taxpayer in a taxing district (as  
 23 defined in IC 6-1.1-1-20) that contains all or part of the  
 24 allocation area:

25 STEP ONE: Determine that part of the sum of the amounts under  
 26 IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),  
 27 IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable  
 28 to the taxing district.

29 STEP TWO: Divide:

30 (i) that part of the ~~twenty percent (20%)~~ of each county's ~~total~~  
 31 ~~county tax levy payable~~ **eligible property tax replacement**  
 32 **amount (as defined in IC 6-1.1-21-2)** for that year as  
 33 determined under IC 6-1.1-21-4 that is attributable to the  
 34 taxing district; by

35 (ii) the STEP ONE sum.

36 STEP THREE: Multiply:

37 (i) the STEP TWO quotient; times

38 (ii) the total amount of the taxpayer's ~~property~~ taxes (as

1           **defined in IC 6-1.1-21-2)** levied in the taxing district that  
 2           have been allocated during that year to an allocation fund  
 3           under this section.

4           If not all the taxpayers in an allocation area receive the credit in  
 5           full, each taxpayer in the allocation area is entitled to receive the  
 6           same proportion of the credit. A taxpayer may not receive a  
 7           credit under this section and a credit under section 27 of this  
 8           chapter in the same year.

9           (F) Pay expenses incurred by the reuse authority for local public  
 10          improvements or structures that were in the allocation area or  
 11          directly serving or benefiting the allocation area.

12          (G) Reimburse public and private entities for expenses incurred  
 13          in training employees of industrial facilities that are located:

- 14           (i) in the allocation area; and
- 15           (ii) on a parcel of real property that has been classified as
- 16           industrial property under the rules of the department of local
- 17           government finance.

18          However, the total amount of money spent for this purpose in  
 19          any year may not exceed the total amount of money in the  
 20          allocation fund that is attributable to property taxes paid by the  
 21          industrial facilities described in this clause. The reimbursements  
 22          under this clause must be made not more than three (3) years  
 23          after the date on which the investments that are the basis for the  
 24          increment financing are made.

25          The allocation fund may not be used for operating expenses of the  
 26          reuse authority.

27          (3) Except as provided in subsection (g), before July 15 of each  
 28          year the reuse authority shall do the following:

29           (A) Determine the amount, if any, by which property taxes  
 30           payable to the allocation fund in the following year will exceed  
 31           the amount of property taxes necessary to make, when due,  
 32           principal and interest payments on bonds described in  
 33           subdivision (2) plus the amount necessary for other purposes  
 34           described in subdivision (2).

35           (B) Notify the county auditor of the amount, if any, of the  
 36           amount of excess property taxes that the reuse authority has  
 37           determined may be paid to the respective taxing units in the  
 38           manner prescribed in subdivision (1). The reuse authority may

1 not authorize a payment to the respective taxing units under this  
2 subdivision if to do so would endanger the interest of the holders  
3 of bonds described in subdivision (2) or lessors under section 19  
4 of this chapter. Property taxes received by a taxing unit under  
5 this subdivision are eligible for the property tax replacement  
6 credit provided under IC 6-1.1-21.

7 (c) For the purpose of allocating taxes levied by or for any taxing unit  
8 or units, the assessed value of taxable property in a territory in the  
9 allocation area that is annexed by a taxing unit after the effective date  
10 of the allocation provision of the declaratory resolution is the lesser of:

11 (1) the assessed value of the property for the assessment date with  
12 respect to which the allocation and distribution is made; or

13 (2) the base assessed value.

14 (d) Property tax proceeds allocable to the military base reuse district  
15 under subsection (b)(2) may, subject to subsection (b)(3), be  
16 irrevocably pledged by the military base reuse district for payment as  
17 set forth in subsection (b)(2).

18 (e) Notwithstanding any other law, each assessor shall, upon petition  
19 of the reuse authority, reassess the taxable property situated upon or in  
20 or added to the allocation area, effective on the next assessment date  
21 after the petition.

22 (f) Notwithstanding any other law, the assessed value of all taxable  
23 property in the allocation area, for purposes of tax limitation, property  
24 tax replacement, and the making of the budget, tax rate, and tax levy  
25 for each political subdivision in which the property is located is the  
26 lesser of:

27 (1) the assessed value of the property as valued without regard to  
28 this section; or

29 (2) the base assessed value.

30 (g) If any part of the allocation area is located in an enterprise zone  
31 created under IC 4-4-6.1, the unit that designated the allocation area  
32 shall create funds as specified in this subsection. A unit that has  
33 obligations, bonds, or leases payable from allocated tax proceeds under  
34 subsection (b)(2) shall establish an allocation fund for the purposes  
35 specified in subsection (b)(2) and a special zone fund. Such a unit  
36 shall, until the end of the enterprise zone phase out period, deposit each  
37 year in the special zone fund any amount in the allocation fund derived  
38 from property tax proceeds in excess of those described in subsection

(b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 167. IC 36-7-30-27 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 27. (a) As used in this section, "allocation area" has the meaning set forth in section 25 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth

1 in IC 6-1.1-1-20.

2 (c) Subject to subsection (e), each taxpayer in an allocation area is  
 3 entitled to an additional credit for ~~property~~ taxes **(as defined in**  
 4 **IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable in May  
 5 and November of that year. One-half (1/2) of the credit shall be applied  
 6 to each installment of ~~property~~ taxes **(as defined in IC 6-1.1-21-2).**  
 7 This credit equals the amount determined under the following STEPS  
 8 for each taxpayer in a taxing district that contains all or part of the  
 9 allocation area:

10 STEP ONE: Determine that part of the sum of the amounts under  
 11 IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),  
 12 IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to  
 13 the taxing district.

14 STEP TWO: Divide:

15 (A) that part of ~~twenty percent (20%)~~ of each county's ~~total~~  
 16 ~~county tax levy payable~~ **eligible property tax replacement**  
 17 **amount (as defined in IC 6-1.1-21-2)** for that year as  
 18 determined under IC 6-1.1-21-4 that is attributable to the taxing  
 19 district; by

20 (B) the STEP ONE sum.

21 STEP THREE: Multiply:

22 (A) the STEP TWO quotient; times

23 (B) the total amount of the taxpayer's ~~property~~ taxes **(as defined**  
 24 **in IC 6-1.1-21-2)** levied in the taxing district that would have  
 25 been allocated to an allocation fund under section 25 of this  
 26 chapter had the additional credit described in this section not  
 27 been given.

28 The additional credit reduces the amount of proceeds allocated to the  
 29 military base reuse district and paid into an allocation fund under  
 30 section 25(b)(2) of this chapter.

31 (d) If the additional credit under subsection (c) is not reduced under  
 32 subsection (e) or (f), the credit for property tax replacement under  
 33 IC 6-1.1-21-5 and the additional credit under subsection (c) shall be  
 34 computed on an aggregate basis for all taxpayers in a taxing district  
 35 that contains all or part of an allocation area. The credit for property tax  
 36 replacement under IC 6-1.1-21-5 and the additional credit under  
 37 subsection (c) shall be combined on the tax statements sent to each  
 38 taxpayer.

(e) Upon the recommendation of the reuse authority, the municipal legislative body (in the case of a reuse authority established by a municipality) or the county executive (in the case of a reuse authority established by a county) may by resolution provide that the additional credit described in subsection (c):

(1) does not apply in a specified allocation area; or

(2) is to be reduced by a uniform percentage for all taxpayers in a specified allocation area.

(f) If the municipal legislative body or county executive determines that granting the full additional credit under subsection (c) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the municipal legislative body or county executive must adopt a resolution under subsection (e) to deny the additional credit or reduce the credit to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.

(g) A resolution adopted under subsection (e) remains in effect until rescinded by the body that originally adopted the resolution. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

11 (b) The department of commerce may not approve an application

13 operations in another location in Indiana in order to relocate them  
14 within the certified technology park.

15 (c) There may be not more than three (3) certified technology  
16 parks designated by the department.

17 **Sec. 12.** A redevelopment commission and the legislative body of  
18 the unit that established the redevelopment commission may enter  
19 into an agreement with the department of commerce establishing  
20 the terms and conditions governing a certified technology park  
21 designated under section 11 of this chapter. Upon designation of  
22 the certified technology park under the terms of the agreement, the  
23 subsequent failure of any party to comply with the terms of the  
24 agreement does not result in the termination or rescission of the  
25 designation of the area as a certified technology park. The  
26 agreement must include the following provisions:

27 (1) A description of the area to be included within the certified  
28 technology park.

29 (2) Covenants and restrictions, if any, upon all or a part of the  
30 properties contained within the certified technology park and  
31 terms of enforcement of any covenants or restrictions.

32 (3) The financial commitments of any party to the agreement  
33 and of any owner or developer of property within the certified  
34 technology park.

35 (4) The terms of any commitment required from an institution  
36 of higher education or private research based institute for  
37 support of the operations and activities within the certified  
38 technology park.

(5) The terms of enforcement of the agreement, which may include the definition of events of default, cure periods, legal and equitable remedies and rights, and penalties and damages, actual or liquidated, upon the occurrence of an event of default.

(6) The public facilities to be developed for the certified technology park and the costs of those public facilities, as approved by the department of commerce.

Sec. 13. (a) If the department of commerce determines that a sale price or rental value at below market rate will assist in increasing employment or private investment in a certified technology park, the redevelopment commission and the legislative body of the unit may determine the sale price or rental value for public facilities owned or developed by the redevelopment commission and the unit in the certified technology park at below market rate.

(b) If public facilities developed under an agreement entered into under this chapter are conveyed or leased at less than fair market value or at below market rates, the terms of the conveyance or lease shall include legal and equitable remedies and rights to assure that the public facilities are used for high technology activities or as a business incubator. Legal and equitable remedies and rights may include penalties and actual or liquidated damages.

Sec. 14. The department of commerce shall market the certified technology park. The department and a redevelopment commission may contract with each other or any third party for these marketing services.

Sec. 15. (a) Subject to the approval of the legislative body of the unit that established the redevelopment commission, the redevelopment commission may adopt a resolution designating a certified technology park as an allocation area for purposes of the allocation and distribution of property taxes.

(b) After adoption of the resolution under subsection (a), the redevelopment commission shall:

(1) publish notice of the adoption and substance of the resolution in accordance with IC 5-3-1; and

(2) file the following information with each taxing unit that has authority to levy property taxes in the geographic area where the certified technology park is located:

1 (A) A copy of the notice required by subdivision (1).

2 (B) A statement disclosing the impact of the certified  
3 technology park, including the following:

4 (i) The estimated economic benefits and costs incurred by  
5 the certified technology park, as measured by increased  
6 employment and anticipated growth of real property  
7 assessed values.

8 (ii) The anticipated impact on tax revenues of each taxing  
9 unit.

10 The notice must state the general boundaries of the certified  
11 technology park and must state that written remonstrances may be  
12 filed with the redevelopment commission until the time designated  
13 for the hearing. The notice must also name the place, date, and  
14 time when the redevelopment commission will receive and hear  
15 remonstrances and objections from persons interested in or  
16 affected by the proceedings pertaining to the proposed allocation  
17 area and will determine the public utility and benefit of the  
18 proposed allocation area. The commission shall file the information  
19 required by subdivision (2) with the officers of the taxing unit who  
20 are authorized to fix budgets, tax rates, and tax levies under  
21 IC 6-1.1-17-5 at least ten (10) days before the date of the public  
22 hearing. All persons affected in any manner by the hearing,  
23 including all taxpayers within the taxing district of the  
24 redevelopment commission, shall be considered notified of the  
25 pendency of the hearing and of subsequent acts, hearings,  
26 adjournments, and orders of the redevelopment commission  
27 affecting the allocation area if the redevelopment commission gives  
28 the notice required by this section.

29 (c) At the hearing, which may be recessed and reconvened  
30 periodically, the redevelopment commission shall hear all persons  
31 interested in the proceedings and shall consider all written  
32 remonstrances and objections that have been filed. After  
33 considering the evidence presented, the redevelopment commission  
34 shall take final action determining the public utility and benefit of  
35 the proposed allocation area confirming, modifying and  
36 confirming, or rescinding the resolution. The final action taken by  
37 the redevelopment commission shall be recorded and is final and  
38 conclusive, except that an appeal may be taken in the manner

1 prescribed by section 16 of this chapter.

2       **Sec. 16. (a)** A person who files a written remonstrance with the  
 3 redevelopment commission under section 15 of this chapter and  
 4 who is aggrieved by the final action taken may, within ten (10) days  
 5 after that final action, file with the office of the clerk of the circuit  
 6 or superior court of the county a copy of the redevelopment  
 7 commission's resolution and the person's remonstrance against the  
 8 resolution, together with the person's bond as provided by  
 9 IC 34-13-5-7.

 11 court without a jury. All remonstrances upon which an appeal has  
 12 been taken shall be consolidated and heard and determined within  
 13 thirty (30) days after the time of filing of the appeal. The court  
 14 shall decide the appeal based on the record and evidence before the  
 15 redevelopment commission, not by trial de novo, and may confirm  
 16 the final action of the redevelopment commission or sustain the  
 17 remonstrances. The judgment of the court is final and conclusive,  
 18 unless an appeal is taken as in other civil actions.

19       **Sec. 17. (a)** An allocation provision adopted under section 15 of  
 20 this chapter must:

- 21       (1) apply to the entire certified technology park; and
- 22       (2) require that any property tax on taxable property
- 23       subsequently levied by or for the benefit of any public body
- 24       entitled to a distribution of property taxes in the certified
- 25       technology park be allocated and distributed as provided in
- 26       subsections (b) and (c).

27       **(b)** Except as otherwise provided in this section, the proceeds of  
 28 the taxes attributable to the lesser of:

- 29       (1) the assessed value of the taxable property for the
- 30       assessment date with respect to which the allocation and
- 31       distribution is made; or
- 32       (2) the base assessed value;

33 shall be allocated and, when collected, paid into the funds of the  
 34 respective taxing units.

35       **(c)** Except as provided in subsection (d), all the property tax  
 36 proceeds that exceed those described in subsection (b) shall be  
 37 allocated to the redevelopment commission for the certified  
 38 technology park and, when collected, paid into the certified

1 technology park fund established under section 23 of this chapter.

2 (d) Before July 15 of each year, the redevelopment commission  
3 shall do the following:

4 (1) Determine the amount, if any, by which the property tax  
5 proceeds to be deposited in the certified technology park fund  
6 will exceed the amount necessary for the purposes described in  
7 section 23 of this chapter.

8 (2) Notify the county auditor of the amount, if any, of excess  
9 tax proceeds that the redevelopment commission has  
10 determined may be allocated to the respective taxing units in  
11 the manner prescribed in subsection (c). The redevelopment  
12 commission may not authorize an allocation of property tax  
13 proceeds under this subdivision if to do so would endanger the  
14 interests of the holders of bonds described in section 24 of this  
15 chapter.

16 (e) Notwithstanding any other law, each assessor shall, upon  
17 petition of the redevelopment commission, reassess the taxable  
18 property situated upon or in, or added to, the certified technology  
19 park effective on the next assessment date after the petition.

20 (f) Notwithstanding any other law, the assessed value of all  
21 taxable property in the certified technology park, for purposes of  
22 tax limitation, property tax replacement, and formulation of the  
23 budget, tax rate, and tax levy for each political subdivision in  
24 which the property is located is the lesser of:

25 (1) the assessed value of the taxable property as valued without  
26 regard to this section; or

27 (2) the base assessed value.

28 **Sec. 18. (a)** A redevelopment commission may, by resolution,  
29 provide that each taxpayer in a certified technology park that has  
30 been designated as an allocation area is entitled to an additional  
31 credit for taxes (as defined in IC 6-1.1-21-2) that, under  
32 IC 6-1.1-22-9, are due and payable in May and November of that  
33 year. One-half (1/2) of the credit shall be applied to each  
34 installment of property taxes. This credit equals the amount  
35 determined under the following STEPS for each taxpayer in a  
36 taxing district that contains all or part of the certified technology  
37 park:

38 **STEP ONE:** Determine that part of the sum of the amounts

under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

**STEP TWO: Divide:**

(A) that part of the county's total eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

**STEP THREE: Multiply:**

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the certified technology park fund under section 17 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the certified technology park fund under section 17 of this chapter.

(b) The additional credit under subsection (a) shall be:

(1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of a certified technology park; and

(2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in a certified technology park who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies must be stated on the notice.

(d) Notwithstanding any other law, a taxpayer in a certified technology park is not entitled to a credit for property tax replacement under IC 6-1.1-21-5.

**Sec. 19. (a)** The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that the state board of accounts and department of local government finance consider appropriate for the

1 implementation of an allocation area under this chapter.

2 (b) After each general reassessment under IC 6-1.1-4, the  
3 department of local government finance shall adjust the base  
4 assessed value one (1) time to neutralize any effect of the general  
5 reassessment on the property tax proceeds allocated to the certified  
6 technology park fund under section 17 of this chapter.

7 Sec. 20. (a) After entering into an agreement under section 12 of  
8 this chapter, the redevelopment commission shall send to the  
9 department of state revenue:

11 technology park under section 11 of this chapter;

12 (2) a certified copy of the agreement entered into under section  
13 12 of this chapter; and

14 (3) a complete list of the employers in the certified technology  
15 park and the street names and the range of street numbers of  
16 each street in the certified technology park.

17 The redevelopment commission shall update the list provided  
18 under subdivision (3) before July 1 of each year.

19 (b) Not later than sixty (60) days after receiving a copy of the  
20 designation of the certified technology park, the department of  
21 state revenue shall determine the gross retail base period amount  
22 and the income tax base period amount.

23 Sec. 21. Before the first business day in October of each year, the  
24 department of state revenue shall calculate the income tax  
25 incremental amount and the gross retail incremental amount for  
26 the preceding state fiscal year for each certified technology park  
27 designated under this chapter.

28 Sec. 22. (a) The treasurer of state shall establish an incremental  
29 tax financing fund for each certified technology park designated  
30 under this chapter. The fund shall be administered by the treasurer

34 deposited during each state fiscal year in the incremental tax  
35 financing fund established for a certified technology park under  
36 subsection (a):

37 (1) The aggregate amount of state gross retail and use taxes  
38 that are remitted under IC 6-2.5 by businesses operating in the

certified technology park, until the amount of state gross retail and use taxes deposited equals the gross retail incremental amount for the certified technology park.

(2) The aggregate amount of the following taxes paid by employees employed in the certified technology park with respect to wages earned for work in the certified technology park, until the amount deposited equals the income tax incremental amount:

(A) The adjusted gross income tax.

(D) The county economic development income tax.

(c) Not more than a total of five million dollars (\$5,000,000) may be deposited in a particular incremental tax financing fund for a certified technology park over the life of the certified technology park.

(d) On or before the twentieth day of each month, all amounts held in the incremental tax financing fund established for a certified technology park shall be distributed to the redevelopment commission for deposit in the certified technology park fund established under section 23 of this chapter.

Sec. 23. (a) Each redevelopment commission that establishes a certified technology park under this chapter shall establish a certified technology park fund to receive:

(1) property tax proceeds allocated under section 17 of this chapter; and

(2) money distributed to the redevelopment commission under section 22 of this chapter.

(b) Money deposited in the certified technology park fund may be used by the redevelopment commission only for one (1) or more of the following purposes:

17      commission for public facilities that are in the certified  
18      technology park or serving the certified technology park.

19      (c) The certified technology park fund may not be used for  
20      operating expenses of the redevelopment commission.

31       **(b) The department of state revenue shall adopt the initial rules**  
 32       **and prescribe the initial forms to implement IC 6-2.2 (business**

 34       **department of state revenue may adopt the initial rules required**  
 35       **under this SECTION in the same manner that emergency rules are**  
 36       **adopted under IC 4-22-2-37.1. A rule adopted under this**  
 37       **SECTION expires on the earlier of the following:**

38           **(1) The date that the rule is superseded, amended, or repealed**

by a permanent rule adopted under IC 4-22-2 or another rule adopted under this SECTION.

(2) July 1, 2004.

(c) IC 6-2.2, as added by this act, applies to taxable years beginning after December 31, 2002, and to short taxable years described in subsection (d).

(d) This subsection applies to a taxpayer that was doing business in Indiana during a taxable year determined under the Internal Revenue Code for federal income tax purposes that:

(1) begins before January 1, 2003; and

(2) ends after December 31, 2002.

The initial taxable year for a taxpayer under IC 6-2.2, as added by this act, is a short taxable year. Notwithstanding IC 6-2.2-4-1, as added by this act, the initial taxable year of a taxpayer under IC 6-2.2, as added by this act, begins January 1, 2003. The initial taxable year of the taxpayer ends on the day immediately preceding the day that the taxpayer's next taxable year under the Internal Revenue Code begins. Notwithstanding IC 6-2.2-6, as added by this act, the tax imposed under IC 6-2.2, as added by this act, for the initial taxable year of the taxpayer is equal to the tax computed under IC 6-2.2-7, as added by this act, for the taxpayer's full taxable year under the Internal Revenue Code multiplied by a fraction. The numerator of the fraction is the number of days remaining in the taxpayer's taxable year after December 31, 2002, and the denominator is the total number of days in the taxable year under the Internal Revenue Code for the purposes of federal income taxation.

SECTION 178. [EFFECTIVE JULY 1, 2002] (a) This SECTION applies to a taxpayer that:

(1) was subject to the supplemental net income tax under IC 6-3-8 before January 1, 2003; and

(2) has a taxable year that begins before January 1, 2003, and ends after December 31, 2002.

(b) A taxpayer shall file the taxpayer's estimated supplemental net income tax return and pay the taxpayer's estimated supplemental net income tax liability to the department of state revenue as provided by law for due dates that occur before January 1, 2003.

(c) Not later than April 15, 2003, a taxpayer shall file a final supplemental net income tax return with the department of state revenue on a form and in the manner prescribed by the department of state revenue. At the time of filing the final supplemental net income tax return, a taxpayer shall pay to the department of state revenue an amount equal to the remainder of:
